Daniel J. Boorstin

One Nation Indivisible The Union In American Thought 1776 1861:

One Nation Indivisible Paul C. Nagel, 1964 One Nation Indivisible Paul C. Nagel, 1964 **Themes of the American Civil War** Susan-Mary Grant, Brian Holden-Reid, 2009-09-10 Themes of the American Civil War offers a timely and useful guide to this vast topic for a new generation of students The volume provides a broad ranging assessment of the causes complexities and consequences of America s most destructive conflict to date The essays written by top scholars in the field and reworked for this new edition explore how and in what ways differing interpretations of the war have arisen and explains clearly why the American Civil War remains a subject of enduring interest It includes chapters covering four broad areas including The Political Front The Military Front The Race Front and The Ideological Front Additions to the second edition include a new introduction added to the current introduction by James McPherson a chapter on gender as well as information on the remembrance of the war historical memory The addition of several maps a timeline and an appendix listing further reading battlefield statistics and battle regiment general names focuses the book squarely at undergraduates in both the US and abroad Secession and the Union in Texas Walter L. Buenger, 2013-11-18 This history of secession in the Lone Star State offers both a vivid narrative and a powerful case study of the broader secession movement In 1845 Texans voted overwhelmingly to join the Union Then in 1861 they voted just as overwhelmingly to secede The story of why and how that happened is filled with colorful characters raiding Comanches German opponents of slavery and a border with Mexico It also has important implications for our understanding of secession across the South Combining social and political history Walter L. Buenger explores issues such as public hysteria the pressure for consensus and the vanishing of a political process in which rational debate about secession could take place Drawing on manuscript collections and contemporary newspapers Buenger also analyzes election returns population shifts and the breakdown of populations within Texas counties Buenger demonstrates that Texans were not simply ardent secessionists or committed unionists At the end of 1860 the majority fell between these two extremes creating an atmosphere of ambivalence toward secession which was not erased even by the war

Apostle of Union Matthew Mason, 2016-09-02 Known today as the other speaker at Gettysburg Edward Everett had a distinguished and illustrative career at every level of American politics from the 1820s through the Civil War In this new biography Matthew Mason argues that Everett s extraordinarily well documented career reveals a complex man whose shifting political opinions especially on the topic of slavery illuminate the nuances of Northern Unionism In the case of Everett who once pledged to march south to aid slaveholders in putting down slave insurrections Mason explores just how complex the question of slavery was for most Northerners who considered slavery within a larger context of competing priorities that alternately furthered or hindered antislavery actions By charting Everett s changing stance toward slavery over time Mason sheds new light on antebellum conservative politics the complexities of slavery and its related issues for reform minded Americans and the ways in which secession turned into civil war As Mason demonstrates Everett s political

and cultural efforts to preserve the Union and the response to his work from citizens and politicians help us see the coming of the Civil War as a three sided not just two sided contest North Over South Susan-Mary Grant,2000 This text argues that the Civil War truly formed the American nation and that the antebellum period was the crucial phase of American national construction Grant focuses on a Northern nationalism based on an opposition to things Southern and links national construction with European nationalism *Historical Dictionary of the Civil War and Reconstruction* William L. Richter,2011-12-01 The importance of the Civil War and Reconstruction in the history of the United States cannot be overstated Many historians regard the Civil War as the defining event in American history At stake was not only freedom for 3 5 million slaves but also survival of the relatively new American experiment in self government A very real possibility existed that the union could have been severed but a collection of determined leaders and soldiers proved their willingness to fight for the survival of what Abraham Lincoln called the last best hope on earth The second edition of this highly readable one volume *Historical Dictionary of the Civil War and Reconstruction* looks to place the war in its historical context The more than 800 entries encompassing the years 1844 1877 cover the significant events persons politics and economic and social themes of the Civil War and Reconstruction An extensive chronology introductory essay and comprehensive bibliography supplement the cross referenced dictionary entries to guide the reader through the military and non military actions of one of the most pivotal events in American history The dictionary concludes with a selection of primary documents This book is an excellent access point for students researchers and anyone wanting to know more about the Civil War and Reconstruction

A Visitation of God Sean A. Scott,2011 When Abraham Lincoln expressed gratitude for the northern churches in the spring of 1864 it had nothing to do with his appreciation of doctrine liturgy or Christian fellowship Collectively the churches earned the president s admiration with rabid patriotism and support for the war Ministers publicly proclaimed the righteousness of the Union condemned slavery and asserted that God favored the federal army Yet all of this would have amounted to nothing more than empty bravado without the support of the men and women sitting in the pews This outstanding book examines the Civil War from the perspective of the northern laity those religious civilians whose personal faith influenced their views on politics and slavery helped them cope with physical separation and death engendered by the war and ultimately enabled them to discern the hand of God in the struggle to preserve the national Union From Lincoln s election to his assassination the book weaves together political military social and intellectual history into a religious narrative of the Civil War on the northern home front Packed with compelling human interest stories this account draws on letters diaries newspapers and church records along with published sources to conclusively demonstrate that many devout civilians regarded the Civil War as a contest imbued with religious meaning In the process of giving their loyal support to the government as individual citizens religious Northerners politicized the church as a collective institution and used it to uphold the Union so the purified nation could promote Christianity around the world Christian patriotism helped win the war but the

politicization of religion did not lead to the redemption of the state **Contesting Commemoration** Jack D.

