Romance Of The Revolution True Stories O:

Revolutionary Love in Eighteenth- and Early Nineteenth-century France Allan H. Pasco, 2009 In this innovative study the author carves out a new field a sociology of literature in which he offers insightful commentary about the nexus of literature and society Calling on history sociology and psychology as well as literature as points of reference Allan Pasco examines the conceptual in eighteenth century France s ideal of love from familial duty to personal fulfilment **Catalogue of Books** Young Men's Christian Association of the City of New York. Railroad Branch. Library, 1899 **Revolution Plus Love** Liu Jianmei, 2003-09-30 In the aftermath of the May Fourth movement a growing expectation of revolution raised important intellectual issues about the position of the individual within a society in turmoil and the shifting boundaries of political and sexual identities The theme of revolution plus love a literary response to the widespread insurrections and upheaval was first popularized in the late 1920s In her examination of this popular but understudied literary formula Liu Jianmei argues that revolution and love are culturally variable entities their interplay a complex and constantly changing literary practice that is socially and historically determined Liu looks at the formulary writing of revolution plus love from the 1930s to the 1970s as a case study of literary politics Favored by leftist writers during the early period of revolutionary literature it continued to influence mainstream Chinese literature up to the 1970s By drawing a historical picture of the articulation and rearticulation of this theme Liu shows how changes in revolutionary discourse force unpredictable representations of gender rules and power relations and how women s bodies reveal the complex interactions between political representation and gender roles *Revolution Plus Love* is a nuanced and carefully considered work on gender and modernity in China unmatched in its broad use of literary resources It will be of considerable interest to scholars and students of modern Chinese literature women s studies cultural studies and comparative literature *Special Bibliographic Series* US Army Military History Research Collection, 1976 **The Romance of the Revolution** Oliver Bell Bunce, 2025-05-22 *The Romance of the Revolution* by Oliver Bell Bunce offers a captivating account of the American War of Independence focusing on the personal adventures heroic exploits and romantic incidents that defined this pivotal period in history Published in 1852 this work provides a rich tapestry of narratives that bring to life the human side of the revolution Readers will discover the courage sacrifices and dramatic events that shaped the birth of the United States Bunce s historical account emphasizes the enduring appeal of the stories from the revolutionary era A valuable resource for those interested in the American Revolution This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this

Rod Bush: Lessons from a Radical Black Scholar on Liberation, Love, and Justice Melanie E. L. Bush, Rose M. Brewer, Daniel Douglas, Loretta Chin, Robert Newby, 2019-01-01 Editor Melanie E. L. Bush Foreword Robin D. G. Kelley Co editors Rose M. Brewer, Daniel Douglas, Loretta Chin, Robert Newby Series Editor Mohammad H. Tamdgidi Roderick Douglas Bush 1945-2013 was a scholar, educator, mentor, activist and a loving human being. In reflecting on his life, well-lived, the contributors in *Rod Bush: Lessons from a Radical Black Scholar on Liberation, Love, and Justice* share insightful lessons from his life and works on how to effect liberation and radical social transformation in the everyday practices of scholarship, teaching, activism and personal interaction through a loving spirit dedicated to social justice. Rod Bush was deeply convinced that Pan-European racism is the Achilles' heel of the modern world system and the demographic situation of the United States with its large strategically located populations of color is a key locus of struggle for a more just, democratic and egalitarian world order. This book shows by the example of Rod Bush how one can be the change through a commitment to everyday practices and personal transformations that embody, enable, embrace and engage global social change. This anthology provides deep reflections on the question of how one can live radical principles in contemporary times.

What does it mean to be human How does one embed love and justice in one's worldview and daily practice Rod Bush partner colleague teacher mentor comrade and friend was well known as an activist scholar who incorporated his values into his teaching mentorship and everyday interactions Therefore his theoretical interests and practical involvements in movements are intimately linked and simultaneous In his foreword Robin D G Kelley shares his intimate views of Rod Bush's life and works In his view Rod's commitment to study and struggle in the service of human liberation knew no boundaries His vision was planetary He wrote critically and brilliantly about Black radical movements here and abroad and about the destructive power of racism colonialism capitalism the modern world system all with the goal of transforming a society based on exploitation subjugation and war into a society rooted in mutual benefit life and love At a historical moment when the political landscape is fraught with volatility and the Movement for Black Lives and other struggles for dignity and justice gain increasing momentum Rod's life serves as an example providing many lessons that we can draw from and practice ourselves Rod consistently asserted that it is critical to recognize the historical leadership of those involved in struggles for Black Liberation and justice writ large For a vision for Black Lives is indeed a vision that benefits all humanity The anthology is edited by Melanie E L Bush and co edited by Rose M Brewer Daniel Douglas Loretta Chin and Robert Newby Contributors include Robin D G Kelley Foreword Angelo Taiwo Bush Chriss Sneed Daniel Douglas Godfrey Vincent Matthew Birkhold Loretta Chin Latoya A Lee Tatiana Chichester A Kia Sinclair Mojib Olufemi Okome Natalie P Byfield Komozi Woodard Bob Barber Rodney D Coates Charles Cappy Pinderhughes Jr James V Fenelon Walda Katz Fishman Jerome Scott Rose M Brewer Robert Newby Roderick D Bush and Melanie E L Bush The anthology is a volume XII 2019 in the Edited Collection Series of Human Architecture Journal of the Sociology of Self Knowledge edited by Mohammad H Tamdgidi Endorsements One look at the list of contributors to this compendium with its diverse assembly of scholars and I knew that Rod Bush's lessons would be fully absorbed and explicated I only wish I could have spent more time with him and been a beneficiary of his immense insights on love liberation and justice Rod would be proud of the commentaries and the thoughtful devotion of the editors Herb Boyd writer activist and academic most recently author of Black Detroit A People's History of Self Determination and the forthcoming Black Panther Film Paradigm Shift or Not An Anthology co edited with Haki Madhubuti Though sadly not a household name when the history of his era is written undoubtedly the immense intellectual and political contributions of Rod Bush will not only be acknowledged but also celebrated The volume at hand gives an indication of why this is so Gerald Horne author The Apocalypse of Settler Colonialism The Roots of Slavery White Supremacy and Capitalism in 17th Century North America and the Caribbean This is a brilliant collection of essays by notable engaged scholars celebrating the life and work of Rod Bush as a whole forming a textual critique of Bush's essential research theory and writing It elucidates the most important decolonial movements of our time including race class and gender Black internationalism Black nationalism and Native American struggles social justice and more Other essays reveal the beauty and ethical stance of the man himself The
