Segregated Sabbaths; Richard Allen and the Emergence of Independent Black Churches 1760-1840 Carol V. R. George,1973 *Segregated Sabbaths* George V.R. George,1973 *Encyclopedia of African American History* Leslie M. Alexander,Walter C. Rucker,2010-02-09 A fresh compilation of essays and entries based on the latest research this work documents African American culture and political activism from the slavery era through the 20th century *Encyclopedia of African American History* introduces readers to the significant people events sociopolitical movements and ideas that have shaped African American life from earliest contact between African peoples and Europeans through the late 20th century This encyclopedia places the African American experience in the context of the entire African diaspora with entries organized in sections on African European contact and enslavement culture resistance and identity during enslavement political activism from the Revolutionary War to Southern emancipation political activism from Reconstruction to the modern Civil Rights movement black nationalism and urbanization and Pan Africanism and contemporary black America Based on the latest scholarship and engagingly written there is no better go to reference for exploring the history of African Americans and their distinctive impact on American society politics business literature art food clothing music language and technology

Religious Outsiders and the Making of Americans R. Laurence Moore,1987-12-03 In light of the curious compulsion to stress Protestant dominance in America s past this book takes an unorthodox look at religious history in America Rather than focusing on the usual mainstream Protestant churches Episcopal Congregationalist Methodist Baptist and Lutheran Moore instead turns his attention to the equally important outsiders in the American religious experience and tests the realities of American religious pluralism against their history in America Through separate but interrelated chapters on seven influential groups of outsiders the Mormons Catholics Jews Christian Scientists Millennialists 20th century Protestant Fundamentalists and the African American churches Moore shows that what was going on in mainstream churches may not have been the normal religious experience at all and that many of these outside groups embodied values that were in fact quintessentially American

The Harvard Guide to African-American History Evelyn Brooks Higginbotham,2001 This massive guide sponsored by the W E B Du Bois Institute for Afro American Research at Harvard University and compiled by renowned experts offers a compendium of information and interpretation on over 500 years of black experience in America

American Social Leaders and Activists Neil A. Hamilton,2014-05-14 Profiles more than 285 men and women who fought for social reform and influenced American history **Disowning Slavery** Joanne Pope Melish,2016-01-21 Following the abolition of slavery in New England white citizens seemed to forget that it had ever existed there Drawing on a wide array of primary sources from slaveowners diaries to children s daybooks to racist broadsides Joanne Pope Melish reveals not only how northern society changed but how its perceptions changed as well Melish explores the origins of racial thinking and practices to show how ill prepared the region was to accept a population of free people of color in its midst Because

emancipation was gradual whites transferred prejudices shaped by slavery to their relations with free people of color and their attitudes were buttressed by abolitionist rhetoric which seemed to promise riddance of slaves as much as slavery She tells how whites came to blame the impoverished condition of people of color on their innate inferiority how racialization became an important component of New England ante bellum nationalism and how former slaves actively participated in this discourse by emphasizing their African identity Placing race at the center of New England history Melish contends that slavery was important not only as a labor system but also as an institutionalized set of relations The collective amnesia about local slavery s existence became a significant component of New England regional identity Profiles of African-American Missionaries

Robert J. Stevens,Brian Johnson,2012-06-26 Profiles of African American Missionaries features the lives and ministries of the great African Americans who have gone to the world with the message of Christ It is a collection of stories sharing the ministries of several African American missionary pioneers from the 1700s to the present dealing with all the social and ministry issues that they had to face here and abroad Readers will be inspired by the dedication and commitment of these great African Americans as they lived out God s great commission to go into all the world and make disciples of all people It will inspire and challenge all readers to greater personal involvement in God s worldwide mission **Reader's Guide to American History** Peter J. Parish,2013-06-17 There are so many books on so many aspects of the history of the United States offering such a wide variety of interpretations that students teachers scholars and librarians often need help and advice on how to find what they want The Reader s Guide to American History is designed to meet that need by adopting a new and constructive approach to the appreciation of this rich historiography Each of the 600 entries on topics in political social and economic history describes and evaluates some 6 to 12 books on the topic providing guidance to the reader on everything from broad surveys and interpretive works to specialized monographs The entries are devoted to events and individuals as well as broader themes and are written by a team of well over 200 contributors all scholars of American history

