Psychological Hermeneutics for Biblical Themes and Texts: HAROLD J. ELLENS, J. Harold Ellens, 2012-04-26 An assessment of the development and achievements of the field of Psychological Hermeneutics *Women and Gender in Jewish Philosophy* Hava Tirosh-Samuelson, 2004-06-18 Women and Gender in Jewish Philosophy is the first systematic attempt to interpret the Jewish philosophical tradition in light of feminist philosophy and to engage feminist philosophy from the perspective of Jewish philosophy Written by Jewish women who are trained in philosophy the 13 original essays presented here demonstrate that no analysis of Jewish philosophy historical or constructive can be adequate without attention to gender categories The essays cover the entire Jewish philosophic tradition from Philo through Maimonides to Levinas and they rethink the subdisciplines of Jewish philosophy including metaphysics epistemology ethics political theory and theology This volume offers an invitation for a new conversation between feminist philosophy and Jewish philosophy as well as a novel contribution to contemporary Jewish philosophy Contributors are Leora Batnitzky Jean Axelrad Cahan Idit Dobbs Weinstein Claire Elise Katz Nancy Levene Sandra B Lubarsky Sarah Pessin Randi Rashkover Heidi Miriam Ravven T M Rudavsky Suzanne Last Stone Hava Tirosh Samuelson and Laurie Zoloth **Apocryphal Prophets and Athenian Poets** Gregory R. Lanier, 2024-11-01 The first comprehensive analysis of non canonical influences Jewish non Jewish and early Christian on the formation of the New Testament writings In Apocryphal Prophets and Athenian Poets Noncanonical Influences on the New Testament Gregory R Lanier presents in one volume an overarching compendium and analysis of over five hundred relevant instances of non Old Testament influence on the New Testament across three categories Jewish non Jewish mostly Greco Roman and early Christian pre canonical The abundance of non canonical influences on the New Testament testifies to the breadth of apostolic cultural engagement and the scope and pace of information exchange in the early Christian circles This comprehensive work will allow scholars and students to give closer attention to the sheer complexity of the crisscrossing lines of direct and indirect influences on the New Testament Scriptures **The Sacrifice of Isaac in the Three Monotheistic Religions** Frédéric Manns, 1995 **The Disappearance of Eve and the Gender of Christ** Kevin Carnahan, 2025-04-15 After hundreds of years during which Eve was blamed for originating sin St Paul removed her from the narrative of the fall to create a one man one man typology between Adam as the origin of sin and Christ as the source of salvation This disappearance created a theological problem Eve fell outside the narrative of sin and salvation Early Christians sensing the lack in Paul s formula created an alternative typology between Eve the mother of all the living and Mary the mother of Jesus Eventually early theologians attempted to solve the soteriological problem Eve posed by coordinating these two typologies This solution however produced a further dilemma Either Mary had to be posited as a second savior or the salvation offered to Eve in the revised scheme had to be second class Neither option is theologically acceptable The Disappearance of Eve and the Gender of Christ proposes a solution to this problem It revises Paul s original

formula and with it a set of common claims about Christ's sex and gender. It accepts Christ as the new Adam and the new Eve and accepts that Christ is theologically speaking trans. Carnahan offers a new theology of sex and gender as a calling within a context of responsibility as a framework for making sense of Eve, Christ, and ourselves. He shows how from first-century Roman culture to medieval mystical experience and into our own time, there exists a long tradition of seeing Christ as transgressing and even transitioning across sex and gender boundaries.

Jesus and Temple James H. Charlesworth, 2014
The New Testament provides abundant evidence that Jesus frequented the temple according to Acts, so did his followers after his death. But the Gospels also depict Jesus in conflict with temple authorities, and questions about his attitude to the temple swirl around what the Gospels label false accusations from his opponents and around the dramatic but inconsistent accounts of Jesus cleansing the temple. Jesus' attitude toward the temple is at the center of current historical Jesus research, yet those discussions are often not current with the latest archaeological and related findings regarding the temple and its history, architecture, liturgy, and function. James H. Charlesworth here gathers essays from world-renowned archaeologists and biblical scholars to address the current state of knowledge regarding the temple and to consider anew vital questions about its significance for Jesus, for his followers, and for New Testament readers today. Novatian's Theology of the Father and Son Daniel Lloyd, 2020-07-23
Early Christian theologian Novatian's c. 200-258 work begins with the topic of the unique and supreme Father. The categories he uses to describe the Father include both traditions from Christian sources and articulations of negative theology, especially as seen in Middle Platonism. After establishing the limitations set by philosophical and theological language, Daniel Lloyd turns to the positive categories Novatian chooses for describing the Father, highlighting Novatian's emphasis on revelation, evaluating the parameters of the uniqueness of the Father, and showing that his theology presents the Father as distinct in attributes such as incomprehensibility, eternality, and inability to change. Having presented Novatian's theology of the Father as the center point of his thought, Lloyd next assesses Novatian's theology of the Son, showing that his categories and terminology, even to the point of calling the Son God, do not function against his theology of the unique Father. Novatian has many resources for speaking about the Son's divinity in a way that does not contradict his theology of the Father. Lloyd presents and analyzes these resources to demonstrate that the Son's status as ontologically subordinate to the Father is the best reading of *De Trinitate*.

Trans Talmud Max K. Strassfeld, 2023-10-03
Trans Talmud places eunuchs and androgynes at the center of rabbinic literature and asks what we can learn from them about Judaism and the project of transgender history. Rather than treating these figures as anomalies to be justified or explained away, Max K. Strassfeld argues that they profoundly shaped ideas about law as the rabbis constructed intricate taxonomies of gender across dozens of texts to understand an array of cultural tensions. Showing how rabbis

employed eunuchs and androgynes to define proper forms of masculinity Strassfeld emphasizes the unique potential of these figures to not only establish the boundary of law but exceed and transform it Trans Talmud challenges how we understand gender in Judaism and demonstrates that acknowledging nonbinary gender prompts a reassessment of Jewish literature and law
