Men Money Magic The Story Of Dorothy Schiff

Sarah Bradford

Men Money Magic The Story Of Dorothy Schiff:

Men, Money & Magic Jeffrey Potter, 1976 **The Lady Upstairs** Marilyn Nissenson, 2013-11-19 The Lady Upstairs is the dramatic story of Dorothy Schiff liberal activist society stalwart and the most dynamic female newspaper publisher of her day From 1939 until 1976 she owned and guided the New York Post the oldest continuously published daily newspaper in the United States Dolly as she was called made the Post one of the most dedicated supporters of New Deal liberalism in the country while simultaneously maintaining its distinct personality as a chatty parochial New York tabloid Unfazed by political or personal controversy Schiff backed editorial writers like James Wechsler and Max Lerner and reporters like Murray Kempton and Pete Hamill Under her guidance the Post broke the story of Richard Nixon's slush fund It helped bring down such icons of the day as Joseph McCarthy Walter Winchell and Robert Moses It supported the civil rights movement and opposed the Vietnam War Although Dolly seldom appeared in the newsroom she approved and commented on every major story and every minor column in the paper until eventually selling it to Rupert Murdoch Dolly's private life could have been a staple of the Post's society gossip columns Endlessly flirtatious she married four times and had extra marital romances with among others Franklin Roosevelt and Max Beaverbrook She was a friend of national politicians such as Adlai Stevenson the Kennedys Lyndon Johnson and Nelson Rockefeller Born into a staunchly Republican German Jewish banking family she used her inheritance to further causes of the political left She used her charm and her social connections in the service of her paper which was the center of her life The Lady Upstairs is the portrait of a unique life and a crucial era in American history

American Cassandra: The Life of Dorothy Thompson Peter Kurth, 2019-08-09 Dorothy Thompson 1893 1961 was America's first internationally famous female foreign correspondent Born outside of Buffalo New York she graduated from Syracuse University in 1914 and honed her writing and interviewing skills in the women's suffrage movement before heading for Europe as a freelance journalist Reporting from Vienna Budapest and Berlin during the rise of Nazism she was the first western journalist to be expelled from Germany by Adolf Hitler after denigrating him in a profile Her later columns in the Ladies Home Journal and radio broadcasts for CBS published as Listen Hans made her next to Eleanor Roosevelt the most influential woman in the United States Thompson was married three times her second marriage was to the American novelist Nobel Prize winner and alcoholic Sinclair Lewis her third and happiest to Czech artist Maxim Kopf She also had several lesbian relationships Avidly interested in everything from sustainable farming to the fine arts she divided her later years between New York City and her farm in Barnard Vermont A skillful exploration of the life and personality of the formidable foreign correspondent New York Times readers will be pleased to meet a fascinating driven and indomitable woman who richly deserves this fine biography Thomas Griffith New York Times Sensationally good Kurth's vividly detailed and dramatic portrayal of Thompson's life fully compensates for the memoirs she planned but never lived to write Here was a one of a kind incarnation of energy honesty and commitment a woman we must not forget USA Today Kurth guides us through the

