*Finding the Monk Within* Edward C. Sellner, 2008 *Finding the Monk Within* is written with the conviction that lying deep within every person and underlying much of contemporary western and eastern cultures is an ancient memory a vital archetypal energy related to monasticism and its spirituality This book recovers that monastic memory the living presence of the past for those who desire to name and incorporate monastic values values of solitude and silence faith and compassion friendship and mentoring contemplation and leadership itself The author examines the social and religious dimensions in the fourth century that gave rise to monasticism then looks at Christian leaders from late antiquity to the medieval period associated with monasticism in both East and West who have much to teach about monastic values and their relevance for today among them Antony the first monk Augustine and Jerome John Cassian Brigit of Kildare and early Celtic monasticism Gregory the Great Benedict and Scholastica and finally Bernard of Clairvaux By studying the history of monasticism and its great heroes we come to realize that for the Christian much of what we call monastic is purely and simply what being a follower of Christ is all about and that being a monk whether inside monastic enclosures or outside in the world is simply becoming the sort of person everyone ought to be a person who unites action and contemplation in the care of souls writes the author By becoming familiar with the stories and thought of these inspirational figures readers will be inspired to incorporate monastic perspectives and values into their own lives

**St. Benedict's Toolbox** Jane Tomaine, 2015-07-10 In the sixth century when the Roman Empire was breaking apart and politics cultural life and even the Church were in disarray tumultuous times not unlike our own Benedict of Nursia designed what he termed a little rule that showed his monks the way to peace as they learned to prefer Christ above all things The Rule of Benedict offers timeless and practical tools for living this Christ centered life today Revised and expanded 10th anniversary edition Practical down to earth writing style explains the content of the Rule of St Benedict and how to use the practices in daily life Contains historical background to the Rule and a new chapter on relationships and community Includes guide for group use

roots and how you can live out your response to God's story today

### **A Lenten Journey with Jesus Christ and Saint**

**Benedict** John R. Fortin, 2009-10 Come to know the spiritual depths of Saint Benedict a man who thought that there was nothing more important in life than to seek God and for whom nothing was to be preferred to the love of Christ Benedict found God in many different ways in the goodness and wonders of creation in his fellow human beings created in the image and likeness of God in the prayerful reading of the Scriptures in the Sacraments and in the prayer of the Church This book can help you to journey with Jesus and Saint Benedict in Lent and thus help you to seek God more fervently and to live according to his commandments in faith hope and love Provided by publisher [An Analysis of St. Benedict's The Rule of St. Benedict](#) Benjamin Laird, 2017-07-05 The Rule of St Benedict written around 1500 years ago by the Italian monk St Benedict of Nursia is a slim handbook for monastic life a subject many modern readers would regard as relatively niche It is however also a model of the organized and clearly expressed thought produced by good reasoning skills a mainstay of critical thinking Reasoning is all about making a good case for something through logical arguments neatly and systematically organised In Benedict's case his main concern was to lay out a set of rules and practices that would allow monasteries to run as well organised communities Communal living presented huge challenges and yet it was also Benedict believed the best way for monks to sustain themselves their religion and the learning and teaching that went with it His Rule laid out concise but detailed chapters on the best way to achieve this including provisions for all areas of personal and communal discipline right down to how tasks might be allotted to individual monks Providing a complete roadmap for successfully running a community the concise brilliance of The Rule has even been suggested by some business professors as useful model for running small businesses today *Saint Benedict's Rule* Saint Benedict (Abbot of Monte Cassino.), Patrick Barry, 2004 Benedict of Nursia c 480-543 born into a wealthy family renounced his life of privilege to live an eremitic life of extreme asceticism He founded and was the first abbot of the monastic community of Monte Cassino where he wrote the Rule acknowledged as a masterpiece Modestly referring to the work that would chart the course of Western monasticism as a little rule for beginners in a prologue and seventy three brief intensely focused and sympathetically written chapters Benedict prescribed for his monks a monastic life in community that is essentially the Christian life of the gospel based upon mutual support obedience hospitality tolerance and moderation Book jacket

