Emerge Vivian Cynthia, 2021-11-30 We all have dreams, but some dreams never pass the idea phase. If you allow your dream to remain at the idea phase for long, it may die and disintegrate into becoming just a mere wish. Whatever sits too long without moving will go bad. Your mind will deteriorate if you don't use it. A baby who sits longer than the expected 40 weeks in the womb becomes stillborn. Your dreams will be aborted at potential stage if you do not make a conscious decision to emerge. You have to push through every adversary and figure out what is holding you back. You have an important assignment to fulfill; that is why you have survived against all odds. Emerge. Refuse to die full of seeds. Refuse to die before you see the goodness of the Lord in the land of the living. This book EMERGE has a timeless, relevant, inspirational message regardless of the era and season you are in. Reading it while still battling COVID-19, post the pandemic, or beyond, you can EMERGE from obscurity, mediocrity, and comfort zones. This book will propel you to arise, emerge, look up, look forward to the future God has in store for.

Onoroto,2017-03-13 I wrote my book partially because I ve had a great life and I ve also have seen the other side of the fence There were times in the life when I ve found myself in poor health broke and homeless I ve traveled down some rough roads but I had to come to a

realization that I was partially to blame for my own mistakes and I had to dig deep within my own soul and dig myself out of my own problems One of my biggest battles I've ever fought was when I was severely injured w Seize the Moment-Besher't Abraham N. Fenster, Ph.D.,2009-04-06 Seizing the moment at the attosecond of time is when it is meant to be The author relates to how scientific theories can be integrated into an overarching explanation of how the macro workings of the infinite universe are intertwined with the micro activities of an individual's activities in the physical world and how this can be blended with the unseen world of spirituality of the universe as coexisting parallel intertwined worlds Science and spirituality are not in opposition to one another but complement each other and provide a more revealing explanation to our fundamental questions of is it meant to be or is it meant to be Besher t In the process of trying to determine the complex concepts implied by meant to be the author explores how one can have a predetermined existence and make free will decisions at the same time Detailing some of the author's own Besher t life experiences he ultimately concludes that one must recognize the spirituality teachings of Kabbalah and current scientific hypothesis of the Unified Theory to understand this complex question of how does free will have a role in predetermination The Five Great Principles for Life C. R. Stewart,2011-09-07 This thought provoking guide explores Focus Strength Success Wisdom and Responsibility as the five keys to achieving any goal Author and international consultant C R Stewart presents a solid structure backed by powerful examples and an honest approach Each section is divided into chapters that present relevant stories and meaningful quotes which provide insight and inspiration Key concepts and points to focus on are listed at the end of the chapters while a workbook with action plans guides readers through the steps of implementing these principles Stewart incorporates strategies used by the Navy Seals and professional athletes into a systematic process of learning He advises on how to deal with risks develop character and increase options By building on these tenets and practicing the exercises in the book readers will increase their momentum increases with each success expand their confidence and even change their belief system Soon one can experience life differently with a defined sense of purpose and clear view of the future **The Art of Gratitude** Jeremy David Engels,2018-04-25 In The Art of Gratitude Jeremy David Engels sketches a genealogy of gratitude from the ancient Greeks to the contemporary self help movement One of the most striking things about gratitude Engels finds is how consistently it is described using the language of indebtedness A chief purpose of this he contends is to make us more comfortable living lives in debt with the nefarious effect of pacifying the citizenry so we are less likely to speak out about social and economic injustice To counteract this he proposes an alternative art of gratitude as thanksgiving that is inspired by Indian philosophy particularly the yoga philosophy of the Bhagavad Gita and Patanjali's Yoga Sutras He argues that this art of gratitude can challenge neoliberalism by reorienting our politics away from resentment anger and guilt and toward a democratic ethic of thanksgiving and the common good The Passion of the Ruby Cat 'On Life' Maril Ozanne Garrison,2022-07-11 Poetry is powerful and necessary Blake has said In sum the poet is someone that humans cannot do
