happier parenting and help you raise siblings without rivalry Clinical psychologist Linda Blair takes a positive approach to this subject instead of trying to eliminate the natural rivalry that occurs or striving for an unrealistic idyll of a calm non confrontational household she teaches parents how to use sibling interactions to build emotional intelligence and good social skills Through a framework of core principles Linda guides you through potential issues towards parenting without power struggles and raising happy children Find out how to Manage the powerful effect of the age gap and birth order Deal with disagreements and stop arguments Alleviate competition and jealousy Encourage communication and cooperation How to introduce step siblings Set your children up for strong lifelong relationships Siblings turns sibling rivalry on its head offering parents a practical positive approach to bringing up children and teenagers and understanding the relationships into adulthood This essential guide to positive parenting will show you how to handle sibling rivalry to create lifelong loving bonds The parenting handbook I've been looking for this book is long overdue Victoria Harper The Telegraph I love this book It's essential reading for siblings and for anyone who has to deal with siblings Cathy Rentzenbrink The Last Act of Love

Siblings Without Rivalry Adele Faber, Elaine Mazlish, 2012-04-02 The 1 New York Times best selling guide to reducing hostility and generating goodwill between siblings Already best selling authors with How to Talk So Kids Will Listen Listen So Kids Will Talk Adele Faber and Elaine Mazlish turned their minds to the battle of the siblings Parents themselves they were determined to figure out how to help their children get along The result was Siblings Without Rivalry This wise groundbreaking book gives parents the practical tools they need to cope with conflict encourage cooperation reduce competition and make it possible for children to experience the joys of their special relationship With humor and understanding much gained from raising their own children Faber and Mazlish explain how and when to intervene in fights provide suggestions on how to help children channel their hostility into creative outlets and demonstrate how to treat children unequally and still be fair Updated to incorporate fresh thoughts after years of conducting workshops for parents and professionals this edition also includes a new afterword Adult Sibling Rivalry Jane Greer, Edward Myers, 1992 An exploration of sibling rivalry in adults shows adults how they can maintain caring relationships with siblings during ordinary conflicts cope with seriously troubled siblings and resolve conflicts Sibling Rivalry Joan Dunham, 2021-04-26 My reasons for writing this book grew from the current state of social behavior peer pressure among our children Sometimes we don't recognize that things that may seem simple or small to one person are a big issue to someone else We should be more accepting of others differences or preferences We also have to recognize that today it may take two parents working from home or outside of the home to support the family household Therefore the parents have to trust that the older siblings will watch and care for the younger siblings My older siblings cared for the three little kids which included me when my mother had to make a living for our family Once she left for work there was no vehicle around We lived out in the country thirty minutes away from any hospital so my siblings were given a lot of responsibility We were raised to go to church every Sunday

rain or shine We really didn't have an excuse for not going to church since the church was at the top of the hill and it took less than five minutes to walk there It was at that little country church we learned to accept people for who they were and how to treat others within church I believe if we teach our children love and respect for themselves as well as others we can eliminate bullying In the Christian faith all that is asked of us is that we be obedient to God's Word and that we love one another
