Vasumathi, 2018-04-19 This is an English transliteration translation and interpretation of the original works of the famous saint and composer Sri Purandara Dasa who composed and sang around fifteen thousand devotional songs Individual verses numbering to more than a hundred popular songs have been summarized for better understanding The aim is to include a wider audience This book enables the artists to read the lyrics accurately interpret and understand their meanings as well *Carnatic Music Learning Series - Volume 1, English*, *Demystifying Brahminism and Re-Inventing Hinduism* Satya Shri, 2017-01-23 Religion is a tool in the hands of the oppressor against the oppressed solely because he frames the commandments and calls them the God's is an apt description of the Hindu social order The book rips open the raw nerve of Hinduism its invidious castes positioned as a God ordained institution commandeered by its freebooter priestly class while

clandestinely establishing its religious social and political hegemony through interpolation of its pristine and effulgent scriptures The author boldly analyses this imbroglio through a microscopic analysis of these and more related issues How priests controlled the Hindu religious social educational and political apparatus How the dominant priestly class fractured the society into mutually antagonistic subordinated hierarchical segments and ruled it by reserving all elite jobs for itself How the fiendish priesthood emasculated shudras by depriving them of the shaastra and shastra education and arms and made them permanent village servant classes How the pretensions of attaining siddhis through meditation and penances established priests as the gods on earth for their assertions of purity and effulgence How karma reincarnation and 84 lakhs births theories were devised to justify fatalism and hierarchical gradation of varnas Can India be rightfully called the vishvaguru and the mother of all civilisations How Buddhism effeminated Hindus and made them the doormats for the ruthless Why Hindus had to abandon their own to adop foreign institutions of governance Why Hinduism should become a universal and proselytising faith and fight demographic challenges posed by Islam and Christianity
