Punisher No Escape:

Punisher Gregory Wright, Todd Smith, Danny Bulanadi, 1990-06 No Escape Bianca Sommerland, 2024-01-16 One chance One mistake And Axton Hawthorn s already reached his limit As a courtless shadow fae on his own with only his skills as a thief to keep him alive Axton has nothing to fight for besides his freedom Until he s imprisoned for his crimes then has his prison break foiled by an order of supernaturals who keep exposure from humans to a minimum or something like that He wasn t really paying attention until the last part His choices are simple Join them or die Yeah he ll look for another option until they give him a damn good reason not to Edric King Kingston should never have been allowed into the High Guard in The G illsin Hellhounds are meant to be chained in the apocalyptic demon realm not secretly protecting the human one as a high ranking soldier Leading reluctant young law breakers and teaching them to use their skills for the good of their kind isn t what he would ve signed up for but it s all he has left to give to prove he s not the cursed creature he was born as He owes his life to one man To a moment when someone saw more in him The only way to pay that debt is to make sure the man s son survives Falling for Axton would be a very bad idea He s reckless and defiant Forces the order to make new rules he can t work his way around But Edric can t look away from the trainwreck he s brought to the doorstep of the place that represents everything he believes in And hope Axton s presence will even their odds against forces threatening to destroy everything they ve built While the man he can t stay away from seems determined to watch it burn **Punisher Epic Collection** Mike Baron, Chuck Dixon, Gregory Wright, Chris Henderson, 2020-02-05 Collects Punisher 1987 35 48 Punisher Annual 1988 4 Punisher No Escape 1990 1 Punisher The Prize 1990 1 When Jigsaw strikes the Punisher must pick up the pieces Frank Castle s disfigured archfoe returns and this time he s allied with the Reverend Sammy Smith The preacher has history with Frank but he s turned away from God in favor of something more diabolical And he s out to heal America his way whether the nation wants it or not Then the Punisher takes on arms dealers drug traffickers and the mob and goes undercover as a cab driver on the hunt for a killer And Frank Castle signs up for a brand new war Plus the hired gun Paladin and the former Captain America USAgent target the Punisher And Frank joins the hunt for one of the most prized weapons in the Marvel Universe **Comics and Conflict** Cord A Scott, 2014-09-15 Illustration has been an integral part of human history Particularly before the advent of media such as photography film television and now the Internet illustrations in all their variety had been the primary visual way to convey history The comic book which emerged in its modern form in the 1930s was another form of visual entertainment that gave readers especially children a form of escape As World War II began however comic books became a part of propaganda as well providing information and education for both children and adults This book looks at how specific comic books of the war genre have been used to display patriotism adventure through war stories and eventually to tell of the horrors of combat from World War II through the current conflicts in Iraq and Afghanistan in the first decade of the twenty first century This book also examines how war and patriotically themed comics

evolved from soldier drawn reflections of society eventually developing along with the broader comic book medium into a mirror of American society during times of conflict These comic books generally reflected patriotic fervor but sometimes they advanced a specific cause As war comic books evolved along with American society many also served as a form of protest against United States foreign and military policy During the country s most recent wars however patriotism has made a comeback at the same time that the grim realities of combat are depicted more realistically than ever before The focus of the book is not only on the development of the comic book medium but also as a bell weather of society at the same time How did they approach the news of the war Were people in favor or against the fighting Did the writers of comics promote a perception of combat or did they try to convey the horrors of war All of these questions were important to the research and serve as a focal point for what has been researched only in limited form previously The conclusions of the book show that comic books are more than mere forms of entertainment Comic books were also a way of political protest against war or what the writers felt were wider examples of governmental abuse In the post 9 11 era the comic books have returned to their propagandistic patriotic roots
