Encyclopedia of Women in the Renaissance Anne R. Larsen, Diana Robin, Carole Levin, 2007-03-01 This work is a revealing combination of biographies and topical essays that describe the outstanding and often overlooked contributions of women to the science, politics, and culture of the Renaissance *Encyclopedia of Women in the Renaissance* Italy, France, and England is the first comprehensive reference devoted exclusively to the contributions of women to European culture in the period between 1350 and 1700 Focusing principally on early modern women in England, France, and Italy, it offers over 135 biographies of the extraordinary women of those times *Encyclopedia of Women in the Renaissance* provides vivid portraits of well-known women such as Catherine of Siena, Joan of Arc, Mary Queen of Scots, and Christine de Pizan Also included are less familiar but equally important women like Elena Lucrezia Cornaro, the first woman in Europe to earn a doctorate, the renowned Renaissance painter Artemisia Gentileschi, and the acclaimed author of medical textbooks and midwife to a French queen, Louise Boursier Based on the latest research and enhanced with thematic essays, this groundbreaking work casts our understanding of women's lives and roles in Renaissance history and culture in a provocative new light

The Routledge History of Women in Early Modern Europe Amanda L. Capern, 2019-10-30 The Routledge History of Women in Early Modern Europe is a comprehensive and ground-breaking survey of the lives of women in early modern Europe between 1450 and 1750 Covering a period of dramatic political and cultural change, the book challenges the current contours and chronologies of European history by observing them through the lens of female experience The collaborative research of this book covers four themes: the affective world, practical knowledge for life, politics, and religion; arts, science, and humanities These themes are interwoven through the chapters, which encompass all areas of women's lives: sexuality, emotions, health, and wellbeing; educational attainment, litigation, and the practical and leisured application of knowledge, skills, and artistry from medicine to theology The intellectual lives of women through reading and writing, and their spirituality and engagement with the material world are also explored So too is the sheer energy of female work, including farming and manufacture, skilled craft, and artwork, theatrical work, and scientific enquiry The Routledge History of Women in Early Modern Europe revises the chronological and ideological parameters of early modern European history by opening the reader's eyes to an exciting age of female productivity, social engagement, and political activism across European and transatlantic boundaries It is essential reading for students and researchers of early modern history, the history of women, and gender studies

A History of Women's Writing in Russia Adele Marie Barker, Jehanne M. Gheith, 2002-07-11 *A History of Women's Writing in Russia* offers a comprehensive account of the lives and works of Russia's women writers Based on original and archival research, this volume forces a re-examination of many of the traditionally held assumptions about Russian literature and women's role in the tradition In setting about the process of reintegrating women writers into the history of Russian literature, contributors have addressed the often surprising contexts within which women's

writing has been produced Chapters reveal a flourishing literary tradition where none was thought to exist They redraw the map defining Russia s literary periods they look at how Russia s women writers articulated their own experience and they reassess their relationship to the dominant male tradition The volume is supported by extensive reference features including a bibliography and guide to writers and their works

Memories of the Slave Trade Rosalind Shaw,2020-04-04 How is the slave trade remembered in West Africa In a work that challenges recurring claims that Africans felt and still feel no sense of moral responsibility concerning the sale of slaves Rosalind Shaw traces memories of the slave trade in Temne speaking communities in Sierra Leone While the slave trading past is rarely remembered in explicit verbal accounts it is often made vividly present in such forms as rogue spirits ritual specialists visions and the imagery of divination techniques Drawing on extensive fieldwork and archival research Shaw argues that memories of the slave trade have shaped and been reshaped by experiences of colonialism postcolonialism and the country s ten year rebel war Thus money and commodities for instance are often linked to an invisible city of witches whose affluence was built on the theft of human lives These ritual and visionary memories make hitherto invisible realities manifest forming a prism through which past and present mutually configure each other

The Arkansas Banker ,1918 *Covert Operations* Karma Lochrie,2012-05-28 Selected by Choice magazine as an Outstanding Academic Book In *Covert Operations* Karma Lochrie brings the categories and cultural meanings of secrecy in the Middle Ages out into the open Isolating five broad areas confession women s gossip medieval science and medicine marriage and the law and sodomitic discourse Lochrie examines various types of secrecy and the literary texts in which they are played out She reads texts as central to Middle English studies as the Parson s Tale the Miller s Tale the Secretum Secretorum and Sir Gawain and the Green Knight as well as a broad range of less familiar works including a gynecological treatise and a little known fifteenth century parody in which gossip and confession become one As she does so she reveals a great deal about the medieval past and perhaps just as much about the early development of the concealments that shape the present day
