The Puritan Gentry J. T. Cliffe, 2020-12-16 Originally published in 1984 this was the first detailed study of the impact of Puritan influences on the wealthy county families of early Stuart England It discusses one of the central issues in the history of the English Civil War what motivated those men and women who risked all in opposition to King Charles I The book looks at the role played by gentry families in the advancement or defence of true religion and considers the reasons why powerful families which helped to govern the counties were to be found among the godly It explores the conflict between class values and the exacting demands of an austere religious philosophy and examines the relationship between the Puritan gentry and the clerical Puritans who included authors university dons schoolmasters lecturers and parish clergy **Puritan London** Dai Liu, 1986 Contributes to an understanding of the internal political and religious structure of the City of London during the period of the English Revolution This monograph reconstructs the social structure and composition of each of the City parishes surveys the successes and failures of Presbyterianism among the parishes explores the new relationship between the Puritan ministers and the parishes as well as discusses the Independents and the Anglicans in this time and setting The Puritan , 1899 **Liberty** , 1919 Godly Learning John Morgan, 1988-03-31 Godly Learning attempts to establish the relationship which Puritans worked out between faith and reason in the eighty years before the Civil War This was a period of rapid expansion of educational facilities of a clash between humanist values of the Renaissance and the fideism of the Reformation and of confrontations between traditionalist primarily Aristotelian approaches to knowledge and the more experimental path signalled by Bacon Taking an existential approach to the question of meaning Puritans sought their solution in the development of a covenant theology based on a life of active faith They argued vehemently that natural reason was incapable of finding the path to salvation and only faith could regenerate reason to its proper capabilities At the same time Puritans emphasised the value of learning for comprehension of Scripture and preparation of sermons Starting with a fresh approach to the question of defining Puritans Godly Learning proceeds to delineate the infrequently studied puritan mentalit which informed the better known public political and ecclesiological positions Not since the work of Perry Miller has there been such a thorough attempt to comprehend the Puritan view of reason and the implications of that view **John Flavel** Brian H. Cosby, 2013-11-26 A nonconformist unifier husband of three deceased wives victim of religious persecution and author of what has been collected into six volumes of reprinted Works John Flavel c 1630 1691 of Dartmouth England not only had an immense following during his own lifetime but deeply influenced those who would set the course as shapers of religion and culture in the generations to follow Matthew Henry Increase Mather John Newton Jonathan Edwards George Whitefield William Wilberforce Archibald Alexander and Charles Spurgeon Flavel s influence remained strong until the end of the nineteenth century when for various reasons presented in this study seek to show historiographical philosophical and Christian literature ceased to recognize his life or thought It has only been within the last decade that scholarly work has

begun to uncover this lost Puritan and see him as a significant resource for understanding life and thought in Stuart England as well as the religious life of the early American colonies The first book of its kind John Flavel *Puritan Life and Thought in Stuart England* aims to reveal Flavel as both a significant and influential English Puritan as well as present the salient elements of his life and thought **The Elizabethan Puritan Movement** Patrick Collinson,2020-11-05 Originally published in 1967 this book is a history of church puritanism as a movement and as a political and ecclesiastical organism of its membership structure and internal contradictions of the quest for a further reformation It tells the fascinating story of the rise of a revolutionary moment and its ultimate destruction The Covenant Sealed E. Brooks Holifield,2002-09-26 **The Puritans** Perry Miller,Thomas H. Johnson,2014-09-22 Critically acclaimed compilation includes writings by William Bradford Increase Mather William Hubbard Anne Bradstreet and other influential figures The best selection ever made of Puritan literature historian Samuel Eliot Morison *Century Monthly Magazine* Josiah Gilbert Holland,Richard Watson Gilder,1921

Puritan Pro: Bestsellers in 2023 The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous captivating novels enthralling the hearts of readers worldwide. Lets delve into the realm of popular books, exploring the captivating narratives that have charmed audiences this year. The Must-Read : Colleen Hoover's "It Ends with Us" This touching tale of love, loss, and resilience has gripped readers with its raw and emotional exploration of domestic abuse. Hoover expertly weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can triumph. Puritan Pro : Taylor Jenkins Reid's "The Seven Husbands of Evelyn Hugo" This intriguing historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reid's captivating storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Puritan Pro : Delia Owens' "Where the Crawdads Sing" This evocative coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens weaves a tale of resilience, survival, and the transformative power of nature, entrancing readers with its evocative prose and mesmerizing setting. These popular novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of engaging stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and suspenseful novel that will keep you speculating until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
