has never been about rhyming but rather feeling and emotion And that is what comes through in *From Within* as the title suggests You can feel the passion the wisdom and even some of the suffering in this life Poetry is known as an art that the writer never loses the love for and this promises many great works to follow **Come in from the Cold** Michael Krutz,2012-05-30 A journey in this life through storms pits and valleys A journey in which a young man learns of trust closeness tenderness of love and never ever being alone A journey of strength and friendship A journey in a walk with God and his Savior the Lord Jesus Christ Walking down the road of despair all alone with weights I cant bear and my heart doesnt feel song only tears come along and they call to their friends Walking broken on my way to nowhere wondering why am I still even here I can see clear with my eyes but its something inside missing dying I can see the madness of a world gone wrong they play their games and love their shame and tell the young there is no wrong while along they sing a song of sin The young are torn by drugs and hate a media world bombards their day electric this and electric that instant this and instant that We move so fast almost like light going 90 mph instead of going forward they were really going down A million chains lead them away The intentions of this book are to honor my Father in heaven and my Lord Jesus Christ I know what its like to be lost in this world Come in from the cold **Lovely Liars** Gloria Ware,2005 ENVISION A LOVELY LIAR *Lovely Liars* is a story about men about women about relationships about dreams and life in today s modern society The focus is the life of Jasmine Brown A woman of intelligence conviction and courage A woman born in a small town with big dreams A woman much like many other women in America in her mid thirties slowly venturing along the crossroads of time bringing to full view the reflection of a female engulfed in past failures fearful of future successes and searching for the solace that will mend the scars of a broken past Under the smokescreen of a mid life crisis she emerges out of the ashes of yesterday s burnt romances and ignites a new flame of invigorated and renewed hope In the complexity of the process she finds the simple vision of her true self Move with her through the trials tribulations and triumphs in searching for that storybook perfect male image Along her fallacy of fantasy her world is laced with the linings of an often harsh yet profound reality Looking for a comfort zone within the corridors of masculinity she searches diligently for hope vision and guidance Her search is not uncommon for it is shared by the masses of her gender population Beneath the laughter and the pain the sorrow and the narrow gain she uncovers the shadowed mystery of self love and the gallant glory of self motivation Her story will bridge through the hearts of America like loud thunder on a stormy night Her pain will pierce the skin as quickly as the sharpest knife used by this country s greatest chefs Her search for the often distant truth yet unveiled shall rivet your soul into a state of motionless drama and surround your very essence For in an imperfect world the truth is a mere shadow of total perfection as we all move venomously along the *PASSAGE OF LIFE* **Andrew Lloyd Webber** John Snelson,2009-01-01 Examines the career of composer Andrew Lloyd Webber and his influence in films rock and pop music and surveys his life story and commercial success *The Complete Lyrics of Oscar Hammerstein II* Oscar Hammerstein II,2008-11-25 From every
