Eleanor Learmonth, Jenny Tabakoff

Seductive Poison A Jonestown Survivors Story Of Life And Death In The Peoples Temple:

Seductive Poison Deborah Layton,1999-11-09 In this haunting and riveting firsthand account a survivor of Jim Jones s Peoples Temple opens up the shadowy world of cults and shows how anyone can fall under their spell A suspenseful tale of escape that reads like a satisfying thriller The most important personal testimony to emerge from the Jonestown tragedy Chicago Tribune A high level member of Jim Jones s Peoples Temple for seven years Deborah Layton escaped his infamous commune in the Guyanese jungle leaving behind her mother her older brother and many friends She returned to the United States with warnings of impending disaster but her pleas for help fell on skeptical ears and shortly thereafter in November 1978 the Jonestown massacre shocked the world *Seductive Poison* is both an unflinching historical document and a suspenseful story of intrigue power and murder

Seductive Poison Deborah Layton,2010-08-18 In this haunting and riveting firsthand account a survivor of Jim Jones s Peoples Temple opens up the shadowy world of cults and shows how anyone can fall under their spell A suspenseful tale of escape that reads like a satisfying thriller The most important personal testimony to emerge from the Jonestown tragedy Chicago Tribune A high level member of Jim Jones s Peoples Temple for seven years Deborah Layton escaped his infamous commune in the Guyanese jungle leaving behind her mother her older brother and many friends She returned to the United States with warnings of impending disaster but her pleas for help fell on skeptical ears and shortly thereafter in November 1978 the Jonestown massacre shocked the world *Seductive Poison* is both an unflinching historical document and a suspenseful story of intrigue power and murder

Controversial New Religions James R. Lewis,Jesper Aagaard Petersen,2014 Written by established scholars as well as younger experts in their field this updated and revised second edition of *Controversial New Religions* offers a scholarly dispassionate look at the new religious groups that have generated the most attention in the media and general public

No Mercy Eleanor Learmonth,Jenny Tabakoff,2013-07-24 Disaster strikes A ship goes down a plane crashes a party of travellers is cut off But when the panic and confusion subside and the dead are counted the survivors must find a way to keep surviving And in desperation unconstrained by law or conventional authority the tactics they resort to can be both horrifying and ultimately self destructive Learmonth and Tabakoff outline the physical and neurological changes that typically affect the victims of disaster Then using true stories from history as case studies they investigate the scenario famously imagined by William Golding in *Lord of the Flies* and borne out by the extraordinary Robbers Cave experiments of the 1950s As this fascinating book unfolds the awful truth becomes clear In extremis humans are capable of a swift descent into murderous savagery that is both hard to believe and impossible to forget Eleanor Learmonth has worked as a teacher and freelance journalist in Japan and Australia She has a reputation as a magnet for natural disasters Jenny Tabakoff has been a senior journalist in Australia and Britain for *The Times* the *Sydney Morning Herald* and *AAP* She is the co author of *Australian Style* Eleanor and Jenny live in Sydney with their husbands and children They met at the school gate Succinct yet considered accessible yet authoritative

Learmonth and Tabakoff strike a happy balance between scholarliness and readability throughout cogent presentation of some truly harrowing subject matter which less responsible hands might have milked for vulgar sensationalism Bookseller and Publisher Well researched and well argued lively and energetic No Mercy is full of insights into leadership loyalty sacrifice and compassion that will challenge readers to wonder what they might do if similarly tested Booktopia Buzz Sometimes adversity brings out the best in people at other times it does the opposite This is about those other times excellent reading when you re safely at home Weekend Herald A fascinating post mortem of how certain groups manage to survive while others flailed about in drunken murderous chaos Daily Telegraph This fascinating book shines light on an awful truth Get Reading

Killing Congress Nancy E. Marion, Willard Oliver, 2014-07-22 Since Congress was established in 1789 seven members have been assassinated and several others have been the victims of attempted assassinations or other acts of violence Additionally eight members of Congress have died while serving in Congress in other ways These incidents have taken place throughout the existence of the United States and have a wide variety of interesting causes In Killing Congress Assassinations Attempted Assassinations and other Violence Enacted on Members of the U S Congress Nancy Marion and Willard Oliver examine the assassinations and attempted assassinations of members of Congress describing the actions that led up to the violence the incidents themselves and the repercussions of the events Marion and Oliver also look closely at other violent attacks against Congressional members including beatings and bio attacks The book not only describes the assassinations but discusses the short and long term impacts of the violence that takes place on Capitol Hill

