Tacitus'

Annals Ronald Mellor,2011 Tacitus Annals is the central historical source for first century C E Rome It is prized by historians since it provides the best narrative material for the reigns of Tiberius Claudius and Nero as well as a probing analysis of the imperial system of government But the Annals should be seen as far more than an historical source a mere mine for the reconstruction of the facts of Roman history While the Annals is a superb work of history it has also become a central text in the western literary political and even philosophical traditions from the Renaissance to the French and American revolutions and beyond This volume attempts to enhance the reader s understanding of how this book of history could have such a profound effect Chapters will address the purpose form and method of Roman historical writing the ethnic biases of Tacitus and his use of sources Since Tacitus has been regarded as one of the first analysts of the psychopathology of political life the book will examine the emperors the women of the court and the ambitious entourage of freedmen and intellectuals who surround every Roman ruler The final chapter will examine the impact of Tacitus Annals since their rediscovery by Boccaccio in the 14th century

Introspection and Engagement in Propertius Jonathan Wallis,2018-04-12 Propertius re invents Latin love elegy in his third collection Nearly a decade into the Augustan principate the early counter cultural impulse of Propertius first collections was losing its relevance Challenged by the publication of Horace s Odes and by the imminent arrival of Virgil s Aeneid in 23 BCE Propertius produced a radical collection of elegy which critically interrogates elegy s own origins as a genre and which directly faces off Horatian lyric and Virgilian epic as part of an ambitious claim to Augustan pre eminence But this is no moment of cultural submission In Book 3 elegy s key themes of love fidelity and political independence are rebuilt from the beginning as part of a subtle critique of emerging Augustan mores This book presents a series of readings of fourteen individual elegies from Propertius Book 3 including nostalgic love poems an elegiac hymn to Bacchus and a lament for Marcellus the recently dead nephew of Augustus

Roman Perspectives on Linguistic

Diversity Adam Gitner,2023 This collection of essays explores how Roman scholars and grammarians addressed different kinds of linguistic diversity within the Roman Republic and Empire It is a follow up to Robert Kaster s Guardians of Language The Grammarian and Society in Late Antiquity

Gender Romulus' Asylum Emma Dench, 2005-06-16 Who did the Romans think they were They were a people scattered round the ancient Mediterranean world yet they imagined a common identity for themselves particularly through shared myths and history This book shows how ancient means of constructing identity compare with modern means especially that of race

Latin Love Poetry Denise Eileen McCoskey, Zara M. Torlone, 2013-12-17 I hate and I love The Roman poet Catullus expressed the disorienting experience of being in love in a stark contradiction that has resonated across the centuries While his description might seem to modern readers natural and spontaneous it is actually a response planned with great care and artistry It is that artistry and the way in which Roman love poetry works that this book explores Focusing on Catullus and on the later genre of elegy so called for its metre and a form of poetry practiced by Tibullus Propertius and Ovid Denise Eileen McCoskey and Zara Martirosova Torlone discuss the devices used by the major Roman love poets as well as the literary and historical contexts that helped shape their work Setting poets and their writings especially against the turbulent backdrop of the Augustan Age 31 BCE 14 CE the book examines the origins of Latin elegy highlights the poets key themes and traces their reception by later writers and readers

Poetic Autonomy in Ancient Rome Luke Roman, 2014 Luke Roman argues that poets in ancient Rome employed a distinctive rhetoric of autonomy and represented their poetry as different from other cultural products and social relations Looking closely at the works of famous Roman poets he offers fresh insights into ancient literary texts and the dialogue between ancient and modern aesthetics

Companion to Greek and Roman Political Thought Ryan K. Balot,2012-12-26 A COMPANION TO GREEK AND ROMAN POLITICAL THOUGHT Justice virtue and citizenship were at the center of political life in ancient Greece and Rome and were frequently discussed by classical poets historians and philosophers This Companion illuminates Greek and Roman political

thought in all its range diversity and depth Thirty four essays from leading scholars in history classics philosophy and political science provide stimulating discussions of classical political thought ranging from the Archaic Greek epics to the final days of the Roman Empire and beyond These essays strike a judicious yet thought provoking balance between theoretical and historical perspectives A Companion to Greek and Roman Political Thought is an authoritative guide to the ancient Greek and Roman political questions that continue to shape and challenge the modern world **Gargilius**

Martialis: The Agricultural Fragments James L. Zainaldin, 2020-04-02 In the third century CE the North African polymath soldier and provincial official Q Gargilius Martialis died 260 wrote a treatise on the cultivation and medical use of fruits vegetables and herbs The agricultural part of this work survives in a fragmentary state in a single manuscript Despite this impediment the agricultural writings are noteworthy for the clear marks both of their meticulous research and of the application of independent judgement and experience Gargilius furthermore presents his advice in a stylized and literary form that strives for elegance through the use of prose rhythm rhetorical variatio and figurative language The fragments will be valuable for those interested in ancient agriculture in Greco Roman authorship on the technai or artes and in the history and sociolinguistics of Latin This volume offers a new edition and the first English translation of Gargilius agricultural fragments as well as an introduction and full scale commentary The Facts on File Companion to Classical Drama John E. Celestial Aspirations Philip Hardie, 2022-03-01 A unique look at how classical notions of ascent and flight preoccupied early modern British writers and artists Between the late sixteenth century and early nineteenth century the British imagination poetic political intellectual spiritual and religious displayed a pronounced fascination with images of ascent and flight to the heavens Celestial Aspirations explores how British literature and art during that period exploited classical representations of these soaring themes through philosophical scientific and poetic flights of the mind the ascension of the disembodied soul and the celestial glorification of the ruler From textual reachings for the heavens in Spenser Marlowe Shakespeare Donne and Cowley to the ceiling paintings of Rubens Verrio and Thornhill Philip Hardie focuses on the ways that the history ideologies and aesthetics of the postclassical world received and transformed the ideas of antiquity In England narratives of ascent appear on the grandest scale in Milton's Paradise Lost an epic built around a Christian plot of falling and rising and one of the most intensely classicizing works of English poetry Examining the reception of flight up to the Romanticism of Wordsworth and Tennyson Hardie considers the Whig sublime as well as the works of Alexander Pope and Edward Young Throughout he looks at motivations both public and private for aspiring to the heavens as a reward for political and military achievement on the one hand and as a goal of individual intellectual and spiritual exertion on the other Celestial Aspirations offers an intriguing look at how creative minds reworked ancient visions of time and space in the early modern era *Constantine, Divine Emperor of the Christian Golden Age* Jonathan Bardill, 2012 Constantine was the first

Roman emperor to convert to Christianity The book explores the emperor's image as conveyed through literature art and architecture and shows how Constantine reconciled the tradition of imperial divinity with his monotheistic faith It demonstrates how the traditional themes and imagery of kingship were exploited to portray the emperor as the saviour of his people and to assimilate him to Christ This is the first book to study simultaneously both archaeological and historical information to build a picture of the emperor's image and propaganda It is extensively illustrated Provided by publisher

The Art of Forgetting Harriet I. Flower, 2011-02-01 Elite Romans periodically chose to limit or destroy the memory of a leading citizen who was deemed an unworthy member of the community Sanctions against memory could lead to the removal or mutilation of portraits and public inscriptions Harriet Flower provides the first chronological overview of the development of this Roman practice an instruction to forget from archaic times into the second century A D Flower explores Roman memory sanctions against the background of Greek and Hellenistic cultural influence and in the context of the wider Mediterranean world Combining literary texts inscriptions coins and material evidence this richly illustrated study contributes to a deeper understanding of Roman political culture
