Memory Trees Family Trees For The Scrapbooker:

Memory Trees--Family Trees for the Scrapbooker Tony Matthews, 2003 On one level of course the work is an ably told personal political biography of Thomas 6th Lord Fairfax the Baron of Cameron 1693 1781 Fairfax was heir to his grandfather Lord Culpeper's share of the Virginia Northern Neck proprietary an inheritance that ultimately enabled him to claim over five million acres On another level the book also furnishes a bird's eye view of daily life and culture as well as political machinations on both sides of the Atlantic Because of the circles Fairfax walked in his story brims with a cast of supporting characters like Robert King Carter William Byrd Governor William Gooch and even George Washington By the time of Fairfax's death in 1781 only months after Cornwallis' defeat at Yorktown we come away with a complex picture of the rise and fall of a Virginia aristocrat and the social and political evolution that led the way to the American Revolution

Scrapbooking Your Family History Laura Best, 2007-08 Genealogist Laura Best follows up her well received *Genealogy for the First Time* with a colorful volume dedicated to techniques for preserving precious ancestral memories through scrapbooking Use those vintage photos uncovered documents and newly found family stories to create scrapbooked family trees and pedigree charts eight generation treatments depictions of holidays and family reunions through the years and histories of family homesteads Inscribe notes on ancestors' occupations and hobbies anecdotes celebrations and sad moments every memory worth passing on to children grandchildren and generations to come The page designs all draw on color schemes and images common to various time periods and there are also techniques for displaying the scrapbooked material in shadow boxes and frames

Digital Scrapbooking Maria Given Nerius, 2004 It's the next phase in the scrapbooking craze And this creative resource is the first of its kind the first to focus on the use of computer hardware and software to unlock an exciting range of creative possibilities Crafters will explore the many ways digital elements can add pizzazz to their scrapbooks they'll learn to manipulate pictures with photo image editing software use scanners to create themed background papers and draw on clip art for decorative accents Going even further into the brave new world there's information on creating all digital pages putting together a slideshow on computer and pooling various techniques to stage a digital family reunion
