Now Eye See is the story of challenge and triumph It is a tale of fortitude and faith in oneself and in God It chronicles my life from very humble beginnings in Chester Pa to Whaleyville a tiny town on Marylands Eastern Shore to an unlikely and fortuitous journey that carries me to the big city of Manhattan New York Now Eye See tells my story of going from picking blueberries and wearing a straw hat on a farm in Maryland to a job as personal secretary to a permanent mission to the United Nations From being monolingual to self learning and the adoption of French as a second language purely as a survival necessity Although completely unaware of my own familial roots in Music and Journalism this is my story of a search for a career as a songwriter and professional recording artist And as a private custodial business owner that suffered disastrously during the economic crises of 2008 which resulted in my own displacement as well as the loss of all my possessions including all evidence of my small successes in the music industry This is the story of my life and how I have been able and fortunate to reinvent myself to become successful in a new career This is the narrative of unbelievable luck and a chance conversation in the offices of a New York City hospital A conversation that spurred a listener to google my name and to help begin the process of recovery and rejuvenation Of a mysteriously placed photograph taken by a world famous photographer And of my namesake and nephew whom Id never met a soldier for the US Army killed in a roadside bombing in IraqOctober 2004 This is the story of the rediscovery of all my work and of my vinyl recordings being offered for sale in eight countries around the world This then is the unaltered story of my rights and my wrongs Maurice Fortune **"Seeing-eye" Dogs** United States. Congress. House. Committee on Interstate and Foreign Commerce,1937 **Itching Ears Hear and Wandering Eyes See** Marilyn O. Flower,2025-08-11 Itching Ears Hear and Wandering Eyes See examines the evils of society that haunt everyone but which can be overcome with God s help This book is primarily life giving because it illuminates the salvific hope peace and joy offered by Jesus Considering the uncertainties of earthly life within the world s many false perceptions the author shows how ears may hear eyes may see minds may contemplate and hearts may soften to God s Word as people allow the Holy Spirit to seal them as His children Those who live faithfully in Christ anticipate the sinless pain free heaven that God promises to believers They encourage others to know Jesus and experience eternity with Him Itching Ears Hear and Wandering Eyes See investigates Revelation s women especially Chapter 17 s harlot who seduces Babylon s fools and brings destruction It foregrounds the escalating hatred between men and women which greatly dishonors God This book also explores the Christian faith its churches its worship and the relevancy of women s roles today in culture and faith as compared to those of men Revelation includes the only words that Jesus directed to be written down and shared In a world

that emphasizes knowledge and education there is a dearth of truthful information and understanding of the Bible Mis and disinformation about God His Word and His perfect love irrevocably harm us but it kills those who refuse to trust Him Jesus came to remove the sins of the repentant not to tickle their itching ears or satisfy their wandering eyes **I, Eye, See** Carol Phillip-Tudor,2010-02 *Facts about The Seeing Eye* Seeing Eye, Inc,1974 **Walk with the Devil** Zakariah Ali,2012-11 I was profoundly touched by evil at the dawn of my life and have been haunted by the experience throughout most of my life My mother was poisoned before my eyes at about age four I grew up on that that fateful day and became aware of myself I was touched by evil and the wickedness of man against man at the dawn of my life She died an agonizing and horrible death The room I shared with her smelled like rotten flesh or putrefied meat before her death But the last time I saw her on earth she looked radiant and was miraculously transformed when I saw her seated in the village square for public viewing She was at peace the lines and marks of pain and anguish etched on her face as she lay dying were smoothed out Her countenance was peaceful devoid of the expressions of agony and pains the hallmark of the last three to four months of her life She was beautiful in death than during the last months of her life death gave her peace I did not know it but I was affected or influenced by the events of my mother's last days on earth I do not fear death and whenever I came close to death I was more concerned about the inconvenience my death would have imposed on others than fear for my life Death is not a bogey man About a year after her death I encountered malicious spirits in the bush I did not know the spirits were not human but I was apprehensive and fearful at the sight of little people under the fruit tree on which I sat The spirits chased me from the bush to the village during the chase the earth opened up and swallowed me for my protection And not to be outdone the spirits followed me into the bowels of the earth That was the second time in my young life that I was touched by evil of a different kind I nearly died from the encounter with the malicious spirits I was reunited with a father I did not know I had before my mother's death But about three years after I was reunited with him he walked out on my new family my stepmother and her children Thus by age seven or eight I had gone through two broken homes First my mother walked out on my father when I was a baby and second my father walked out on my new mother and half siblings For most of my life I was haunted by forces of darkness malevolent spirits and scary nightmares from time to time Scary and haunting nightmares led me to discover the power of prayer very early in life I started praying before going to bed when I was in class three and the nightly nightmares ceased until I was a young adult and went to St John Bosco's College I discovered alcohol and began ignoring and skipping my nightly prayers or prayed haphazardly without heart and the nightmares came back I was hospitalized about five times in one year from the effects of a nightmare and vision when I was a student at the University of Science he did not foist his faith on the rest of the family My stepmother followed no particular faith or organized religion until the last days of her life She was animist she worshipped our ancestral spirits and deities I became a Catholic or Christian by virtue of education my father made no attempt to convert me to Islam The family while together was united by love not by faith each member

followed his her own faith I could not reconcile my new faith with my parents and realized that but for love we would not have known peace in our family We are divided by faith but united by love that was the experience from my upbringing My lack of blind faith is influenced by my upbringing Man as God and Satan I understand the meaning of some popular bible passages different from most because of my experience of the forces of darkness my struggle in life against evil witchcraft and malicious spirits I understand the true meaning of the passage in Luke 17 20 21 For indeed the kingdom of God is within you And the adm *"Mine Eyes Have Seen"* A.