Women Healers Susan H. Brandt, 2022-04-15 In her eighteenth century medical recipe manuscript the Philadelphia healer Elizabeth Coates Paschall asserted her ingenuity and authority with the bold strokes of her pen Paschall developed an extensive healing practice consulted medical texts and conducted experiments based on personal observations As British North America's premier city of medicine and science Philadelphia offered Paschall a nurturing environment enriched by diverse healing cultures and the Quaker values of gender equality and women's education She participated in transatlantic medical and scientific networks with her friend Benjamin Franklin Paschall was not unique however Women Healers recovers numerous women of European African and Native American descent who provided the bulk of health care in the greater Philadelphia area for centuries Although the history of women practitioners often begins with the 1850 founding of Philadelphia's Female Medical College the first women's medical school in the United States these students merely continued the legacies of women like Paschall Remarkably though the lives and work of early American female practitioners have gone largely unexplored While some sources depict these women as amateurs whose influence declined Susan Brandt documents women's authoritative medical work that continued well into the nineteenth century Spanning a century and a half Women Healers traces the transmission of European women's medical remedies to the Delaware Valley where they blended with African and Indigenous women's practices forming hybrid healing cultures Drawing on extensive archival research Brandt demonstrates that women healers were not inflexible traditional practitioners destined to fall victim to the onward march of

Enlightenment science capitalism and medical professionalization Instead women of various classes and ethnicities found new sources of healing authority engaged in the consumer medical marketplace and resisted physicians attempts to marginalize them Brandt reveals that women healers participated actively in medical and scientific knowledge production and the transition to market capitalism

Half Sisters of History Catherine Clinton, 1994-09-09 Long relegated to the margins of historical research the history of women in the American South has rightfully gained prominence as a distinguished discipline A comprehensive and much needed tribute to southern women s history *Half Sisters of History* brings together the most important work in this field over the past twenty years This collection of essays by pioneering scholars surveys the roots and development of southern women s history and examines the roles of white women and women of color across the boundaries of class and social status from the founding of the nation to the present Authors including Anne Firor Scott Elizabeth Fox Genovese Jacquelyn Dowd Hall and Nell Irwin Painter among others analyze women s participation in prewar slavery their representation in popular fiction and their involvement in social movements In no way restricted to views of the plantation South other essays examine the role of women during the American Revolution the social status of Native American women the involvement of Appalachian women in labor struggles and the significance of women in the battle for civil rights Because of their indelible impact on gender relations issues of class race and sexuality figure centrally in these analyses *Half Sisters of History* will be important not only to women s historians but also to southern historians and women s studies scholars It will prove invaluable to anyone in search of a full understanding of the history of women the South or the nation itself Contributors Catherine Clinton Sara Evans Elizabeth Fox Genovese Jacquelyn Dowd Hall Jacqueline Jones Suzanne D Leacock Nell Irwin Painter Theda Perdue Anne Firor Scott Deborah Gray White