Noe,2021-10-06 In *Contesting Commemoration The 1876 Centennial Independence Day and the Reconstruction Era South* Jack Noe examines identity and nationalism in the post Civil War South through the lens of commemorative activity namely Independence Day celebrations and the Centennial of 1876 Both events presented opportunities for whites Blacks northerners and southerners to reflect on their identity as Americans The often colorful and engaging discourse surrounding these observances provides a fascinating portrait of this fractured moment in the development of American nationalism

Signposts Sally E. Hadden,Patricia Hagler Minter,2013-04-01 In *Signposts* Sally E Hadden and Patricia Hagler Minter have assembled seventeen essays by both established and rising scholars that showcase new directions in southern legal history across a wide range of topics time periods and locales The essays will inspire today s scholars to dig even more deeply into the southern legal heritage in much the same way that David Bodenhamer and James Ely s seminal 1984 work *Ambivalent Legacy* inspired an earlier generation to take up the study of southern legal history Contributors to *Signposts* explore a wide range of subjects related to southern constitutional and legal thought including real and personal property civil rights higher education gender secession reapportionment prohibition lynching legal institutions such as the grand jury and conflicts between bench and bar A number of the essayists are concerned with transatlantic connections to southern law and with marginalized groups such as women and native peoples Taken together the essays in *Signposts* show us that understanding how law changes over time is essential to understanding the history of the South Contributors Alfred L Brophy Lisa Lindquist Dorr Laura F Edwards James W Ely Jr Tim Alan Garrison Sally E Hadden Roman J Hoyos Thomas N Ingersoll Jessica K Lowe Patricia Hagler Minter Cynthia Nicoletti Susan Richbourg Parker Christopher W Schmidt Jennifer M Spear Christopher R Waldrep Peter Wallenstein Charles L Zelden Poetic Prophecy in Western Literature Jan

Wojcik,Raymond-Jean Frontain,1984 In this collection of twelve essays the editors attempt to define the poet as prophet in Western literature and to select the general attributes of prophetic writing The essays focus in the main on the prophetic tradition in the English speaking world as well as on a sufficient number of writers outside that tradition to prove that all prophetic writing shares common features **The A to Z of the Old South** William L. Richter,2009-08-20 Being

considerably different from other regions of the country most notably regarding its fervent practice of slavery the land south of the Mason Dixon line because of slavery enjoyed an exceptional prominence in politics and after the invention of the cotton gin a high degree of prosperity However also because of slavery it was alienated from the rest of the nation attempted to secede from the union and was forced back in only after it lost the Civil War Numerous cross referenced entries on prominent individuals including Thomas Jefferson Andrew Jackson Henry Clay John C Calhoun Robert E Lee and Abraham Lincoln as well as others on policies of the time that have since slipped into oblivion are all covered in this book Economic social and religious backgrounds trace the seemingly inevitable path to secession war and defeat This reference also includes

an introductory essay a chronology and a bibliography of the epoch Historical Dictionary of the Old South William L. Richter, 2013-02-28 The South played a prominent role in early American history and its position was certainly strong and proud except for the peculiar institution of slavery Thus it drew away from the rest of an expanding nation and in 1861 declared secession and developed a Confederacy that ultimately lost the war Indeed for some time it was occupied Thus the South has a very mixed legacy with good and bad aspects and sometimes the two of them mixed Which only enhances the need for a careful and balanced approach This can be found in the Historical Dictionary of the Old South which first traces its history from colonial times to the end of the Civil War in a substantial chronology Particularly interesting is the introduction which analyzes the rise and the fall the good and the bad as well as the middling and indifferent over nigh on two centuries The details are filled in very amply in over 600 dictionary entries on the politics economy society and culture of the Old South An ample bibliography directs students and researchers toward other sources of information *The Context of Human Discourse* Eugene Edmond White, 1992 Offers a way of looking at rhetoric that is more comprehensive more realistic more rewarding than current views The Americans: The National Experience Daniel J. Boorstin, 2010-07-07 This second volume in The Americans trilogy deals with the crucial period of American history from the Revolution to the Civil War Here we meet the people who shaped and were shaped by the American experience the versatile New Englanders the Transients and the Boosters Winner of the Francis Parkman Prize But There Was No Peace George C. Rable, 2007 This is a comprehensive examination of the use of violence by conservative southerners in the post Civil War South to subvert Federal Reconstruction policies overthrow Republican state governments restore Democratic power and reestablish white racial hegemony Historians have often stressed the limited and even conservative nature of Federal policy in the Reconstruction South However George C Rable argues white southerners saw the intent and the results of that policy as revolutionary Violence therefore became a counterrevolutionary instrument placing the South in a pattern familiar to students of world revolution

