Men of Gallipoli Peter Liddle,1988 **Men of Gallipoli** Peter Liddle,1989-02-01 *Men of Gallipoli* Peter Liddle,1988 Our Friend the Enemy David W. Cameron,2014-10-01 Our Friend the Enemy is the first detailed history of the Gallipoli campaign at Anzac since Charles Bean's Official History Viewed from both sides of the wire and described in first hand accounts Australian Captain Herbert Layh recounted that as they approached the beach on 25 April that once we were behind cover the Turks turned their fire on us and gave us a lively 10 minutes A poor chap next to me was hit three times He begged me to shoot him but luckily for him a fourth bullet got him and put him out of his pain Later that day Sergeant Charles Saunders a New Zealand engineer described his first taste of battle The Turks were entrenched some 50 100 yards from the edge of the face of the gully and their machine guns swept the edges Line after line of our men went up some lines didn't take two paces over the crest when down they went to a man and on came another line Gunner Recep Trudal of the Turkish 27th Regiment wrote of the fierce Turkish counter attack on 19 May designed to push the Anzac's back into the sea It started at morning prayer call time and then it went on and on never stopped You know there was no break for eating or anything Attack was our command That was what the Pasha said Once he says Attack you attack and you either die or you survive **Captain** Sam Angus,2016-11-08 It's 1915 and British troops are about to sail to Gallipoli Billy is the youngest soldier in his platoon and is teased for not being old enough to drink or shave The truth is at fifteen he's not old enough to be a soldier either and he's terrified of the war he's about to fight Then he meets Captain a refugee boy and his donkey Hey ho Together they teach Billy what it means to be brave loyal and fearless and above all what it means to be a friend Sam Angus pulls at heartstrings in this stirring wartime friendship story **Harper's Pictorial Library of the World War** Albert Bushnell Hart,1920 **The Fall of the Ottomans** Eugene Rogan,2015-03-10 A remarkably readable judicious and well researched account Financial Times of World War I in the Middle East By 1914 the powers of Europe were sliding inexorably toward war and they pulled the Middle East along with them into one of the most destructive conflicts in human history In The Fall of the Ottomans award winning historian Eugene Rogan brings the First World War and its immediate aftermath in the Middle East to vivid life uncovering the often ignored story of the region's crucial role in the conflict Unlike the static killing fields of the Western Front the war in the Middle East was fast moving and unpredictable with the Turks inflicting decisive defeats on the Entente in Gallipoli Mesopotamia and Gaza before the tide of battle turned in the Allies favor The postwar settlement led to the partition of Ottoman lands laying the groundwork for the ongoing conflicts that continue to plague the modern Arab world A sweeping narrative of battles and political intrigue from Gallipoli to Arabia The Fall of the Ottomans is essential reading for anyone seeking to understand the Great War and the making of the modern Middle East **Gallipoli's War Horses** Jill Mather,2016-04-11 This book records the amazing contribution made by the thousands of animals that landed on the Gallipoli Peninsula Mesopotamia and Egypt in World War One This is a book you won

t be able to put down You will not only gain a great compassion for these brave horses but also feel the need to help preserve and protect the less than 1% of the descendants that exist in Australia today *Afterlives of war* Michael Roper, 2023-07-05

Afterlives of war documents the lives and historical pursuits of the generations who grew up in Australia Britain and Germany after the First World War Although they were not direct witnesses to the conflict they experienced its effects from their earliest years Based on ninety oral history interviews and observation during the First World War Centenary this pioneering study reveals the contribution of descendants to the contemporary memory of the First World War and the intimate personal legacies of the conflict that animate their history making *No Labour, No Battle* John Starling, Ivor Lee, 2014-09-01

From 1917 British soldiers who were unfit or too old for front line service were to serve unarmed and within the range of German guns for weeks or even months at a time undertaking labouring tasks Both at the time and since they have arguably not been given the recognition they deserve for this difficult and dangerous work From non existence in 1914 by November 1918 Military Labour had developed into an organised and efficient 350 000 strong Labour Corps supported by Dominion and foreign labour of more than a million men Following the war the grim and solemn tasks of clearing battlefields and constructing cemeteries which continued until 1921 were also the responsibility of the Corps Here John Starling and Ivor Lee bring together extensive research from both primary and secondary sources to reveal how the vital yet largely unreported role played by these brave soldiers was crucial to achieving victory in 1918
