Gerald Hiestand, Joel Lawrence

Pulpit Speech:

Pulpit Speech Jay E. Adams, 1975 **The Prophetic Pulpit** Paul A. Djupe, Christopher P. Gilbert, 2003 In this groundbreaking work Paul A Djupe and Christopher Gilbert analyze national data from a survey of over 2 400 Episcopal and Evangelical Lutheran Church of America clergy looking deeper into their motivations for political action Using these data the authors argue that clergy roles in politics and civic life result from the intersection of their personal beliefs and interests the specific needs of their congregation and community and ongoing influences from their denomination **Power and the Pulpit** Gerald Hiestand, Joel Lawrence, 2025-10-22 The evangelical tradition places the sermon at the center of church life We build buildings around pulpits and preachers We champion gifted communicators We celebrate effective homiletical techniques But too often these emphases are not the result of deep theological convictions but of the church s adoption of modern visions of communication and success In our day preaching is easily unmoored from its biblical theological and historical anchors Too often it has become a tool of celebrity We have seen pulpits and preaching taken captive by political and pragmatic ideologies The teaching office of the church has sometimes been manipulated to secure and maintain human power The present condition of much preaching in our time compels us to ask What is our theology of preaching Is our vision of the sermon rooted in the miracle of God s word proclaimed or in the desire to entertain Is our preaching a function of a theology of glory or a theology of the cross Reflecting on such questions the essays in this volume seek to chart a path forward for word centered God glorifying preaching **Dancing with Metaphors in the Pulpit** Rodney Wallace Kennedy, 2024-07-30 Dancing with Metaphors in the Pulpit is a prequel to the writing and delivery of the sermon The work of invention which includes the gathering of material is the primary focus of the book The hard work of preaching takes place in the thinking reading and writing The cross disciplinary study provided here covers lessons learned by preachers and by novelists poets philosophers and rhetoricians Art of Speech Luther Tracy Townsend, 1885 **The Homiletic Review**, 1890 *The Art of Speech: Studies in poetry and prose* Luther Tracy Townsend, 1881 *Homiletic Review*, 1894

Practicing Democracy Margaret Lavinia Anderson, 2021-04-13 What happens when manhood suffrage a radically egalitarian institution gets introduced into a deeply hierarchical society In her sweeping history of Imperial Germany s electoral culture Anderson shows how the sudden opportunity to practice democracy in 1867 opened up a free space in the land of Kaisers generals and Junkers Originally designed to make voters susceptible to manipulation by the authorities the suffrage s unintended consequence was to enmesh its participants in ever more democratic procedures and practices The result was the growth of an increasingly democratic culture in the decades before 1914 Explicit comparisons with Britain France and America give us a vivid picture of the coercive pressures from employers clergy and communities that German voters faced but also of the legalistic culture that shielded them from the fraud bribery and violence so characteristic of other early franchise regimes We emerge with a new sense that Germans were in no way less modern in the practice of democratic

politics Anderson in fact argues convincingly against the widely accepted notion that it was pre war Germany s lack of democratic values and experience that ultimately led to Weimar s failure and the Third Reich Practicing Democracy is a surprising reinterpretation of nineteenth and early twentieth century Germany and will engage historians concerned with the question of Germany s special path to modernity sociologists interested in obedience popular mobilization and civil society political scientists debating the relative role of institutions versus culture in the transition to democracy By showing how political activity shaped and was shaped by the experiences of ordinary men and women it conveys the excitement of democratic politics *The Preacher; His Person, Message, and Method* Arthur Stephen Hoyt, 1909
