Stratton,2023-03-28 One fateful encounter upends the lives of two women in this tense domestic thriller a modern spin on Alfred Hitchcock s *Strangers on a Train* that flips the script on race and gender politics I m a big believer that women should help each other Tasha she says Don t you think Tasha Jenkins has finally found the courage to leave her abusive husband Taking her teenage son with her Tasha checks into a hotel the night before their flight out of D C and out of Kordell Jenkins s life forever But escaping isn t so easy and Tasha soon finds herself driving back to her own personal hell As she is leaving a white woman pounds on her car window begging to be let in Behind the woman an angry man is in pursuit Tasha makes a split second decision that will alter the course of her life she lets her in and takes off Tasha and Madison Gingell may have very different everyday realities but what they have in common is marriages they need out of The two women want to help each other but they have very different ideas of what that means They are on a collision course that will end in the case files of the D C MPD homicide unit Unraveling the truth of what really happened may be impossible and futile Because what has the truth ever done for women like Tasha and Madison Master of psychological suspense L S Stratton has written a gripping murder mystery about two perfect strangers whose lives become dangerously entangled a must read for fans of crime thriller books Widowers' Houses George Bernard Shaw,2020-12-08 This play was first included among Shaw s Unpleasant Plays
