The Living Bible Tyndale,1974-10 The Living Bible TLB is an English version of the Bible created by Kenneth N Taylor It was first published in 1971 Unlike most English Bibles The Living Bible is a paraphrase Mr Taylor used the American Standard Version of 1901 as his base text Taylor never intended for his paraphrase to be used as the reader s sole source of Biblical knowledge or as an aid to scholarly study Rather his goal was to put the basic message of the Bible into modern language that could readily be understood by the typical reader without a theological or linguistic background He never represented his work as a translation Rather the word Paraphrased was used on the front cover to show very clearly that this was a paraphrase Wikipedia