Mother Emanuel Kevin Sack, 2025-06-03 A sweeping history of one of the nation s most important African American churches and a profound story of courage and grace amid the fight for racial justice Few people beyond South Carolina s Lowcountry knew of Emanuel African Methodist Episcopal Church in Charleston *Mother Emanuel* before the night of June 17 2015 when a twenty one year old white supremacist walked into Bible study and slaughtered the church s charismatic pastor and eight worshippers Although the shooter had targeted *Mother Emanuel* the first AME church in the South to agitate racial strife he could not have anticipated the aftermath an out pouring of forgiveness from victims families and a reckoning with the divisions of caste that have afflicted Charleston and the South since the earliest days of European settlement In *Mother Emanuel* Pulitzer Prize winning journalist Kevin Sack explores the inspiring history that brought the church to that moment and the depth of the desecration committed in its fellowship hall It reveals how African Methodism was cultivated from the harshest American soil and how Black suffering shaped forgiveness into both a religious practice and a survival tool Sack who has written about race in his native South for more than four decades uses the church s history to trace the long arc of Black life in the city where nearly half of enslaved Africans disembarked in North America and where the Civil War began

Through the microcosm of one congregation he explores the development of a unique practice of Christianity from its daring breakaway from white churches in 1817 through the traumas of the Civil War and Reconstruction to its critical role in the Civil Rights Movement and beyond At its core Mother Emanuel is an epic account of perseverance not just of a congregation but of a people who withstood enslavement Jim Crow and all manner of violence with an unbending faith *The Challenge to Racial Stratification* Matthew Holden, Jr.,1994-01-01 The National Political Science Review is the official publication of the National Conference of Black Political Scientists This series now entering its fourth volume includes significant scholarly research reflecting the diverse interests of scholars from various backgrounds who use different models approaches and methodologies The central focus is on politics and policies that advantage or disadvantage groups because of race ethnicity gender and other major variables In his introduction to this volume Matthew Holden describes the rationale for the creation of American racial stratification and boldly shows how American intellectuals have helped reinforce that stratification Several chapters discuss conflicts in contemporary views of the United States ranging from a belief in its being a free society to the historical reality of the nation s background as a slave society Other chapters address the international problem of racial stratification concentrating on Nigeria and South Africa **The Cambridge History of Christianity: Volume 8, World Christianities C.1815-c.1914** Sheridan Gilley,Brian Stanley,2006 This is the first scholarly treatment of nineteenth century Christianity to discuss the subject in a global context Part I analyses the responses of Catholic and Protestant Christianity to the intellectual and social challenges presented by European modernity It gives attention to the explosion of new voluntary forms of Christianity and the expanding role of women in religious life Part II surveys the diverse and complex relationships between the churches and nationalism resulting in fundamental changes to the connections between church and state Part III examines the varied fortunes of Christianity as it expanded its historic bases in Asia and Africa established itself for the first time in Australasia and responded to the challenges and opportunities of the European colonial era Each chapter has a full bibliography providing guidance on further reading *Prophets Of Protest* Timothy Patrick McCarthy,John Stauffer,2012-03-13 The campaign to abolish slavery in the United States was the most powerful and effective social movement of the nineteenth century and has served as a recurring source of inspiration for every subsequent struggle against injustice But the abolitionist story has traditionally focused on the evangelical impulses of white male middle class reformers obscuring the contributions of many African Americans women and others *Prophets of Protest* the first collection of writings on abolitionism in more than a generation draws on an immense new body of research in African American studies literature art history film law women s studies and other disciplines The book incorporates new thinking on such topics as the role of early black newspapers antislavery poetry and abolitionists in film and provides new perspectives on familiar figures such as Sojourner Truth Louisa May Alcott Frederick Douglass and John Brown With contributions from the leading scholars in the field *Prophets of Protest* is a long overdue update of one of the central reform movements in America

s history The Motif of Hope in African American Preaching during Slavery and the Post-Civil War Era Wayne E. Croft Sr., 2017-10-16 The Motif of Hope in African American Preaching during Slavery and the Post Civil War Era There s a Bright Side Somewhere explores the use of the motif of hope within African American preaching during slavery 1803 1865 and the post Civil War era 1865 1896 It discusses the presentation of the motif of hope in African American preaching from an historical perspective and how this motif changed while in some instances remained the same with the changing of its historical context Furthermore this discussion illuminates a reality that hope has been a theme of importance throughout the history of African American preaching
