Prime Movements:

Prime Movements Peter Dabbene, 2000-06-13 This anthology represents the first collection of writing efforts by Peter Dabbene *Prime Movements* is a mixed bag compilation featuring tales of adventure science fiction a pair of children's stories and a few compositions that surprisingly are not entirely fictional Themes explored include the search for inspiration the quest for true love the mysteries which lie below the surface of our everyday activities ruminations on life and death and questions about what the future may hold for us all The author's writing reflects a wide range of influences and styles from the fiction of Harlan Ellison and H P Lovecraft to more personal and experimental improvisations on the classic narrative style Regardless of genre this volume contains something for every reader who enjoys a healthy dose of humor a touch of emotion and a yarn spun a bit farther than the ordinary

Prime Time Activism Charlotte Ryan, 1991 An essential primer for all grassroots activists this book demystifies the media in such a way that the reader activist gains a framework for understanding the propaganda industry of the United States

Radio Network Prime Time Programming, 1926-1967 Mitchell E. Shapiro, 2024-10-15 Difficult as it is for some to imagine what people relied on for home entertainment in the evening before television it was that equally big medium radio Its programs were the precursors to the popular television sitcoms and dramas of today This work provides two main kinds of information month by month prime time 7pm to 11pm schedules from January 1929 through July 1961 for all national broadcasting networks and a detailed listing of all network programming moves from July 1926 until August 1967 including series premieres cancellations and time slot moves plus a yearly recap of key programming moves Only regularly scheduled series are included Single event or special programming is not included The book is divided into seven chapters one for each night of the week each chapter consists of individual month by month prime time schedules for each network followed by a detailed chronological listing of each of that network's series and programming moves

Beyond Prime Time Activism Charlotte Ryan, Karen Jeffreys, 2019-03-13 In this accessible introduction to communication activism organizer Karen Jeffreys and sociologist Charlotte Ryan draw on more than two decades of ongoing collaboration using the Rhode Island Coalition for the Homeless RICH as a case study The book examines a community with shared values decision making and conflict resolution procedures tracking its organizing strategy and matched communication plan The authors first describe a communication campaign during the welfare reform battles 1990-1995 in which they began to practice communication activism In ongoing work with two organizations over the next two decades they distill a model of communication activism that draws directly from vibrant traditions of empowerment communication in U S social movements and movements from the Global South *Beyond Prime Time Activism* provides students and researchers with an invaluable look at contemporary activism practices and with practical tools tried and tested in two decades of social movement engagement This book is ideal for anyone participating in social change movements or studying how they navigate communication and media inequalities