The Road to Jonestown Jeff Guinn, 2017-04-11 An Edgar Award Finalist for Best Fact Crime A thoroughly readable thoroughly chilling account of a brilliant con man and his all too vulnerable prey The Boston Globe the definitive story of preacher Jim Jones who was responsible for the Jonestown Massacre the largest murder suicide in American history by the New York Times bestselling author of Manson In the 1950s a young Indianapolis minister named Jim Jones preached a curious blend of the gospel and Marxism His congregation was racially mixed and he was a leader in the early civil rights movement Eventually Jones moved his church Peoples Temple to northern California where he got involved in electoral politics and became a prominent Bay Area leader But underneath the surface lurked a terrible darkness In this riveting narrative Jeff Guinn examines Jones s life from his early days as an idealistic minister to a secret life of extramarital affairs drug use and fraudulent faith healing before the fateful decision to move almost a thousand of his followers to a settlement in the jungles of Guyana in South America Guinn provides stunning new details of the events leading to the fatal day in November 1978 when more than nine hundred people died including almost three hundred infants and children after being ordered to swallow a cyanide laced drink Guinn examined thousands of pages of FBI files on the case including material released during the course of his research He traveled to Jones s Indiana hometown where he spoke to people never previously interviewed and uncovered fresh information from Jonestown survivors He even visited the Jonestown site with the same pilot who flew

there the day that Congressman Leo Ryan was murdered on Jones's orders *The Road to Jonestown* is the most complete picture to date of this tragic saga and of the man who engineered it The result is a disturbing portrait of evil and a compassionate memorial to those taken in by Jones's malign charisma *San Francisco Chronicle* [New Age, Neopagan, and New Religious Movements](#) Hugh B. Urban, 2015-09-15 *New Age Neopagan and New Religious Movements* is the most extensive study to date of modern American alternative spiritual currents Hugh B Urban covers a range of emerging religions from the mid nineteenth century to the present including the Nation of Islam Mormonism Scientology ISKCON Wicca the Church of Satan Peoples Temple and the Branch Davidians This essential text engages students by addressing major theoretical and methodological issues in the study of new religions and is organized to guide students in their learning Each chapter focuses on one important issue involving a particular faith group providing readers with examples that illustrate larger issues in the study of religion and American culture Urban addresses such questions as Why has there been such a tremendous proliferation of new spiritual forms in the past 150 years even as our society has become increasingly rational scientific technological and secular Why has the United States become the heartland for the explosion of new religious movements How do we deal with complex legal debates such as the use of peyote by the Native American Church or the practice of plural marriage by some Mormon communities And how do we navigate issues of religious freedom and privacy in an age of religious violence terrorism and government surveillance [The New Religious Movements Experience in America](#) Eugene V. Gallagher, 2004-10-30 Wherever and whenever they appear new religious movements always produce conflict Even as they attract members who enthusiastically embrace their innovative teachings new religions often provoke strongly negative reactions often because they challenge established notions of proper religious action belief and morality Opponents of new religious movements often brand them as cults and urge their fellow citizens their own religions and even the government to take action against what they see as suspicious and potentially dangerous movements the members often complain that their motives have been misconstrued and argue that their groups are unfairly persecuted *The New Religious Movements Experience in America* outlines the conflict between representatives of the status quo and new religions and examines how these groups appear both to their members and to their cultural opponents This work is ideal for anyone students parents and teachers who wish to gain a deeper understanding of new religious movements in America New religions have always been part of the American religious landscape and this book moves beyond the contemporary period to discuss examples of new religions that have originated survived or died and sometimes prospered throughout U S history Among the groups discussed are the Mormons the Peoples Temple the Branch Davidians Spiritualism Theosophy the Church Universal and Triumphant the International Society for Krishna Consciousness the followers of Bhagwan Shree Rajneesh Soka Gakkai the Nation of Islam Wiccans and neo Pagans the Church of Satan the Church of Scientology Heaven's Gate and the Raelians *The New Religious Movements Experience in America* includes a glossary and a list of resources for those

