Tucker, 2009-04 Missionary Pumpkins Cheryl Erickson, It was the year 2000 Farming had not been good for a few years and my husband said to me Why don t you take that little seven acre patch up on the hill by the house and experiment with some specialty crops and see if we can make some money in that way I looked into several different options including herbs lavender and alfalfa That was the beginning of a twenty one year pumpkin career and my partnership with God That first year I planted one acre of pumpkins which amounted to 400 hills with five seeds per hill So began a partnership between God and Cheryl Erickson Cheryl provided the faith the muscle and the energy and God provided the sun rain and many miracles Planting weeding and harvesting were all done by hand Cheryl s hands that first year As time progressed harvesttime became a community effort with as many as fifty or sixty people showing up to take a spot on the well planned assembly line that began in the pumpkin field picking the