tumultuous complexities of the time the rise of Nazism in Germany isolationism in America the Second World War the establishment of Israel and other issues that Thompson took over as her personal battleground His daunting task is to show us a mind at work and he pulls it off Washington Post In a day of dime a dozen pundits jabbering on the talk shows Thompson's diligence and influence are worth recalling Mr Kurth's compulsively readable account allows us to re live an age and do just that Wall Street Journal Kurth has a surprising grasp of Thompson's emotional makeup strictly avoiding the kind of supercilious or paternalistic attitude that such a character invites in male authors His biography is insightful without being sentimental warm without being sycophantic Toronto Star An important asset of this big solid book is author Kurth's prolific use of Thompson's own words She left 150 file cases of published and unpublished writings chunks of private thoughts and musings on her three husbands and her own sexuality one would have expected her to burn Kurth has battled through this paper blizzard and emerged with a clear as ice water picture of a turbulent complex personality Baltimore Sun Peter Kurth author of the haunting *Anastasia The Riddle of Anna Anderson* proves once again that he is the equal of Stefan Zweig as a biographer of women His fairness his control of his material and his eye for the revealing quotation are such that he makes us empathize with Miss Thompson even when we feel like strangling her Washington Times **Herbert H. Lehman** Duane Tananbaum, 2016-12-20 This new biography of Herbert Lehman the first in a half century fills the void left by historians and political scientists who have neglected one of the truly great liberal icons of the mid twentieth century Based on extensive research in archival sources Herbert H Lehman restores this four term Governor of New York US Senator national and international humanitarian and political reformer to his rightful place among the pantheon of liberal heroes of his era By focusing on Lehman's interactions with Al Smith Franklin Roosevelt Harry Truman Lyndon Johnson and John Kennedy Duane Tananbaum shows how Lehman succeeded politically despite his refusal to compromise with his conscience In his thirty five years of public service Herbert Lehman fought the Republicans in the State Legislature to provide economic security for New Yorkers during the Great Depression and he battled the bureaucrats in the Roosevelt and Truman administrations and the United Nations Relief and Rehabilitation Administration to feed the starving people in Europe and Asia during and after World War II His efforts on behalf of the welfare state civil rights legislation and immigration reform helped keep the liberal agenda alive until Congress and the nation were ready to enact it into law as part of Lyndon Johnson's Great Society in 1964 1965 *Arthur Szyk* Joseph P. Ansell, 2004-11-25 Best known among Jews for his illustrated Haggadah Arthur Szyk was also a political artist whose work went beyond a narrow definition of the Jewish cause In the early twentieth century he worked tirelessly to strengthen the Jews position in Poland later in the United States he put his art at the service of the war effort and then on behalf of the Zionist cause A singular contribution to the history of Polish Jewish relations and of Jewish art Presidential Courage Michael R. Beschloss, 2008-02-05 *Presidential Courage* is a brilliantly readable and inspiring saga about crucial times in American history when a courageous President dramatically changed our future Like Beschloss's

previous book *The Conquerors* it was a New York Times bestseller for months With surprising new sources and a dazzling command of history and human character Beschloss brings to life those flawed complex men and their wives families friends and foes Never have we had a more intimate behind the scenes view of Presidents coping with the supreme dilemmas of their lives For Americans who must choose Presidents and assess them once they are elected *Presidential Courage* sets a lasting standard by showing us the best in Presidential leadership *America's Queen* Sarah Bradford,2001-10-01 Now the subject of a new film directed by Pablo Larrain Jackie starring Natalie Portman Acclaimed biographer Sarah Bradford explores the life of Jacqueline Kennedy Onassis the woman who has captivated the public for more than five decades in a definitive portrait that is both sympathetic and frank With an extraordinary range of candid interviews many with people who have never spoken in such depth on record before Bradford offers new insights into the woman behind the public persona She creates a coherent picture out of Jackie s tumultuous and cosmopolitan life from the aristocratic milieu of Newport and East Hampton to the Greek isles from political Washington to New York s publishing community She probes Jackie s privileged upbringing her highly public marriages and her roles as mother and respected editor and includes rare photos from private collections to create the most complete account yet written of this legendary life Jacqueline Kennedy Onassis s life is once again the center of interest with the 2016 release of the Pablo Larrain movie Jackie starring Natalie Portman

International Bibliography Of Jewish Affairs, 1976-1977 Elizabeth E. Eppler,2019-04-03 This bibliography a project of is intended as an aid to research on and cultural aspects of contemporary ship between Jews and the non Jewish material published in 1976 and 1977 the Institute of Jewish Affairs the historical social political Jewish life and on the relationworld The present volume covers The Bibliography includes primarily nonfiction works published outside Israel by both Jewish and non Jewish authors it excludes belles lettres with the exception of documentary novels and memoirs and religious studies Entries are arranged by subject with cross references wherever applicable a cumulative index of names and a list of periodicals are provided at the end of the volume **The Defining Moment** Jonathan Alter,2007-05-08 In this dramatic and authoritative account the author shows how Franklin Delano Roosevelt used his famous fear itself speech and the first 100 days in office to lift the country from despair and paralysis and transform the American presidency *The Warburgs* Ron Chernow,2016-11-15 From the Pulitzer Prize winning bestselling author of *Alexander Hamilton* the inspiration for the hit Broadway musical comes this definitive biography of the Warburgs one of the great German Jewish banking families of the twentieth century Bankers philanthropists scholars socialites artists and politicians the Warburgs stood at the pinnacle of German and later of German American Jewry They forged economic dynasties built mansions and estates assembled libraries endowed charities and advised a German kaiser and two American presidents But their very success made the Warburgs lightning rods for anti Semitism and their sense of patriotism became increasingly dangerous in a Germany that had declared Jews the enemy Ron Chernow s hugely fascinating history is a group portrait of a clan whose members were renowned for

their brilliance culture and personal energy yet tragically vulnerable to the dark and irrational currents of the twentieth century
