Robynne Rogers Healey

Seeking The Light Essays In Quaker History In Honor Of Edwin B Bronner:

Seeking the Light Jerry William Frost,1986-01-01 Female Friends and the Making of Transatlantic Quakerism, 1650-1750 Naomi Pullin,2018-05-24 This original interpretation of the lives and social interactions of Quaker women in the British Atlantic between 1650 and 1750 highlights the unique ways in which adherence to the movement shaped women's lives as well as the ways in which female Friends transformed seventeenth and eighteenth century religious and political culture

The Quakers in English Society, 1655-1725 Adrian Davies,2000-02-17 The early Quakers denounced the clergy and social elite but how did that affect Friends relationships with others Drawing upon the insights of sociologists and anthropologists this lively and original study sets out to discover the social consequences of religious belief Why did the sect appoint its own midwives to attend Quaker women during confinement Was animosity to Quakerism so great that Friends were excluded from involvement in parish life And to what extent were the remarkably high literacy rates of Quakers attributable to the Quaker faith or wider social forces Using a wide range of primary source material this study demonstrates that Quakers were not the marginal and isolated people which contemporaries and historians often portrayed Indeed the sect had a profound impact not only upon members but more widely by encouraging a greater tolerance of diversity in early modern society

Historical Dictionary of the Friends (Quakers) Margery Post Abbott,Mary Ellen Chijioke,Pink Dandelion,John William Oliver,2011-12-01 The modern reputation of Friends in the United States and Europe is grounded in the relief work they have conducted in the presence and aftermath of war Friends also known as Quakers have coordinated the feeding and evacuation of children from war zones around the world They have helped displaced persons without regard to politics They have engaged in the relief of suffering in places as far flung as Ireland France Germany Ethiopia Egypt China and India Their work was acknowledged with the award of the Nobel Peace Prize in 1947 to the American Friends Service Committee AFSC and the Friends Service Council of Great Britain More often however Quakers live worship and work quietly without seeking public attention for themselves Now the Friends are a truly worldwide body and are recognized by their Christ centered message of integrity and simplicity as well as their nonviolent stance and affirmation of the belief that all people women as well as men may be called to the ministry The expanded second edition of the Historical Dictionary of the Friends Quakers relates the history of the Friends through a chronology an introductory essay an extensive bibliography and over 700 cross referenced dictionary entries on concepts significant figures places activities and periods This book is an excellent access point for scholars and students who will find the overviews and sources for further research provided by this book to be enormously helpful

First Among Friends : George Fox and the Creation of Quakerism H. Larry Ingle Professor of History University of Tennessee-Chattanooga,1994-03-03 In First Among Friends the first scholarly biography of George Fox 1624-91 H Larry Ingle examines the fascinating life of the reformation leader and founding organizer of the Religious Society of Friends more popularly known today as the Quakers Ingle places Fox within the upheavals of the English

Civil Wars Revolution and Restoration showing him and his band of rude disciples challenging the status quo particularly during the Cromwellian Interregnum Unlike leaders of similar groups Fox responded to the conservatism of the Stuart restoration by facing down challenges from internal dissidents and leading his followers to persevere until the 1689 Act of Toleration It was this same sense of perseverance that helped the Quakers survive the only religious sect of the era still existing today Firmly grounded in primary sources and enriched with gripping detail this well written and original study reveals hitherto unknown sides of one who was clearly First Among Friends **British Quakerism, 1860-1920** Thomas C. Kennedy, 2001 In 1860 the British Society of Friends was a peculiar inward looking sect diminishing in numbers and influence By 1920 British Quakerism theologically liberal socially active and radically pacifist emerged from a dramatic confrontation with the Warrior State possessed of economic social and moral influence out of all proportion to its still minuscule size 20 000 This carefully researched study chronicles the story of Quakerism s transformation during one of the most momentous periods in the history of the London now British Yearly Meeting of Friends **Women Writers and Public Debate in 17th-Century Britain** C. Gray, 2007-07-23 This book reveals women writers key role in constituting seventeenth century public culture and in doing so offers a new reading of that culture as begun in intimate circles of private dialogue and extended along transnational networks of public debate **Holiness: The Soul of Quakerism** Carole Dale Spencer, 2007-12-01 No single word conjures up religion spirituality or the sacred more than holiness Yet its meaning in Christian theology and application in Christian practice has been greatly misunderstood Few Quakers today of any persuasion would recognize the mystical depth of meaning the concept had for Quakers down through the centuries Holiness The Soul of Quakerism recovers the essential place of holiness theology in three centuries of Quaker history It explores how Quaker spirituality was shaped in its inception by the experience of union with God otherwise known in the Christian tradition as perfection and examines selected figures from Quaker history who represent different emphases of holiness in the context of their time and culture From Quaker to Upper Canadian Robynne Rogers Healey, 2006-10-25 In 1801 a group of Quakers settled at the north end of Yonge Street in what is now Toronto purposefully separating themselves from mainstream society in order to live out their faith free from the larger society Yet in 1837 Quakers were among the most active participants in the Upper Canadian Rebellion for which one of their leaders Samuel Lount was hanged Visionary Women Phyllis Mack, 1995-01-05 This study of radical prophecy in 17th century England explores the significance of gender for religious visionaries between 1650 and 1700 Phyllis Mack focuses on the Society of Friends or Quakers the largest radical sectarian group active during the English Civil War and Interregnum The meeting records correspondence almanacs autobiographical and religious writings left by the early Quakers enable Mack to present a textured portrait of their evolving spirituality Parallel sources on men and women provide a unique opportunity to pose theoretical questions about the meaning of gender such as whether a women s spirituality can be identified or whether religious women are more or less

