Excerpt from *In Taunton Town A Story of the Rebellion of James Duke of Monmouth in 1685* Now Uncle John was a big man as big as father him self with a loud voice and a right jovial manner I doubt not that he found this jovial address a great source of in come to him for he kept the inn of the Three Cups in gay Taunton Town and travellers who paused at his door to ask the way or quaff a cup of mead on horseback seldom rode onwards after having had speech of mine host unless much pressed for time but dismounted to taste the good cheer of the house and more often than not remained until the morrow beneath the friendly shelter of the roof tree I was to learn all about this in good sooth as will shortly be made clear to all Uncle Robert had followed the example of Uncle John or had perhaps been guided in his choice by the Old adage of which I have spoken for he too became master of an inn in Bridgewater by name the Cross Keys It was not such a ourishing or important house as the Three Cups in Taunton nevertheless it was a comfortable and well liked place of rest and the name of Snowe went far in the district as a warranty for good cheer and fair charges About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections
