Public Management Text And Cases:

Public Management Joseph L. Bower, 1979 *Case Research in Public Management* David E McNabb, 2014-12-18 Highly readable and non technical this handbook is designed to help students and non profit managers gain a working knowledge of the principles and practices of conducting qualitative case study research in public organizations This book is a motherload of practical and comprehensive guidance to planning conducting analyzing and reporting case research project findings McNabb begins with a detailed rationale for the use of the case research approach in public administration non profit organizations and political science Then it provides step by step instructions on how to conduct single case multicase and meta analysis research with guidelines on organizing and writing the case report Case Research in Public Management also includes many examples of case studies in a wide range of important topics in public administration including performance management sustainable government technology management security issues emergency and disaster management social and health services infrastructure public transportation and transforming the work of government Public Management Joseph L. Bower, Charles J. Christenson, 1978 **Handbook of Public Administration, Third Edition** W. Bartley Hildreth, Gerald J. Miller, Jack Rabin, 2006-11-14 Since the publication of the previous edition the best selling Handbook of Public Administration enters its third edition with substantially revised updated and expanded coverage of public administration history theory and practice Edited by preeminent authorities in the field this work is unparalleled in its thorough coverage and comprehensive references This handbook examines the major areas in public administration including public budgeting and financial management human resource management decision making public law and regulation and political economy Providing a strong platform for further research and advancement in the field this book is a necessity for anyone involved in public administration policy and management This edition includes entirely new chapters on information technology and conduct of inquiry In each area of public administration there are two bibliographic treatises written from different perspectives The first examines the developments in the field The second analyzes theories concepts or ideas in the field s literature **Handbook of Public Information Systems** Judith Graham, Alison Kelly, 2010-03-10 Delivering IT projects on time and within budget while maintaining privacy security and accountability remains one of the major public challenges of our time In the four short years since the publication of the second edition of the Handbook of Public Information Systems the field of public information systems has continued to evolve This ev Public Administration and Nonprofit Management in Practice Aimee L. Williamson, Marc Holzer, 2025-10-01 This insightful text edited by two renowned experts provides students of public administration and nonprofit management with a collection of relevant global case studies and corresponding activities The chapters are structured around common themes and concepts across the field including the foundations of public administration managing people and administering public services and improving efficiency and efficacy The cases which are derived from countries around the world focus on building the knowledge skills

and abilities needed by public and nonprofit administrators globally providing a much needed supplement to many of the introductory texts in public administration Each case is contextualized by a short synopsis reflective questions references further reading and learning activities The compact case format helps students focus on a specific area of public management with organization by chapter giving instructors choices among cases and the ability to group related topics The discussion questions in the cases will develop students analytical thinking of real scenarios for the application of course content Public Administration and Nonprofit Management in Practice should be used as either core or recommended reading for courses on public and nonprofit management at both the undergraduate and graduate levels including Master of Public Administration MPA courses and related degree programmes Instructors will find comprehensive teaching notes online to support this case based approach to learning

Environmental Law: Text, Cases & Materials Elizabeth Fisher, Bettina Lange, Eloise Scotford, 2013-04-25 This new title offers a compact and complete resource for students featuring extracts from leading cases and articles alongside clear explanations and insightful analysis from an experienced author team This unique approach places environmental law in context enabling you to develop a clear and sophisticated understanding of this dynamic area

Staff Participation and Public Management Reform D. Farnham, A. Hondeghe, S. Horton, 2005-06-07 This book explores the role of civil servants and their trade unions in the public management reform process framing it in its economic social cultural and legal contexts Building on neo institutional and stakeholder theories the book shows how staff and their representative organisations have influenced the formulation and implementation of public management reforms in twelve OECD countries This study challenges top down elite theories that have dominated the existing literature explaining how staff participation practices both direct and indirect have impacted on the implementation of reforms in different ways in different countries The book concludes that variations in staff participation in the reform process depend upon institutional and political factors and the distribution of power in the employment relationship

Text, Cases and Materials on Public Law and Human Rights Helen Fenwick, Gavin Phillipson, 2013-03-04 Building on the strengths of the Sourcebook on Public Law this book has been comprehensively revised to take account of the radical programme of constitutional reform introduced by the Labour Government since 1997

Elgar Encyclopedia of Public Management Schedler, Kuno, 2022-08-16 This comprehensive Encyclopedia is an essential reference text for students scholars and practitioners in public management Offering a broad and inter cultural perspective on public management as a field of practice and science it covers all the most relevant and contemporary terms and concepts comprising 78 entries written by nearly 100 leading international scholars