purification     Spirituality Philip Sheldrake, 2013-04-15 Engagingly written by one of the world's leading scholars in this field this comprehensively revised edition tells the story of Christian spirituality from its origins in the New Testament right up to the present day Charts the main figures ideas images and historical periods showing how and why spirituality has changed and developed over the centuries Includes new chapters on the nature and meaning of spirituality and on spirituality in the 21st century and an account of the development and main features of devotional spirituality Provides new coverage of Christian spirituality's relationship to other faiths throughout history and their influence and impact on Christian beliefs and practices Features expanded sections on mysticism its relationship to spirituality the key mystical figures and the development of ideas of the mystical Explores the interplay between culture geography and spirituality taking a global perspective by tracing spiritual developments across continents     **Noticing God** Richard Peace, 2012-04-13 Richard Peace unpacks what it means to make a conscious practice of noticing God in daily life He explores the various ways people experience and recognize God's presence in mystical encounters ordinary life our hearts through other people through Scripture nature and the church God is present in our world You can encounter him Here's how     **This Monastic Moment** John W. de Gruchy, 2021-10-30 Kairos refers to moments in chronological time when all hell is breaking loose and we are called to change our ways before we are dragged into the abyss Kairos is apocalyptic time and it is here and now Such is the time in which we need to listen again to St Benedict of Nursia Far too many of us Christians have either been seduced by the false values of the age and the spirit of Christian triumphalism or else have been attracted to gnostic forms of spirituality that provide a means of escape from reality and responsibility Any delay in responding to this kairos moment increases the danger that we fail to change our ways and grasp the opportunity God gives us to receive the coming kingdom in greater fullness now So St Benedict \_\_een hundred years a\_er he wrote his Rule continues to tell us to listen wake up and run while there is still light \_is is a time for both contemplation and action prayer and doing justice a time for mystics and prophets to join hands and hearts for the sake of the world From the Prologue     **St. Benedict for the Laity** Eric Dean, 1989 For some thirty years Eric Dean as a layman husband parent Presbyterian minister LaFollette Professor of Humanities at Wabash College and as an ecumenical oblate of a Benedictine abbey has reflected on and put into practice the Rule of St Benedict In Saint Benedict for the Laity he comments on how the Rule has important things to say even to those of us who because we are already committed to lives in the secular sphere can never think of a monastic vocation The rule can speak to us of values which even apart from the daily structures of monastic life are relevant to our own lives in the outside world     **Wisdom From the Margins** William G. Britton, 2018-05-16 Henri Nouwen wisely said The great illusion of leadership is to think that man can be led out of the desert by someone who has never been there Jesus has been there and knows how to lead us out but first he just may lead us in He meets us in the desert and does his best work in us there We look for an easier way in vain I myself reluctantly entered the desert and eventually received unimagined gifts there gifts I didn't ask for deserve or want

gifts hidden in such painful loss that I despaired and yet looking back now these desert gifts were the best thing that ever happened to me I entered the desert and years later found my way out It s not a new way it was just new to me Jewish and Christian sages had been living it for thousands of years Somehow in recent generations we managed to forget it In this collection I mean to begin to make those riches available to you I m hoping that like me you ll discover something that you didn t know you wanted or needed and something now you wouldn t give up at any price      **Benedict in the World** Linda Kulzer,Roberta C. Bondi,2002 Benedict in the World presents biographical sketches of nineteen men and women who were oblates of the Order of St Benedict that is members of the Benedictine family of a given monastery who lived in the world observing the Rule of St Benedict as they raised families and pursued professions and careers Dorothy Day Rumer Godden Jacques and Ra ssa Maritain Walker Percy H A Reinhold and Elena Cornaro are among the oblate subjects of this book
