Print and Power in Early Modern Europe (1500-1800) Nina Lamal, Jamie Cumby, Helmer J. Helmers, 2021-06-08 Print in the early modern period could make or break power This volume addresses one of the most urgent and topical questions in early modern history how did European authorities use a new medium with such tremendous potential The eighteen contributors develop new perspectives on the relationship between the rise of print and the changing relationships between subjects and rulers by analysing print's role in early modern bureaucracy the techniques of printed propaganda genres and strategies of state communication While print is often still thought of as an emancipating and disruptive force of change in early modern societies the resulting picture shows how instrumental print was in strengthening existing power structures Contributors Renaud Adam Martin Christ Jamie Cumby Arthur der Weduwen Nora Epstein Andreas Golob Helmer Helmers Jan Hillg rter Rindert Jagersma Justyna Kilia czyk Zi ba Nina Lamal Margaret Meserve Rachel Midura Gautier Mingous Ernesto E Oyarbide Maga a Caren Reimann Chelsea Reutchke Celyn David Richards Paolo Sachet Forrest Strickland and Ramon Voges

The Great Exchange: Making the News in Early Modern Europe Joad Raymond Wren, 2025-07-10 An epic history of the birth of news in Europe News moves It is a battle a scandal a disaster It is a letter a newspaper a proclamation News is a material thing but also something between us something we take into us and feel This book tells the story of news from the sunset of the Middle Ages to the rise of mass media in modern times It begins in Renaissance Italy with the envoys and merchants who drew in and disseminated news across Europe establishing its channels and conventions Following the beat of news around the continent it uncovers a vast invisible network traversing the boundaries of geography and politics religion and language Joad Raymond Wren allows the reader to see news of the battle of Lepanto the siege of Vienna spreading around this network in real time Dispelling the tenacious myth that news was until the printing press scarce and unreliable and until the telegraph slow and provincial he opens up windows onto a world buzzing with news from faraway News brought the distant closer and provided the means for Europe to know itself The continent was for a time held together by that most essential of human acts communication

The Power of Print in Modern China Robert Culp, 2019-05-28 Amid early twentieth century China's epochal shifts a vital and prolific commercial publishing industry emerged Recruiting late Qing literati foreign trained academics and recent graduates of the modernized school system to work as authors and editors publishers produced textbooks reference books book series and reprints of classical texts in large quantities at a significant profit Work for major publishers provided a living to many

Chinese intellectuals and offered them a platform to transform Chinese cultural life In *The Power of Print in Modern China* Robert Culp explores the world of commercial publishing to offer a new perspective on modern China's cultural transformations Culp examines China's largest and most influential publishing companies Commercial Press Zhonghua Book Company and World Book Company during the late Qing and Republican periods and into the early years of the People's Republic He reconstructs editors' cultural activities and work lives as a lens onto the role of intellectuals in cultural change Examining China's distinct modes of industrial publishing Culp explains the emergence of the modern Chinese intellectual through commercial and industrial processes rather than solely through political revolution and social movements An original account of Chinese intellectual and cultural history as well as global book history *The Power of Print in Modern China* illuminates the production of new forms of knowledge and culture in the twentieth century

The Handbook of Communication History Peter Simonson, 2013 *The Handbook of Communication History* addresses central ideas social practices and media of communication as they have developed across time cultures and world geographical regions It attends to both the varieties of communication in world history and the historical investigation of those forms in communication and media studies The Handbook editors view communication as encompassing patterns processes and performances of social interaction symbolic production material exchange institutional formation social praxis and discourse As such the history of communication cuts across social cultural intellectual political technological institutional and economic history The volume examines the history of communication history the history of ideas of communication the history of communication media and the history of the field of communication Readers will explore the history of the object under consideration relevant practices media and ideas review its manifestations in different regions and cultures comparative dimensions and orient toward current thinking and historical research on the topic current state of the field As a whole the volume gathers disparate strands of communication history into one volume offering an accessible and panoramic view of the development of communication over time and geographical places and providing a catalyst to further work in communication history

Reinventing Knowledge: From Alexandria to the Internet Ian F. McNeely, Lisa Wolverton, 2009-09-08 History *China's Transition to Modernity* Minghui Hu, 2015-07-01 The figure of Dai Zhen 1724-1777 looms large in modern Chinese intellectual history Dai was a mathematical astronomer and influential polymath who along with like-minded scholars sought to balance understandings of science technology and history within the framework of classical Chinese writings Exploring ideas in fields as broad ranging as astronomy geography governance phonology and etymology Dai grappled with Western ideas and philosophies including Jesuit conceptions of cosmology which were so important to the Qing dynasty 1644-1911 court's need for calendrical precision Minghui Hu tells the story of China's transition into modernity from the perspective of 18th century Chinese scholars dedicated to examining the present and past with the tools of evidential analysis Using Dai as the centering point Hu shows how the tongru broadly learned scholars of this era navigated Confucian Jesuit and other

worldviews during a dynamic period connecting ancient theories to new knowledge in the process Scholars and students of early modern Chinese history and those examining science religious and intellectual history more broadly will find China's Transition to Modernity inspiring and helpful for their research and teaching

The Typographic Imagination Nathan Shockey, 2019-12-10 In the early twentieth century Japan was awash with typographic text and mass produced print Over the short span of a few decades affordable books and magazines became a part of everyday life and a new generation of writers and thinkers considered how their world could be reconstructed through the circulation of printed language as a mass market commodity The Typographic Imagination explores how this commercial print revolution transformed Japan's media ecology and traces the possibilities and pitfalls of type as a force for radical social change Nathan Shockey examines the emergence of new forms of reading writing and thinking in Japan from the last years of the nineteenth century through the first decades of the twentieth Charting the relationships among prose politics and print capitalism he considers the meanings and functions of print as a staple commodity and as a ubiquitous and material medium for discourse and thought Drawing on extensive archival research The Typographic Imagination brings into conversation a wide array of materials including bookseller trade circulars language reform debates works of experimental fiction photo gazetteers socialist periodicals Esperanto primers declassified censorship documents and printing press strike bulletins Combining the rigorous close analysis of Japanese literary studies with transdisciplinary methodologies from media studies book history and intellectual history The Typographic Imagination presents a multivalent vision of the rise of mass print media and the transformations of modern Japanese literature language and culture
