Miss Serena's Secret Carolyn Miller, 2018-07-24 How can a wounded young woman ever trust a too flirtatious earl with her heart With devastating scars in her past Serena Winthrop is sure no man can be trusted especially not a man like the too smooth Viscount Carmichael His reputation as a flirt and a gambler is everything she despises And the young artist makes sure that this disreputable heir to an earldom knows of her deep disapproval whenever they encounter one another Henry Lord Carmichael is perfectly aware of his charms He s gambled with plenty of ladies hearts as easily as he has with their husbands money But lately he s wondered if there s more to life and if his actions might prove unworthy of an admirable wife such as his friends have found When Serena s guardian asks his best friend to protect his young ward Henry promises to be on his best behavior and not woo her But the more he learns of her the more he realizes she might be his best reason for changing his character Then the lady s art leads her to London infamy Now Henry must choose between the life mapped out for him as the earl apparent and the love of his life And Serena s secret may mean the end of his titled family line This second novel in a new series by internationally popular author Carolyn Miller is full of the rich historical detail and evocative writing her readers enjoy and familiar characters make appearances here The witty banter will continue to draw in fans of Jane Austen Sarah Ladd and Julie Klassen Carolyn Miller gets better and better with each book Becky This entire series is going straight to my all time favorites shelf Beth Erin My girls and I have fallen in love with the Regency Brides series Ann Hibbard Regency Brides A Legacy of Grace The Elusive Miss Ellison The Captivating Lady Charlotte The Dishonorable Miss DeLancey Regency Brides A Promise of Hope Winning Miss Winthrop Miss Serena s Secret The Making of Mrs Hale **Sereena**

Driven by the love for storytelling this autobiography was written in the form of short stories based on true events. Each short story creatively and collectively describes the top ten most valuable life lessons or secrets that Tarick learned while growing up in Jamaica and experiencing overwhelming challenges at Massachusetts Institute of Technology MIT. Each short story is directly inspired by a unique life-changing experience in Tarick's personal development which has made a lasting impact on his outlook toward public service, career, family, spirituality, and the world around him. To creatively capture the imaginations of readers young and old, each chapter expresses vivid connections among film, music, and poetry which ultimately promote the unmatched brand mystique of Jamaican culture in an exciting way.
