Men To Match My Mountains The Opening Of The West 1840 19:

The Brothers Robidoux and the Opening of the American West Robert J. Willoughby, 2012-11-01 Written in a unique biographical format Robert Willoughby interweaves the stories of six brothers who shaped the American trans Mississippi West during the first five decades of the nineteenth century After migrating from French Canada to St Louis the brothers Robidoux Joseph Francois Antoine Louis Michel and Isadore and their father Joseph became significant members in the business fur trading and land speculation communities frequently interacting with upper class members of the French society Upon coming of age the brothers followed their father into the fur business and American Indian trade The oldest of the six Joseph led the group on an expedition up the Missouri River as Lewis and Clark had once done designating a path of trade sites along their journey until they reached their destination at present day Omaha Nebraska Eventually the younger brothers set out on their own westward expedition in the mid 1820s reaching both Colorado and Santa Fe New Mexico Joseph eventually became a town founder in northwest Missouri near Blacksnake Creek Antoine and Louis traveled as far as California finally settling in Santa Fe where they became prominent citizens As a trapper and trader Michel endured many hardships and close calls during his journey across the West Francois and Isadore made their home in New Mexico maintaining a close relationship with Joseph in Missouri Though frequently under contract by others the brothers did their best work when allowed to freelance and make their own rules The brothers would ultimately pass on their prosperous legacy of ranging exploring trading and town building to a new generation of settlers As the nature of the fur trade changed so did the brothers business model They began focusing on outfitting western migrants town folk and farmers Their practices made each of them wealthy however they all died poor To understand the opening of the American West one must first know about men like the brothers Robidoux Their lives are the framework for stories about the American frontier By using primary sources located at the Missouri Historical Society the Mexican Archives of New Mexico and the Huntington Library as well as contemporary accounts written by those who knew them Willoughby has now told the Robidoux story Men to Match my Mountains Irving Stone, 1956 Men to Match My Mountains Irving Stone, 1987-03-15 Acclaimed author of biographical and historical fiction Irving Stone turns his magnificent talent to telling America s most colorful and exciting story the opening of the Far West Men to Match My Mountains is a true historical masterpiece an unforgettable pageant of giants men like John Sutter whose dream of paradise was shattered by the California Gold Rush Brigham Young and the Mormons who tamed the desert with Bible texts and the silver kings and the miners who developed Nevada s Comstock Lode and settled the Rockies America called for greatness and got it There is nothing in history to match the stories of these men who braved wilderness to bring new nation to the shores of the Pacific The Infamous King Of The Comstock Michael J. Makley, 2006-01-09 William Sharon was one of the most colorful scoundrels in the nineteenth century mining West He epitomized the robber barons of the nation s Gilded Age and the political corruption and moral decay for which that period remains notorious yet he

was also a visionary capitalist who controlled more than a dozen of the greatest mines on Nevada's mighty Comstock Lode built the Virginia the machinations of rampant Gilded Age capitalism and the sophisticated financial and technological infrastructure that supported Virginia City's boomtown economy The Infamous King of the Comstock offers a significant fresh perspective on Nevada and the mining West [United States Local Histories in the Library of Congress: The West Library of Congress,1975](#)

Chronicles of Old San Francisco Gael Chandler,2014-11-01 Discover one of the world's most unique and fascinating cities through 28 dramatic true stories spanning the colorful history of San Francisco Author Gael Chandler takes readers through more than 250 years of American history with exciting essays on topics such as the city's origins to the founding of the Presidio of San Francisco and the Mission San Francisco de Asis to its modern role as the progressive and innovative heart of a nation Along the way you'll meet characters like the city's foremother Juana Briones Gold Rush entrepreneur Levi Strauss confectioner Domenico Ghirardelli gangster Al Capone the rock legends of Haight Ashbury activist politician Harvey Milk the pioneers of today's techno boom and many others who changed the face of the city plus lesser known tales like those of the children of Alcatraz and the story of John McLaren the architect of Golden Gate Park In addition guided walking tours of San Francisco's historic neighborhoods by the bay and beyond illustrated with color photographs and period maps take readers to the places where history really happened

Passion and Principle Sally Denton,2009-05-01 John Charles Fr mont was the illegitimate child of a Virginia aristocrat and a working class French immigrant Jessie Benton was the daughter of the most powerful pre Civil War U S senator Thomas Hart Benton of Missouri and her gender notwithstanding had been groomed as much as any young man to be president Senator Benton unwittingly brought the two together never imagining that his daughter would fall in love with Fr mont Despite their disparate backgrounds however John and Jessie's marriage was one of the most storied events of the nineteenth century And indeed Jessie and John made a formidable couple Both together and apart they contributed significantly to shaping the United States He was a key figure in western expansion and the first presidential candidate for the Republican Party She was a savvy political operator who played confidante and adviser to the highest political powers in the country Despite their great efforts on behalf of their country however their reputations did not survive a Washington smear campaign led by none other than Jessie's father Written with an investigative journalist's eye for detail and a novelist's flair this biography of explorer politician and gold mine owner John C Fr mont and his intellectual wife Jessie Benton Fr mont also casts light on the tumultuous period that forms the backdrop for their lives from the abolition of slavery to the building of the railroad [Mining in World History](#) Martin Lynch,2002 This book deals with the history of mining and smelting from the Renaissance to the present Martin Lynch opens with the invention sometime before 1453 of a revolutionary technique for separating silver from copper It was this invention which brought back to life the rich copper silver mines of central Europe in the process making brass cannon and silver coin available to the ambitious Habsburg emperors thereby underpinning their quest for European domination

Lynch also discusses the Industrial Revolution and the far reaching changes to mining and smelting brought about by the steam engine the era of the gold rushes the massive mineral developments and technological leaps forward which took place in the USA and South Africa at the end of the 19th century and finally the spread of mass metal production techniques amid the violent struggles of the 20th century In an engaging concise and fast paced text he presents the interplay of personalities politics and technology that have shaped the metallurgical industries over the last 500 years **Writings on American**
