Only The Stars:

Only Stars Know the Meaning of Space Rémy Ngamije, 2024-12-03 A vibrant and brilliant new collection of award winning short fiction from the acclaimed author of the charming witty and incredibly humane *The Pittsburgh Gazette* debut *The Eternal Audience of One* Presented as a literary mixtape *Only Stars Know the Meaning of Space* is a work of literature that provides you with a modern reading experience The A Side read as one narrative tells the story of a soon to be thirty year old aspiring writer navigating a complicated world The B Side taken as a separate experience features seemingly independent and unrelated short stories There s Crunchy Green Apples or Omo a story about loss told by the strangest of narrative devices a shopping list Sofa So Good Sort Of or John Muafangejo is a first person account of a family s history and a long journey towards hope A group of friends attempts to navigate a recent breakup in From the Lost City of Hurltantis to the Streets of Helldorado or Franco When read together however a third world emerges a complex intergenerational and interconnected world exploring the universal gaping void of grief Rather than attempting to cross this black hole directly the collection carefully traces around its edges revealing the enormity of this cosmic force from the electrifying voice you have been waiting for Maaza Mengiste author of *The Shadow King*
