The L.M. Montgomery Reader Benjamin Lefebvre, 2014-12-18 Now available in paperback The L M Montgomery Reader assembles rediscovered primary material on one of Canada's most enduringly popular authors spanning the entirety of her high profile career and the years since her death Volume Three A Legacy in Review examines a long overlooked portion of Montgomery's critical reception reviews of her books Although Montgomery downplayed the impact that reviews had on her writing career claiming to be amused and tolerant of reviewers contradictory opinions about her work she nevertheless cared enough to keep a large percentage of them in scrapbooks as an archive of her career This volume presents more than four hundred reviews from eight countries that raise questions about and offer reflections on gender genre setting character audience and nationalism much of which anticipated the scholarship that has thrived in the last four decades Each volume in The L M Montgomery Reader is accompanied by an extensive introduction and detailed commentary by leading Montgomery scholar Benjamin Lefebvre that traces the interplay between the author and the critic as well as between the private and the public Montgomery L.M. Montgomery Deborah Quail, 2006 *The Intimate Life of L.M. Montgomery* Irene Gammel, 2005-01-01 Who ultimately is L M Montgomery and why was there such an obsession with secrecy hiding and encoding in her life and fiction Delving into the hidden life of Canada's most enigmatic writer The Intimate Life of L M Montgomery answers these questions The eleven essays illuminate Montgomery's personal writings and photographic self portraits and probe the ways in which she actively shaped her life as a work of art This is the first book to investigate Montgomery's personal writings which filled thousands of pages in journals and a memoir correspondence scrapbooks and photography Using theories of autobiography and life writing the essays probe the author's flair for the dramatic and her exuberance in costuming while also exploring the personal facts behind some of her fiction including the beloved Anne of Green Gables Focussing on topics such as sexuality depression marriage aging illness and writing the essays strip away the layers of art and artifice that disguised Montgomery's most intensely guarded secrets including details of her affair with Herman Leard her marriage with Ewen Macdonald and her friendships with Nora Lefurgey and Isabel Anderson The book also includes rare photographs taken by Montgomery and others many of which have not previously appeared in print One of the highlights of The Intimate Life of L M Montgomery is the inclusion of a secret diary that Montgomery wrote with Lefurgey in 1903 This hilarious document is a rare find for Montgomery's teasing banter presents us with a new voice that is distinct from the sombre tone of her journals Published here for the first time more than 100 years after its composition this diary is virtually unknown to readers and scholars and is a welcome addition to the literature on this important figure This volume fills in many of the blanks surrounding Montgomery's personal life Engaging and erudite it is a boon for scholars and Montgomery fans alike *Children and Childhoods in L.M. Montgomery* Rita Bode, Lesley D. Clement, E. Holly Pike, Margaret Steffler, 2022-10-15 From Jane Austen to contemporary fanfiction and adaptations literary portrayals of the

Character Parts Brian Busby, 2010-11-05 Ever wondered where novelists get the inspiration for their characters Why the hero or villain of your favourite book seems oddly familiar Who inspired Mordecai Richler to create Bernard Gursky Margaret Atwood to create Zenia in The Robber Bride In which novel does Northrop Frye appear as a character named Morton Hyland The answers can be found in Character Parts Brian Busby s irreverent yet authoritative guide to who s really who in Canadian literature The most original and entertaining reference book to be published in years Character Parts is the behind the scenes look at CanLit we have all been waiting for Brian Busby settles the suspicions that arise when a fictional character reminds you of a real life one listing the sources for characters from the whole of Canadian literature His canvas stretches from the settlers who inspired 1852 s Roughing It in the Bush to Glenn Gould s appearance as Nathaniel Orlando Gow in Tim Wynne Jones The Maestro and beyond But Character Parts is also chock full of fascinating less famous people who have been immortalized in Canadian books seductive Alberta politicians British army generals anarchists models aristocrats and of course parents siblings and ex spouses Authoritative but presented with a light touch Character Parts is as at home in a university library as on a bathroom shelf It s that rare find an exemplary reference book that is also an absolutely entertaining read in its own right
