Finding Favor and the Secret of Rainbow Moor Yvette S.M. Debeau,2016-07-15 A story of intrigue mystery romance and the paranormal surrounds a young widow who struggles with falling in love with the man who kidnapped her and the love she left behind Favor Durand left the hectic bustling City of Angels and moved back to her home town of Fortuna nestled in the heart of the Redwoods of Northern California The town she grew up in is known for its peaceful warm friendly atmosphere and charm Her busy career would continue to take her back to the lively metropolis of the city but the quiet peaceful surroundings of Fortuna is a stark contrast from that of the metropolitan rat race Here she has made new friends and reconnected with old With the slower paced life comes inner peace she has longed for But then a strange series of events turns the life of this young Interior Designer into chaotic uncertainty

Chaos Theory Matthew Vierling,2003-06-16 They were six academic fugitives from prestigious universities and elite private academies Connor Petra Russell Octavia Iain and Taleah ronin child prodigies and castaway geniuses too smart for the traditional higher educational system For Connor Randall it is the great intellectual challenge he has been seeking his entire life But there are secrets Why me It was this question that made me certain that there had to be a secret plan But long before then I noticed things that should have been kept hidden In the beginning there is an absence of turbulence Underlying instabilities appear Flaws in the system are revealed The second law of thermodynamics law mandates that in closed systems chaos always prevails But even in light of this ultimate tendency small salvations are available within the process In the end however the entire system

finally overtaken by entropy has to collapse and the implications are catastrophic
