Fletcher (c)** Lucas Carpenter,   *Amy Lowell, Diva Poet*

Melissa Bradshaw,2016-12-05 In her reassessment of Amy Lowell as a major figure in the modern American poetry movement Melissa Bradshaw uses theories of the diva and female celebrity to account for Lowell s extraordinary literary influence in the early twentieth century and her equally extraordinary disappearance from American letters after her death Recognizing Amy Lowell as a literary diva Bradshaw shows accounts for her commitment to her art her extravagant self promotion and self presentation and her fame which was of a kind no longer associated with poets It also explains the devaluation of Lowell s poetry and criticism since a woman s diva status is always short lived and the accomplishments of celebrity women are typically dismissed and trivialized In restoring Lowell to her place within the American poetic renaissance of the nineteen teens and twenties Bradshaw also recovers a vibrant moment in popular culture when poetry enjoyed mainstream popularity audiences packed poetry readings and readers avidly followed the honors exploits and feuds of their favorite poets in the literary columns of daily newspapers Drawing on a rich array of letters memoirs newspapers and periodicals but eschewing the biographical interpretations of her poetry that have often characterized criticism on Lowell Bradshaw gives us an Amy Lowell who could not be further removed from the lonely victim of ill health and obesity who appears in earlier book length studies Amy Lowell as diva poet takes her rightful place as a powerful writer of modernist verse who achieved her personal and professional goals without capitulating to heteronormative ideals of how a woman should act think or appear Amy Lowell, American Modern Adrienne Munich,Melissa Bradshaw,2004 A collection of essays that explore the influence work and legacy of Pulitzer Prize winning American poet Amy Lowell **International Who's Who in Poetry 2005** Europa Publications,2004-08-02 The 13th edition of the International Who s Who in Poetry is a unique and comprehensive guide to the leading lights and freshest talent in poetry today Containing biographies of more than 4 000 contemporary poets world wide this essential reference work provides truly international coverage In addition to the well known poets talented up and coming writers are also profiled Contents Each entry provides full career history and publication details An international appendices section lists prizes and past prize winners organizations magazines and publishers A summary of poetic forms and rhyme schemes The career profile section is supplemented by lists of Poets Laureate Oxford University professors of poetry poet winners of the Nobel Prize for Literature winners of the Pulitzer Prize for American Poetry and of the King s Queen s Gold medal and other poetry prizes **Orientalism and Modernism** Zhaoming Qian,1995 Chinese culture held a well known fascination for modernist poets like Ezra Pound and William Carlos Williams What is less known but is made fully clear by Zhaoming Qian is the degree to which oriental culture made these poets the modernists they became This ambitious and illuminating study shows that Orientalism no less than French symbolism and Italian culture is a constitutive element of Modernism Consulting rare and unpublished materials Qian traces Pound s and Williams s remarkable dialogues with the great Chinese poets Qu Yuan Li Bo Wang Wei and Bo Juyi between 1913 and 1923 His investigation reveals that these exchanges contributed more than topical and thematic ideas to the

Americans work and suggests that their progressively modernist style is directly linked to a steadily growing contact and affinity for similar Chinese styles. He demonstrates for example how such influences as the ethics of pictorial representation, the style of ellipsis, allusion and juxtaposition and the Taoist Zen Buddhist notion of nonbeing being made their way into Pound's pre-Fenollosan Chinese adaptations *Cathay*, *Lustra* and the *Early Cantos* as well as Williams's *Sour Grapes* and *Spring and All*. Developing a new interpretation of important work by Pound and Williams, *Orientalism and Modernism* fills a significant gap in accounts of American Modernism which can be seen here for the first time in its truly multicultural character.

**The Modernist Response to Chinese Art** Zhaoming Qian, 2003 *The Modernist Response to Chinese Art* is a work of both erudition and sympathy that reveals the root of modernist poets' otherwise baffling interest in and use of Chinese art. Most impressive perhaps is the depth of their embrace of it as Qian has so convincingly documented. Patricia C. Williams, *Chronicles*, 1989

**A History of American Literature 1900 - 1950** Christopher MacGowan, 2024-05-13 A look at the first five decades of 20th century American literature covering a wide range of literary works, figures and influences. *A History of American Literature 1900-1950* is a current and well-balanced account of the main literary figures, connections and ideas that characterized the first half of the twentieth century. Considering works produced during America's rise to prominence on the world stage from both regional and international perspectives, MacGowan provides readers with keen insights into the literature of the period in relation to America's transition from an agrarian nation to an industrial power, the racial and economic discrimination of Black and Native American populations, the greater financial and social independence of women, the economic boom of the 1920s, the Depression of the 1930s, the impact of world wars, massive immigration, political and ideological clashes and more. Encompassing five decades of literary and cultural diversity in one volume, *A History of American Literature 1900-1950* covers American theater, poetry, fiction, non-fiction, memoirs, magazines and literary publications and popular media. Discusses the ways writers dramatized the immense social, economic, cultural and political changes in America throughout the first half of the twentieth century. Explores themes and influences of Modernist poets, expatriate novelists and literary publications founded by women and African Americans. Features the work of Black writers, Native Americans, Asian Americans and Jewish Americans. *A History of American Literature 1900-1950* is essential reading for all students in upper-level American literature courses as well as general readers looking to better understand the literary tradition of the United States.