emotional than men First among Friends H. Larry Ingle,1996-01-04 In First Among Friends the first scholarly biography of George Fox 1624-91 H Larry Ingle examines the fascinating life of the reformation leader and founding organizer of the Religious Society of Friends more popularly known today as the Quakers Ingle places Fox within the upheavals of the English Civil Wars Revolution and Restoration showing him and his band of rude disciples challenging the status quo particularly during the Cromwellian Interregnum Unlike leaders of similar groups Fox responded to the conservatism of the Stuart restoration by facing down challenges from internal dissidents and leading his followers to persevere until the 1689 Act of Toleration It was this same sense of perseverance that helped the Quakers to survive and remain the only religious sect of the era still existing today This insightful study uses broad research in contemporary manuscripts and pamphlets many never examined systematically before Firmly grounded in primary sources and enriched with gripping detail this well written and original study reveals unknown sides of one who was clearly First Among Friends Strangers and Pilgrims Catherine A. Brekus,2000-11-09 Margaret Meuse Clay who barely escaped a public whipping in the 1760s for preaching without a license Old Elizabeth an ex slave who courageously traveled to the South to preach against slavery in the early nineteenth century Harriet Livermore who spoke in front of Congress four times between 1827 and 1844 these are just a few of the extraordinary women profiled in this the first comprehensive history of female preaching in early America Drawing on a wide range of sources Catherine Brekus examines the lives of more than a hundred female preachers both white and African American who crisscrossed the country between 1740 and 1845 Outspoken visionary and sometimes contentious these women stepped into the pulpit long before twentieth century battles over female ordination began They were charismatic popular preachers who spoke to hundreds and even thousands of people at camp and revival meetings and yet with but a few notable exceptions such as Sojourner Truth these women have essentially vanished from our history Recovering their stories Brekus shows forces us to rethink many of our common assumptions about eighteenth and nineteenth century American culture *Daughters of Light* Rebecca Larson,2000-09-01 More than a thousand Quaker female ministers were active in the Anglo American world before the Revolutionary War when the Society of Friends constituted the colonies third largest religious group Some of these women circulated throughout British North **Women, Feminism and Religion in Early Enlightenment England** Sarah Louise Trethewey Apetrei,2010-04-22 A pioneering study of the origins of feminist thought in late seventeenth century England Friends at the Bar Nancy Black Sagafi-nejad,2012-01-02 George Fox founder of the Religious Society of Friends admonished his followers against going to law In this fascinating wide ranging book a Quaker lawyer explores the relationship between Quakers and the American legal system and discusses Friends legal ethics A highly influential group in the US both for their spiritual ideals of harmony equality and truth telling and for their activism on many causes including abolition and opposition to war Quakers have had many noteworthy interactions with the law Nancy Black Sagafi nejad sketches the history and beliefs of the early Quakers in England and America then goes on to look at important

twentieth century constitutional law cases involving Quakers many involving civil rights issues Sagafi nejad s survey of 100 Quaker lawyers shows them to be at odds with the adversarial system and highlights a legal practice which must balance truth telling and zealous advocacy The Quaker development of extra legal dispute resolution to solve debates amongst Friends is discussed along with a look at the possible future of mediation

Early Modern Women Poets (1520-1700) Jane Stevenson, Peter Davidson, 2001 This is a complete reexamination of early modern women s verse based on primary research in many archives and libraries Forty per cent of the material included has never been printed before but the book also includes lavish selections from the early modern women poets currently studied such as Aphra Behn It offers a very thorough and very complete conspectus of women s verse production at all social levels from 1520 to 1700

The Evolution of a Quaker Community Martha Paxson Grundy, 2006 There is a troublesome dilemma facing believers in a variety of minority religions and sects how to resolve the demands of their faith and yet participate in the larger community This book explores that dilemma by a micro study of one congregation monthly meeting and the seventeen surname families that were part of that meeting for one hundred years By looking at a single meeting and a group of discrete families there is a sense of both forward movement and reluctance to change

The Quaker World C. Wess Daniels, Rhiannon Grant, 2022-11-04 The Quaker World is an outstanding comprehensive and lively introduction to this complex Christian denomination Exploring the global reach of the Quaker community the book begins with a discussion of the living community as it is now in all its diversity and complexity The book covers well known areas of Quaker development such as the formation of Liberal Quakerism in North America alongside topics which have received much less scholarly attention in the past such as the history of Quakers in Bolivia and the spread of Quakerism in Western Kenya It includes over sixty chapters by a distinguished international and interdisciplinary team of contributors and is organised into three clear parts Global Quakerism Spirituality Embodiment Within these sections key themes are examined including global Quaker activity significant Quaker movements biographies of key religious figures important organisations pacifism politics the abolition of slavery education industry human rights racism refugees gender disability sexuality and environmentalism The Quaker World provides an authoritative and accessible source of information on all topics important to Quaker Studies As such it is essential reading for students studying world religions Christianity and comparative religion and it will also be of interest to those in related fields such as sociology political science anthropology and ethics

Quaker History, 2003

William Penn Andrew R. Murphy, 2019 It may surprise many that William Penn who founded one of the thirteen original American colonies spent just four years on American soil Even more surprising though is Penn s remarkable impact on the fundamental principles of religious freedom on both sides of the Atlantic especially given his tumultuous life from his youthful radicalism as leader of the Quaker movement to his role as governor and proprietor of a major American colony from royal courtier to alleged traitor to the Crown In the first major biography of this important transatlantic figure in more than forty years Andrew R Murphy takes

readers through the defiant and complex life of a religious dissenter political theorist and social activist

This is likewise one of the factors by obtaining the soft documents of this **Seeking The Light Essays In Quaker History In Honor Of Edwin B Bronner** by online. You might not require more grow old to spend to go to the book opening as with ease as search for them.
