Bilingual Legacies Anna Casas Aguilar, 2022-05-30 Bilingual Legacies examines fatherhood in the work of four canonical Spanish authors born in Barcelona and raised during the dictatorship of Francisco Franco Drawing on the autobiographical texts of Juan Goytisolo Carlos Barral Terenci Moix and Clara Jan s the book explores how these authors understood gender roles and paternal figures as well as how they positioned themselves in relation to Spanish and Catalan literary traditions Anna Casas Aguilar contends that through their presentation of father figures these authors subvert static ideas surrounding fatherhood She argues that this diversity was crucial in opening the door to revised gender models in Spain during the democratic period Moving beyond the shadow of the dictator Casas Aguilar shows how these writers distinguished between the patriarchal father of the nation and their own paternal figures In doing so Bilingual Legacies sheds light on the complexity of Spanish conceptions of gender language and family and illustrates how notions of masculinity authorship and canon are interrelated *El Beso de Peter Pan* Terenci Moix, 1994 **The Hispanic Homograph** Robert Richmond Ellis, 1997 *Reading and Writing the Ambiente* Susana Chávez-Silverman, Librada Hernández, 2000 In this dynamic collection of essays many leading literary scholars trace gay and lesbian themes in Latin American Hispanic and U S Latino literary and cultural texts Reading and Writing the Ambiente is consciously ambitious and far ranging historically as well as geographically It includes discussions of texts from as early as the seventeenth century to writings of the late twentieth century Reading and Writing the Ambiente also underscores the ways in which lesbian and gay self representation in Hispanic texts differs from representations in Anglo American texts The contributors demonstrate that unlike the emphasis on the individual in Anglo American sexual identity Latino Spanish and Latin American sexual identity is produced in the surrounding culture and community in the ambiente As one of the first collections of its kind Reading and Writing the Ambiente is expressive of the next wave of gay Hispanic and Latin scholarship **Revista de estudios hispánicos** University of Alabama.