interested in doing further research on the experience of the followers of new religions Death in the Jungle Candace Fleming, 2025-04-29 How did Jim Jones the leader of Peoples Temple convince more than 900 of his followers to commit revolutionary suicide by drinking cyanide laced punch From a master of narrative nonfiction comes a chilling chronicle of one of the most notorious cults in American history Using riveting first person accounts award winning author Candace Fleming reveals the makings of a monster from Jones s humble origins as a child of the Depression to his founding of a group whose idealistic promises of equality and justice attracted thousands of followers to his relocation of Temple headquarters from California to an unsettled territory in Guyana South America which he dubbed Jonestown to his transformation of Peoples Temple into a nefarious experiment in mind control And Fleming heart stoppingly depicts Jones s final act persuading his followers to swallow fatal doses of cyanide to drink the kool aid as it became known as a test of their ultimate devotion Here is a sweeping story that traces step by step the ways in which one man slowly indoctrinated then murdered 900 innocent well meaning people And how a few members Jones own son included stood up to him but not before it was too late Violence and New Religious Movements James R. Lewis, 2011-04-06 The relationship between new religious movements NRMs and violence has long been a topic of intense public interest an interest heavily fueled by multiple incidents of mass violence involving certain groups Some of these incidents have made international headlines When New Religious Movements make the news it s usually because of some violent episode Some of the most famous NRMs are known much more for the violent way they came to an end than for anything else Violence and New Religious Movements offers a comprehensive examination of violence by and against new religious movements The book begins with theoretical essays on the relationship between violence and NRMs and then moves on to examine particular groups There are essays on the Big Five the most well known cases of violent incidents involving NRMs Jonestown Waco Solar Temple the Aum Shinrikyo subway attack and the Heaven s Gate suicides But the book also provides a richer survey by examining a host of lesser known groups This volume is the culmination of decades of research by scholars of New Religious Movements **End of Days** Wendell G. Johnson, 2017-07-14 Covering religious traditions ranging from Buddhism to Christianity to Zoroastrianism and modern apocalyptic movements such as Aum Shinrikyo and the Branch Davidians this book addresses prophesied end of days from a breadth of perspectives and includes material on often neglected themes and genres End of Days An Encyclopedia of the Apocalypse in World Religions describes apocalyptic writings in the world s major religious traditions including Judaism Christianity Islam Hinduism and Buddhism The cross referenced entries address ancient traditions Zoroastrianism as one example as well as modern apocalyptic movements such as Aum Shinrikyo the Branch Davidians and the Order of the Solar Temple This book s broad scope offers coverage of overlooked traditions such as Mayan Apocalyptic Norse Apocalyptic Native American eschatological literatures and the Tibetan Book of the Dead Readers seeking detailed information on the eschatological and apocalyptic movements and proponents of End Times can reference entries about individuals such as

Harold Camping Jerry Falwell David Koresh of the Branch Davidians and James Jones and the People's Temple This single volume encyclopedia also contains numerous historical entries on subjects such as the Great Disappointment the Great Awakening periods of religious revival Joachim of Flora the Maccabean Revolt and the Plymouth Brethren The influence of apocalyptic ideas far outside the realm of religion itself is documented through entries on film including well known modern movies such as The Hunger Games and Apocalypse Now literature by writers such as Dante and works of fine art like Wagner's Götterdämmerung The inclusion of entries related to literature film and other art forms further attests to the wide ranging social influence of belief in the end of days

Cult City Daniel J. Flynn, 2018-10-16 In recounting the fascinating intersecting stories of Jim Jones and Harvey Milk Cult City tells the story of a great city gone horribly wrong November 1978 Reverend Jim Jones the darling of the San Francisco political establishment orchestrates the murders and suicides of 918 people at a remote jungle outpost in South America Days later Harvey Milk one of America's first openly gay elected officials and one of Jim Jones's most vocal supporters is assassinated in San Francisco's City Hall This horrifying sequence of events shocked the world Almost immediately the lives and deaths of Jim Jones and Harvey Milk became shrouded in myth Now forty years later this book corrects the record The product of a decade of research including extensive archival work and dozens of exclusive interviews Cult City reveals just how confused our understanding has become In life Jim Jones enjoyed the support of prominent politicians and Hollywood stars even as he preached atheism and communism from the pulpit in death he transformed into a fringe figure a fundamentalist Christian and a fascist In life Harvey Milk faked hate crimes outed friends and falsely claimed that the US Navy dishonorably discharged him over his homosexuality in death he is honored in an Oscar winning movie with a California state holiday and a US Navy ship named after him His assassin a blue collar Democrat who often voted with Milk in support of gay issues is remembered as a right winger and a homophobe But the story extends far beyond Jones and Milk Author Daniel J. Flynn vividly portrays the strange intersection of mainstream politics and murderous extremism in 1970s San Francisco the hangover after the high of the Summer of Love

