NEW TESTAMENT CONTEXTUAL COMMENTARY Dr. Robert R. Seyda, 2024-03-26 The Apostle John tells his readers he has an important message to tell them It is about a person who was already there before the beginning of the world We heard him speak We've seen Him with our own eyes We watched Him and we touched Him He is the Word that gives us life with God This is the message God is completely good and pure He is like light There is nothing dark about Him Amazingly John tells us that one of the things Jesus wanted us to understand is that by loving others we love God Yes we do make mistakes and so do other believers but we are not to hold that against them because just as we were given forgiveness by God's mercy and grace since we are in union with His Son so can they What we are not to do is claim access to this privilege but then live like those in the world Our goal is not just life but eternal life After all we are God's children and no child of God keeps on sinning after they are born again through Jesus the Anointed One

Saviour Gods and Soteria in Ancient Greece Theodora Suk Fong Jim, 2022-05-12 From the Archaic to the Roman imperial period an impressive number of gods and goddesses are attested in the Greek world under the titles of Soter and Soteira Saviour Overseeing the protection of individuals and cities these gods had the power to grant an essential blessing soteria deliverance preservation safety This book investigates what it meant to be saved and the underlying concept of soteria in ancient Greece It challenges the prevailing assumption that soteria was a predominantly Christian concern and demonstrates instead its centrality and significance in the relationship between the Greeks and their gods This book focuses on the power of saviour gods in the life of the Greeks how worshippers searched for soteria as they confronted the unknown and unknowable and what this can reveal about the religious beliefs hopes and anxieties of the Greeks It goes beyond religious vocabulary and cult epithets to investigate worshippers thought world and lived experience the different choices individuals made among the plurality of gods in the Greek pantheon the multiple levels on which divine saviours operated and the values attached to the Greek notion of soteria Building on existing paradigms in the study of Greek polytheism and combining close analysis of epigraphic literary and material evidence this book argues that soteria for the Greeks entailed a very different experience from the Christian eschatological notion of salvation and that what was offered was salvation on earth

Greear,2013-02-01 If there were a Guinness Book of World Records entry for amount of times having prayed the sinner s prayer I m pretty sure I d be a top contender says pastor and author J D Greear He struggled for many years to gain an assurance of salvation and eventually learned he was not alone Lack of assurance is epidemic among evangelical Christians In **Stop Asking Jesus Into Your Heart** J D shows that faulty ways of presenting the gospel are a leading source of the confusion Our presentations may not be heretical but they are sometimes misleading The idea of asking Jesus into your heart or giving your life to Jesus often gives false assurance to those who are not saved and keeps those who genuinely are saved from fully embracing that reality Greear unpacks the doctrine of assurance showing that salvation is a posture we take to the promise of God in Christ a posture that begins at a certain point and is maintained for the rest of our lives He also answers the tough questions about assurance What exactly is faith What is repentance Why are there so many warnings that seem to imply we can lose our salvation Such issues are handled with respect to the theological rigors they require but Greear never loses his pastoral sensitivity or a communication technique that makes this message teachable to a wide audience from teens to adults Family Bible Justin Edwards,1851 **The Letter of Jude** Guy Manuell,2022-09-19 This commentary on The Letter of Jude engages the Greek text and is designed for pastors theological students and lay readers Jude a brother of Jesus warns members of the early Jesus movement against intruders in their midst and exhorts those believers not to deviate from the fundamental tenets of the faith in behavior and belief It also provides a unique analysis that links Jude with 1 Corinthians in terms of their authors literary style Jewish backgrounds and closely correlated descriptions of the errorists described in both letters The Letter of Jude is highly relevant to Christians in the twenty first century Even many of those now calling themselves evangelical have abandoned any pretence to adhering to biblical doctrines This commentary seeks to emphasise Jude message contend for biblical truth and live so that the Gospel of our Lord Jesus Christ is alive true and liberating
