distinctive female piety collided with slave society Spanish colonial rule and Protestant hostility The Ursulines gained prominence in New Orleans through the social services they provided schooling an orphanage and refuge for abused and widowed women which also allowed them a self sustaining level of corporate wealth Clark traces the conflicts the Ursulines encountered through Spanish colonial rule 1767 1803 and after the Louisiana Purchase as Protestants poured into Louisiana and were dismayed to find a powerful community of self supporting women and a church congregation dominated by African Americans The unmarried nuns contravened both the patriarchal order of the slaveholding American South and the Protestant construction of femininity that supported it By incorporating their story into the history of early America Masterless Mistresses exposes the limits of the republican model of national unity *The Secret Wife of Aaron Burr* Susan Holloway Scott, 2019-09-24 Inspired by a woman and events forgotten by history bestselling author Susan Holloway Scott weaves together carefully researched fact and fiction to tell the story of Mary Emmons and the place she held in the life and the heart of the notorious Aaron Burr He was a hero of the Revolution a brilliant politician lawyer and very nearly president a skillful survivor in a raw new country filled with constantly shifting loyalties Today Aaron Burr is remembered more for the fatal duel that killed rival Alexander Hamilton But long before that single shot destroyed Burr's political career there were other dark whispers about him that he was untrustworthy a libertine a man unafraid of claiming whatever he believed should be his Sold into slavery as a child in India Mary Emmons was brought to an America torn by war Toughened by the experiences of her young life Mary is intelligent resourceful and strong She quickly gains the trust of her new mistress Theodosia Prevost and becomes indispensable in a complicated household filled with intrigue especially when the now widowed Theodosia marries Colonel Aaron Burr As Theodosia sickens with the fatal disease that will finally kill her Mary and Burr are drawn together into a private world of power and passion and a secret tangled union that would have shocked the nation Praise for Eliza Hamilton Scott's devotion to research is evident a rewarding take on a fascinating historical couple Library Journal Readers will be captivated Publishers Weekly starred review Packed with political and historical as well as domestic details Booklist *Curves to the Apple* Rosmarie Waldrop, 2006 Three pivotal works conceived by the avant garde poet as a trilogy and now together in one volume at last *The Mistress's Daughter* A.M. means undertaking employment in a pie shop to investigate rumored political perils behind a swashbuckling student play conceived at the University to entertain the Queen Even in such a bastion of Protestant power and scholarly pursuits as Cambridge protecting the Queen is not purely academic When a handsome young student s all too conveniently timed death rouses her suspicions Ursula applies her superior powers of observation to untangling a mystifying jumble of oddities coincidences secrets and ciphers that surround her and discovers ominous signs of treason *Time's Convert* Deborah Harkness,2019-06-25 From the 1 New York Times bestselling author of *A Discovery of Witches* and *The Black Bird Oracle* comes a novel about what it takes to become a vampire the fourth in the All Souls series Look for the hit series *A Discovery of Witches* now streaming on AMC Sundance Now and Shudder On the battlefields of the American Revolution Matthew de Clermont meets Marcus MacNeil a young surgeon from Massachusetts during a moment of political awakening when it seems that the world is on the brink of a brighter future When Matthew offers him a chance at immortality and a new life free from the restraints of his puritanical upbringing Marcus seizes the opportunity to become a vampire But his transformation is not an easy one and the ancient traditions and responsibilities of the de Clermont family clash with Marcus s deeply held beliefs in liberty equality and brotherhood Fast forward to contemporary Paris where Phoebe Taylor the young employee at Sotheby s whom Marcus has fallen for is about to embark on her own journey to immortality Though the modernized version of the process at first seems uncomplicated the couple discovers that the challenges facing a human who wishes to be a vampire are no less formidable than they were in the eighteenth century The shadows that Marcus believed he d escaped centuries ago may return to haunt them both forever A passionate love story and a fascinating exploration of the power of tradition and the possibilities not just for change but for revolution *Time s Convert* the fourth books in the All Souls Series channels the supernatural world building and slow burning romance that made the previous books instant bestsellers to illuminate a new and vital moment in history and a love affair that will bridge centuries **The Cracked Throne** Joshua Palmatier,2007-11-06 When the mysterious White Fire sweeps through Amenkor for the second time in a millennium Eryn Mistress of the Skewed Throne is submerged in a world of madness and Varis an assassin is forced to take over the throne and save the people of Amenkor Reprint *Women and Personal Property in the Victorian Novel* Deborah Wynne,2016-02-17 How key changes to the married women s property laws contributed to new ways of viewing women in society are revealed in Deborah Wynne s study of literary representations of women and portable property during the period 1850 to 1900 While critical explorations of Victorian women s connections to the material world have tended to focus on their relationships to commodity culture Wynne argues that modern paradigms of consumerism cannot be applied across the board to the Victorian period Until the passing of the 1882 Married Women s Property Act many women lacked full property rights evidence suggests that for women objects often functioned not as disposable consumer products but as cherished personal property Focusing particularly on representations of women and material culture in Charles Dickens George Eliot

and Henry James Wynne shows how novelists engaged with the vexed question of women's relationships to property. Suggesting that many of the apparently insignificant items that clutter the Victorian realist novel take on new meaning when viewed through the lens of women's access to material culture and the vagaries of property law, her study opens up new possibilities for interpreting female characters in Victorian fiction and reveals the complex work of thing culture in literary texts.