Peoples Temple and Jonestown in the Twenty-First Century Rebecca Moore, 2022-08-11 The new religious movement of Peoples Temple begun in the 1950s came to a dramatic end with the mass murders and suicides that occurred in Jonestown Guyana in 1978 This analysis presents the historical context for understanding the Temple by focusing on the ways that migrations from Indiana to California and finally to the Cooperative Republic of Guyana shaped the life and thought of Temple members It closely examines the religious beliefs political philosophies and economic commitments held by the group and it shifts the traditional focus on the leader and founder Jim Jones to the individuals who made up the heart and soul of the movement It also investigates the paradoxical role that race and racism played throughout the life of the Temple The Element concludes by considering the ways in which Peoples Temple and the tragedy at Jonestown have entered the popular imagination and captured international attention

Life of Earth Stanley A. Rice, Ph.D, 2012-10-31 In this portrait of Planet Earth at just

about the mid point of its probable lifespan a biologist discusses the evolution of the network of life and the crucial role played by humans in determining the future of our world Unlike most books on earth history which present the story of life on our planet in terms of one chronological period after another the author discusses Earth's teeming diversity in terms of pivotal evolutionary developments Among these he stresses the importance of symbiosis sex and altruism as key determinants of the Earth's biodiversity Symbiosis when single cells began working together sparked the sudden appearance of complex animals Much later symbiotic relationships led to flowering plants that depended on animals for pollination and seed dispersal With the advent of sexual selection there developed an astonishing world of complex behavior and a dizzying array of life forms In humans sexual selection exerted a great influence on the development of our large brains Altruism when species learned to work together resulted in even greater variety and complexity In early humans altruism gave rise to ever widening social circles and the spread of culture The author also discusses the role of photosynthesis in establishing and maintaining life on earth the evidence for ancient natural catastrophes which caused widespread extinctions and the importance of religion and the recent use of scientific reasoning in the development and the future of the human species This eloquent panoramic perspective is well designed to foster an appreciation for the scope of life on Earth and to encourage wise stewardship of the natural world on which our survival depends

On Ritual Bruce Lincoln, 2025-03-27 Close microhistorical examination of the way rituals are actually performed goes well beyond the standard ideal description of such ceremonies to reveal participants who modify the proceedings in shrewd subtle strategic ways that advance their own interests sometimes going so far as to challenge even subvert the protocols traditions and values favored by presiding officials The wide ranging set of examples includes a Roman funeral a Mesoamerican healing ceremony a Jewish American Thanksgiving dinner and others each of which receives meticulously detailed consideration Each one has its own engaging characters intricate maneuvers analytically revealing developments and moments of high drama

Salvation and Suicide David Chidester, 1991-08-22 An ambitious and courageous examination of the Jonestown cult viewed through the lens of theology Journal of the American Academy of Religion Re issued in recognition of the 25th anniversary of the mass suicides at Jonestown this revised edition of David Chidester's groundbreaking book features a new prologue that considers the meaning of the tragedy for a post Waco post 9 11 world For Chidester the murder suicide of some 900 members of the Peoples Temple in Guyana recalls the American religious commitment to redemptive sacrifice which for Jim Jones meant saving his followers from the evils of capitalist society Jonestown is ancient history writes Chidester but it does provide us with an opportunity to reflect upon the strangeness of familiar promises of redemption through sacrifice His original conclusion that the Peoples Temple was a meaningful religious movement seems all the more prescient and astute today when fundamentalism has raised the troubling spectre of violence and suicide all over the world

