Pure Clear Light:

VAJRASATTVA Richard Chambers Prescott, 2014 This book answers the question to the most concealed practice in the Bardo Todol commonly known as The Tibetan Book of the Dead What is the true intent of the Secret of the Four Wisdoms Gathered into the Clear Hollow Mysterious Passage of Vajrasatva After eliminating all other possibilities you will discover that Trekcho and Tegal are the one answer to this mystery The encounter with the Vajrasatva Mystery is an Imbedded Clue to Trekcho and Tegal which reveal Clear Light Evenness not only in the after death state but equally in the living state Trekcho Letting Go and Tegal the Four Stages of Soaring On or Skull Crossing are the deepest secrets of Dzogchen the Natural Great Completion In Nyingma these are restricted secret practices kept from the public eye Whereas in the Kagyu school and Bonpo tradition these same methods are open to one and all You are the decider on these two attitudes Let your thought be lighted by the words of the Lion of the Sakyas Ananda I have set forth the Dharma without making any distinction of esoteric and exoteric doctrine there is nothing Ananda with regard to the teachings that the Tathagata holds to the last with the closed fist I hope you will find the freedom of your own experience in the detailed observations and in depth examinations of these secret methods of Dzogchen The text is in no way nor tries to be a teaching text a manual nor a guidebook on Trekcho and Tegal or Bardo for I am in no way at all a teacher an expert nor a guide in these practices Nor do I ever wish to be one This essay is an answer to a life long question I have had since reading the Bardo Thodol as a young person What is the true meaning of Vajrasattva the Mysterious Passageway and the Union of the Four Wisdoms It just so happens that after one goes through all possibilities of what this means one finally comes to the sacred secret teachings of Dzogchen s Trekcho Tegal and Bardo So I have had to explain what little that I know about these special secret practices to answer the primary question this text attempts to answer Why wade through the torrent of concepts on this when we can go directly to the clear most reasonable and satisfactory answers that leave no shadow of hesitation Vajrasattva stands for the Primordial Clear Light Void as Love and Compassion The secret Mysterious Way of the pure Clear Passage of Vajrasatva is the Kati running from the Heart to the Eyes Within this Kati are the Four Lamps From Clear Light through the Open Kati these Lamps give forth an arising to the Four Tegal Appearances Since it is found in the highest wisdom texts from Dzogchen on Trekcho Tegal and Bardo and Tibetan s favorite book on guidance in the afterlife it is worthy of taking a serious look

Vajrayana and the Culmination of the Path Dalai Lama, Thubten Chodron, 2024-12-03 The final volume of the Library of Wisdom and Compassion by His Holiness the Dalai Lama takes us to the uncommon practices and realizations of Vajrayana to the full awakening of a buddha His Holiness the Dalai Lama skillfully illuminates the unique qualities of Vajrayana as practiced in Tibet and the method to eradicate the subtlest obscurations preventing the full awakening of a buddha Speaking to newcomers and advanced students alike he explains the similarities and differences of the Sutra and Tantra paths Having gathered many of the doubts and difficult points concerning the tantric path he clarifies the purpose of receiving proper empowerment by qualified gurus and the ethical restraints and commitments required to enter the path of secret mantra The paths and stages

of the four tantric classes are explained as are the generation stage and completion stage practices of Highest Yoga Tantra. You are introduced to the practices of clear appearance and divine identity common to all tantric sadhanas as well as the distinctive practices of illusory body and actual clear light that overcome the subtlest defilements on the mind and eliminate all obscurations quickly. The understanding of emptiness in Sutra and Tantra is the same but the consciousness perceiving emptiness differs. In Highest Yoga Tantra that consciousness is great bliss which arises from knowing the methods to manipulate the channels, winds, and drops of the subtle body. In short, in Vajrayana and the Culmination of the Path, the Dalai Lama sets out the path that leads to blissful awakening and enables us to be of great benefit to all sentient beings.