Indians and Colonists at the Crossroads of Empire Timothy J. Shannon, 2002 On the eve of the Seven Years War in North America the British crown convened the Albany Congress an Anglo Iroquois treaty conference in response to a crisis that threatened imperial expansion British authorities hoped to address the impending collapse of Indian trade and diplomacy in the northern colonies a problem exacerbated by uncooperative resistant colonial governments In the first book on the subject in more than forty five years Timothy J Shannon definitively rewrites the historical record on the Albany Congress Challenging the received wisdom that has equated the Congress and the plan of colonial union it produced with the origins of American independence Shannon demonstrates conclusively the Congress s importance in the wider context of Britain s eighteenth century Atlantic empire In the process the author poses a formidable challenge to the Iroquois Influence Thesis The Six Nations he writes had nothing to do with the drafting of the Albany Plan which borrowed its model of constitutional union not from the Iroquois but from the colonial delegates British cousins Far from serving as a dress

rehearsal for the Constitutional Convention the Albany Congress marked for colonists and Iroquois alike a passage from an independent commercial pattern of intercultural relations to a hierarchical bureaucratic imperialism wielded by a distant authority *Revolutionary Writers* Emory Elliott,1986-02-27 Elliott demonstrates how America's first men of letters Timothy Dwight Joel Barlow Philip Freneau Hugh Henry Brackenridge and Charles Brockden Brown sought to make individual genius in literature express the collective genius of the American people Without literary precedent to aid them Elliott argues these writers attempted to convey a vision of what America ought to be and when the moral imperatives implicit in their writings were rejected by the vast number of their countrymen they became pioneers of another sort the first to experience the alienation from mainstream American culture that would become the fate of nearly all serious writers who would follow

The Princeton Encyclopedia of American Political History. (Two volume set) Michael Kazin,Rebecca Edwards,Adam Rothman,2009-11-09 A comprehensive and authoritative encyclopedia of U S political history An essential resource for anyone interested in U S history and politics this two volume encyclopedia covers the major forces that have shaped American politics from the founding to today Broad in scope the book addresses both the traditional topics of political history such as eras institutions political parties presidents and founding documents and the wider subjects of current scholarship including military electoral and economic events as well as social movements popular culture religion education race gender and more Each article specially commissioned for this book goes beyond basic facts to provide readers with crucial context expert analysis and informed perspectives on the evolution of American politics Written by more than 170 leading historians and social scientists The Princeton Encyclopedia of American Political History gives students scholars and researchers authoritative introductions to the subject's most important topics and a first step to further research Features nearly 190 entries organized alphabetically and written by a distinguished team of scholars including Dean Baker Lewis L Gould Alexander Keyssar James T Kloppenberg Patricia Nelson Limerick Lisa McGirr Mark A Noll Jack N Rakove Nick Salvatore Stephen Skowronek Jeremi Suri and Julian E Zelizer Describes key political periods and eras from the founding to the present day Traces the history of political institutions parties and founding documents Explains ideas philosophies and movements that shaped American politics Presents the political history and influence of geographic regions Describes the roles of ethnic racial and religious groups in the political process Explores the influence of mass culture from political cartoons to the Internet Examines recurring issues that shape political campaigns and policy from class gender and race to crime education taxation voting welfare and much more Includes bibliographies cross references appendixes a comprehensive index and more than 50 illustrations and maps **Lincoln, Douglas, and Slavery** David Zarefsky,1993-06 Previously published in hbk Chicago Univ of Chicago Press 1990

One Nation Indivisible The Union In American Thought 1776 1861 Introduction

In today's digital age, the availability of One Nation Indivisible The Union In American Thought 1776 1861 books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of One Nation Indivisible The Union In American Thought 1776 1861 books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of One Nation Indivisible The Union In American Thought 1776 1861 books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing One Nation Indivisible The Union In American Thought 1776 1861 versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, One Nation Indivisible The Union In American Thought 1776 1861 books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing One Nation Indivisible The Union In American Thought 1776 1861 books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for One Nation Indivisible The Union In American Thought 1776 1861 books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a nonprofit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts

Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, One Nation Indivisible The Union In American Thought 1776 1861 books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of One Nation Indivisible The Union In American Thought 1776 1861 books and manuals for download and embark on your journey of knowledge?

FAQs About One Nation Indivisible The Union In American Thought 1776 1861 Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. One Nation Indivisible The Union In American Thought 1776 1861 is one of the best book in our library for free trial. We provide copy of One Nation Indivisible The Union In American Thought 1776 1861 in digital format, so the resources that you find are reliable. There are also many Ebooks of related with One Nation Indivisible The Union In American Thought 1776 1861. Where to download One Nation Indivisible The Union In American Thought 1776 1861 online for free? Are you looking for One Nation Indivisible The Union In American Thought 1776 1861 PDF? This is definitely going to save you time and cash in something you should think about.