Case Studies in Political Leadership George R. Goethals, Scott T. Allison, 2025-05-14 This illuminating book explores a broad range of case studies on

political leadership from across the globe Expert authors analyze examples of leadership ranging from 3 500 BCE to the present day evaluating ethical and effective aspects of leadership **Understanding Jonestown and Peoples Temple** Rebecca Moore,2018-07-06 This in depth investigation of Peoples Temple and its tragic end at Jonestown corrects sensationalized misunderstandings of the group and places its individual members within the broader context of religion in America Most people understand Peoples Temple through its violent disbanding following events in Jonestown Guyana where more than 900 Americans committed murder and suicide in a jungle commune Media coverage of the event sensationalized the group and obscured the background of those who died The view that emerged thirty years ago continues to dominate understanding of Jonestown today despite the dozens of books articles and documentaries that have appeared This book provides a fresh perspective on Peoples Temple locating the group within the context of religion in America and offering a contemporary history that corrects the inaccuracies often associated with the group and its demise Although Peoples Temple had some of the characteristics many associate with cults it also shared many characteristics of black religion in America Moreover it is crucial to understand how the organization fits into the social and political movements of the 1950s 1960s and 1970s race class colonialism gender and other issues dominated the times and so dominated the consciousness of the members of Peoples Temple Here Rebecca Moore who lost three family members in the events in Guyana offers a framework for U S social cultural and political history that helps readers to better understand Peoples Temple and its members

American Messiahs: False Prophets of a Damned Nation Adam Morris,2019-03-26 A New York Times Book Review Editors Choice Selection A history with sweeping implications American Messiahs challenges our previous misconceptions about cult leaders and their messianic power Mania surrounding messianic prophets has defined the national consciousness since the American Revolution From Civil War veteran and virulent anticapitalist Cyrus Teed to the dapper and overlooked civil rights pioneer Father Divine to even the megalomaniacal Jim Jones these figures have routinely been dismissed as dangerous and hysterical outliers After years of studying these emblematic figures Adam Morris demonstrates that messiahs are not just a classic trope of our national culture their visions are essential for understanding American history As Morris demonstrates these charismatic if flawed would be prophets sought to expose and ameliorate deep social ills such as income inequality gender conformity and racial injustice Provocative and long overdue this is the story of those who tried to point the way toward an impossible American Dream men and women who momentarily captured the imagination of a nation always searching for salvation **Encyclopedic Dictionary of Cults, Sects, and World Religions** Larry A. Nichols,George Mather,Alvin J. Schmidt,2010-02-23 Up to date well documented comprehensive coverage of cults sects and world religions from the historical to the contemporary INCLUDES Well known groups and world religions such as Jehovah s Witnesses Mormons Islam and Baha i Groups with a significant North American influence including Santeria Rastafarians Haitian Voodoo white supremacy groups Wicca and Satanism REVISED UPDATED AND EXPANDED TO INCLUDE NEW ENTRIES AND NEW

INFORMATION Updated information on Islam and its global impact New entries the Branch Davidians Native American religions Heaven s Gate Aum Supreme Truth the Boston Movement the Masonic Lodge and many others Developments in the world of cults and the occult Encyclopedic Dictionary of Cults Sects and World Religions is arguably the most significant reference book on the subject to be published Formerly titled Dictionary of Cults Sects Religions and the Occult it provides reliable information on the history and beliefs of nearly every form of religion active today This extensively revised edition includes new topics updated information and a brand new format for a clearer more organized approach The authors evaluate the beliefs and practices of each group from the perspective of the Bible and the historic creeds of the Christian church You ll also find group histories numerous illustrations charts current statistics websites bibliographies and other useful information

Seductive Poison A Jonestown Survivors Story Of Life And Death In The Peoples Temple Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various

devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Seductive Poison A Jonestown Survivors Story Of Life And Death In The Peoples Temple free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Seductive Poison A Jonestown Survivors Story Of Life And Death In The Peoples Temple free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Seductive Poison A Jonestown Survivors Story Of Life And Death In The Peoples Temple free PDF files is convenient, it's important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but it's essential to be cautious and verify the authenticity of the source before downloading Seductive Poison A Jonestown Survivors Story Of Life And Death In The Peoples Temple. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether it's classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Seductive Poison A Jonestown Survivors Story Of Life And Death In The Peoples Temple any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Seductive Poison A Jonestown Survivors Story Of Life And Death In The Peoples Temple Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading

preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility.
