## **Secrets Of The Greats Drumset Exercises For A Professional Sound:**

**Secrets of the Greats** Rob Silverman,2011-03-11 Secrets of the Greats is aimed at the intermediate to advanced drummer who wishes to incorporate triplet patterns into their repertoire the triplet is the secret weapon of many of the great players in jazz rock Latin and fusion This book details a systematic approach to learning to use triplets in patterns fills and solos the companion CD includes recordings of many of the techniques as well as solos incorporating these skills A great gift for every drummer

**Stick It to Your Chops** Kirby Jacobsen,2024-11-01 Stick It to Your Chops is an exhaustive sourcebook containing challenging effective and enjoyable exercises for advancing technical skills on the snare drum The book is divided into three sections Warm Ups Expanding Accents and Rhythms with Rudiments and Combinations Pre knowledge of snare drum rudiments like the double stroke roll the single paradiddle the flam tap and the flam accent would be advantageous in approaching this book The Combinations section contains every right left sticking pattern engendered by groupings of three to eight notes if the book s rhythm charts were applied to these patterns the equivalent of over 5 800 pages of exercises would be generated The book s patterns and rudiments focus on developing consistency and evenness of strokes dynamic control and dexterity All exercises in this book are written in standard percussion notation with both right hand and left hand leads Online audio examples are provided for select exercises from each section

**The Groove Schoolbook** Randolph Jimenez,2021-09-15 The Groove Schoolbook is a complete guide to the most common drum set patterns used in rock pop funk and shuffle music It is also a handy source of more than 2500 possible technical combinations that will prepare a drummer for the stylistic variety of the most common grooves in modern drumming Written in standard drum set notation the book can be used by students and drummers of all ages levels and backgrounds It can also be used by professionals as a reference book or by anyone preparing for a university percussion program The book s intricate and interesting patterns will help students develop ambidexterity and four limb independence Includes access to online audio Hailed by Billboard Magazine as one of the best Latin American drummers nowadays Randolph Jimenez is a respected drummer percussionist composer and educator who has worked with many Grammy and Latin Grammy award winning artists and musicians He is also an outstanding drum instructor in the Toronto area Visit [www.randolfjimenez.com](http://www.randolfjimenez.com) I love this book because it starts with a basic foundation for beginning students and advances into patterns that all drummers of different levels can use musically Walfredo Reyes Jr Drummer with Chicago Santana Traffic Cristina Aguilera Visit [www.walfredoreyesjr.com](http://www.walfredoreyesjr.com)

**Basic Coordination for the Drum Set** Mat Marucci,2025-01-10 This book comprises my personal exercises These exercises were never meant to be a book I wrote them for my personal practice routine But of all the books I have worked from and I went through practically the whole drum set repertoire I can say that these exercises have helped me develop and hone my coordination on the drum set as much or more than any other If done diligently according to the beginning instructions I guarantee these exercises will help any drummer using them

**Groovin' Rudments** Ron

Wilson,2022-10-06 After learning some basic beats students of the drum set often ask how do I get to the next level Developing drum rudiments will open up a new universe on the drum set by building technique speed and dexterity Playing these sticking patterns with the online grooves and beats creates another enjoyable dimension to the material Applying new skills by playing with other musicians is an important part of the learning process The online music tracks facilitate this and make it fun to play the examples in a musical setting Each recorded example appears in two separate versions one includes the drums as a reference and the other leaves the drum tracks out so students can provide the drumming All examples are written in standard drum set notation Includes access to online audio Complete Modern Drum Set Frank

Briggs,2015-07-10 This book offers challenging material for the intermediate to advanced drummer Addressing a multitude of styles author Frank Briggs helps guide your playing to a higher plane while improving your technique and raising your awareness of cutting edge concepts such as metric modulation displaced beats polyrhythms and more Briggs states He believes the more you know about different styles and the inner workings of time and phrasing the better your ability to contribute to the music at hand The clearer you see the parallels or the common threads that tie these concepts together the more freedom you will have to express yourself The music is challenging and suitable for the advanced drummer Styles include odd meters metric modulation tuplets funk Latin mid and up tempo swing and fusion This set includes access to online audio which is a play along for drums with full stereo versions of the music charts included in the book Sketch Electric Red Moon Home Funky Track Jazz Swing and 32 Bar are recorded with drums and without drums the tracks without drums include a click track so that the student can listen and play along Solo sections are included on most of the tracks Instrumentation is drums bass keyboards and sax The companion video online Re edited from the original masters this video offers challenging material for the intermediate to advanced drummer All special effects have been removed and the sound track has been encoded in Dolby Digital stereo Twenty one play along tracks CueLink tm and a metronome make this video the most valuable cutting edge educational tool for drummers on the market today This video features complete performances of Red Moon Home Along the Mohawk Sketch Electric and more It includes over 115 minutes of drumming and is the perfect companion to the Complete Modern Drum Set Book nearly every page in the book is performed including page headers and pattern numbers for easy reference Song Sheets to Software Elizabeth C.
