On the Borders of Convention Aleksandra Nikčević Batrićević, 2010-05-11 The research presented in this book is authored by scholars coming from as distant regions as South Africa the United States of America Great Britain France Italy Belarus the Balkans Needless to say that one of the good things about this international cooperation is that owing to their different socio cultural backgrounds these scholars have contributed to producing an extremely varied picture of ways of approaching the challenge of a changing world The papers on literature and culture collected in this book contribute a further element of rigour into the discussion of numerous and always varying and changing borders of convention in a literary text literary genre and literary theory as well as in general culture and everyday paths of life Starting with oral cultures over the classic literary masters modernist and postmodernist textual and theoretical phenomena the twentieth century flouting of numerous social and gender convention through painting film dance contemporary music as well as graffiti We have sought to stress that what is most noticeable from the evidence of their studies is that scholars today concern these issues through a dynamic global process and beyond any preconceived design or any strict set of theoretical prescriptions which would otherwise lead them to ignore the ever shifting borders in literature and culture as well as in global socio cultural reality in general The variety and complexity of these essays offer fresh views

to the problem posed in the title of the book Therefore we trust that they will stimulate intellectual confrontation and circulation of ideas within the field of literature and cultural studies The Crime Tsar Nichola McAuliffe,2014-08-23 Police Chief Constable Tom Shackleton is ambitious to reach the top of his profession but no one is more ambitious for his future than his wife Jenni Shackleton looks every inch the consort to a powerful man Striking and groomed to gleam in any crowd she is connected through her own job in journalism to the right people to further Tom s career or so she thinks She is also unscrupulous Jenni Shackleton will stop at nothing to get what she wants Next door and down on her luck is Lucy whose husband Gary is physically failing with MS so that she finds it necessary to act as housekeeper to Jenni formerly just a friend but now also an employer who somehow can t help patronising Lucy for wielding the household duster What Jenni is too vain to see is that her comparatively frumpish housekeeper friend has everything that her husband actually finds desirable in a woman In Jenni s view of her horizon the only blot is Tom s natural rival Geoff Carter a man with just too much Oxbridge polish and connection with the government to allow her to sleep well at night But as Jenni soon discovers there is a drug for everything Threads of classical tragedy run through this modern drama of power cunning sex and ambition Nichola McAuliffe directs it all with style skill and at a thunderous pace Missions Howard Benjamin Grose,1919 *Encyclopedia of Television Film Directors* Jerry Roberts,2009-06-05 From live productions of the 1950s like Requiem for a Heavyweight to big budget mini series like Band of Brothers long form television programs have been helmed by some of the most creative and accomplished names in directing Encyclopedia of Television Film Directors brings attention to the directors of these productions citing every director of stand alone long form television programs made for TV movies movie length pilots mini series and feature length anthology programs as well as drama comedy and musical specials of more than 60 minutes Each of the nearly 2 000 entries provides a brief career sketch of the director his or her notable works awards and a filmography Many entries also provide brief discussions of key shows movies and other productions Appendixes include Emmy Awards DGA Awards and other accolades as well as a list of anthology programs A much needed reference that celebrates these often neglected artists Encyclopedia of Television Film Directors is an indispensable resource for anyone interested in the history of the medium **God Loves Nobodies** Matthew Doebler,2022-01-01 I feel like a nobody Have you ever said something similar In the world we live in it s all too easy to feel unnoticed Nobody wants to be a nobody Our career choices and entertainment all point to the lifelong pursuit of grand achievements success stories and lasting recognition We all want to be somebody even as Christians and we feel utterly crushed and defeated when things don t turn out that way How did it all come to this In God Loves Nobodies Pastor Matthew Doebler dives into the universal human desire to be special even exceptional Using biblical accounts humorous pop culture references and more Pastor Doebler unmask what he labels the Somebody Problem the never ending race for significance and explains how and why Jesus is the solution to your desire to be somebody Do you sometimes feel like a nobody Then this book is for you Here s what people are saying about God Loves
