## **Seize The Day How To Best Use What Cant Be Replaced Time:**

*Seize the Day!* Michael F. Woolery, 1991      The More of Less Joshua Becker, 2018-11-20 Don't Settle for More Most of us know we own too much stuff We feel the weight and burden of our clutter and we tire of cleaning and managing and organizing While excess consumption leads to bigger houses faster cars fancier technology and cluttered homes it never brings happiness Rather it results in a desire for more It redirects our greatest passions to things that can never fulfill And it distracts us from the very life we wish we were living Live a better life with less In The More of Less Joshua Becker helps you Recognize the life giving benefits of owning less Realize how all the stuff you own is keeping you from pursuing your dreams Craft a personal practical approach to decluttering your home and life Experience the joys of generosity Learn why the best part of minimalism isn't a clean house it's a full life The beauty of minimalism isn't in what it takes away It's in what it gives Make Room in Your Life for What You Really Want Maybe you don't need to own all this stuff After a casual conversation with his neighbor on Memorial Day 2008 Joshua Becker realized he needed a change He was spending far too much time organizing possessions cleaning up messes and looking for more to buy So Joshua and his wife decided to remove the nonessential possessions from their home and life Eventually they sold donated or discarded over 60 percent of what they owned In exchange they found a life of more freedom more contentment more generosity and more opportunity to pursue the things that mattered most The More of Less delivers an empowering plan for living more by owning less With practical suggestions and encouragement to personalize your own minimalist style Joshua Becker shows you why minimizing possessions is the best way to maximize life Are you ready for less cleaning less anxiety and less stress in your life Simplicity isn't as complicated as you think
