Puritan Treasury Of Quotations:

The Golden Treasury of Puritan Quotations I. D. E. Thomas, 2022-03-25 The Golden Treasury of Puritan Quotations does not belong to the ordinary run of anthologies but is a masterful selection by an author who has given many years to his work. The 1500 quotations from a wide range of Puritans have been chosen with great care and arranged under topical headings. They form an ideal introduction to the writings of the great and godly men of the 17th century and will prove to be devotional reading of the highest quality. Those who are already familiar with the Puritan writings will find the Treasury to be a perfect stimulus to further reading. **The Golden Treasury of Puritan Quotations** Isaac David Ellis Thomas, 1975 , *Meet the Puritans* Joel R. Beeke, Fraser E. Jones, Randall J. Pederson, 2025-10-21

Whether you're meeting them for the first time or returning with questions, this is the indispensable guide to the lives and works of the Puritans. If your impression of the Puritans comes from grim portraits, high collars, and joyless sermons, *Meet the Puritans* will surprise you in the best way. Behind those caricatures lies a warm, Christ-centered spiritual tradition shaped by people who loved Scripture, treasured grace, and sought to glorify God in every part of life. The Puritans took life seriously because they took God seriously. Grace and guilt, love and sacrifice, heaven and hell weren't abstractions to them; they were urgent realities. Today, when conviction of sin is dismissed as gloom, when earnest faith is pitied, and when diligent obedience is labeled as legalism, we desperately need their witness. If you hunger for depth, for holiness, for real communion with God, open these pages. Let these lives challenge you, and these writings nourish you. Take the time to meet the Puritans; you'll find in them deep truths, godly examples, and an exalted Christ. This New Edition includes 45 new biographies for a total of 190 English and American Puritans, seventeenth-century Scottish Presbyterians, and Dutch Further Reformation divines; 278 new summaries of Puritan works with annotated bibliographies of modern reprints; a comprehensive revision of the entire previous edition; 200 new titles added to the select bibliography of secondary sources; a new expanded glossary plus an updated expanded list of Puritan publishers. The definitive reference for engaging the Puritan tradition, praised by pastors, scholars, and serious readers alike. Substantial enough for study, accessible enough for devotional use, *Meet the Puritans* is that rare kind of reference book that invites you to actually read it. If you're serious about reading the Puritans or simply looking for a clear starting point, this is the place to begin.

The Cyclopædia of Practical Quotations, 1883 *The Cross and Salvation (Hardcover)* Bruce Demarest, 2006-08-01 With America's confidence in the Bible at an all-time low and the strength of her spiritual convictions waning, it is essential for Christians, especially Christian leaders, to be well grounded in biblical theology. To have a clear and comprehensive understanding of the key doctrines of evangelicalism. In response, professor and award-winning author Bruce Demarest has made plain God's glorious plan of salvation, his provision for the human dilemma through Christ's work on the cross, and the application of saving grace to unbelievers. Demarest's unique approach defines each topic, identifies its most pressing issues, examines the ways in which the doctrine has been understood historically, and interprets the Bible's revelation. The result is a
