Myself and Other Animals Gerald Durrell, 2024-12-05 A posthumous work from the beloved conservationist and naturalist Gerald Durrell to celebrate the centenary of his birth with a new foreword by HRH Princess Anne. Gerald Durrell was magic. SIR DAVID ATTENBOROUGH: A wise, genial, and world-encompassing book. SUNDAY TIMES: Fills important gaps in the biographical narrative. Truly, there is magic here. GUARDIAN: *Myself and Other Animals* is a new book mosaicked from unpublished autobiographies, uncollected pieces, and previously published extracts from Durrell's work and archives. The result is an extraordinary journey through Durrell's life in his own words, edited and introduced by his widow, Lee Durrell. Drawing on a memoir that Durrell started writing before he became too ill to continue it, and an unfinished book from a trip to Australia in 1969 to the Great Barrier Reef, Northern Territory, and Queensland, here is the unvarnished story of Durrell's life: from touching family tributes to golden bats and pink pigeons; moving from India to England and then to the always sun-lit Corfu, told with dry wit and insight into our fellow animals; here is the vivid finale of one of Britain's most beloved conservationists and prose stylists. Funny and readable and hugely charming. i: One of the finest and most lyrical nature writers in English. OBSERVER: A moving tribute to Gerald's endeavours and achievements as a conservationist. SPECTATOR

A Zoo in My Luggage Gerald Durrell, 2016-11-29 A British naturalist and his wife acquire a menagerie of animals and set up their own zoo in this delightful memoir by the author of the *Corfu Trilogy*. For many years I had wanted to start a zoo. Any reasonable person, smitten with an ambition of this sort, would have secured the zoo first and obtained the animals afterwards. But throughout my life I have rarely, if ever, achieved what I wanted by tackling it in a logical fashion. After a decade of supplying creatures for other people's zoos, in 1957 Gerald Durrell and his wife set off on an adventurous journey to the Cameroons in West Africa, where they collected numerous mammals, birds, and reptiles. The wild nature of the animals created quite a bit of chaos, but the Durrells' problems really began when they attempted to return to Britain with their exotic new friends. Not only did they have to get them safely home; they also had to find somewhere able and, more importantly, willing to house them. Told with wit and a zest for all things furry and feathered.

Durrell's *A Zoo in My Luggage* is a brilliant account of how a pioneer of wildlife preservation came to found a new type of zoo. This ebook features an illustrated biography of Gerald Durrell including rare photos from the author's estate. *Marrying Off Mother and Other Stories* Gerald Durrell, 1992 Collection of eight short stories by the author observing absurdity that abounds in the world. *Killed in the Fog* William L.
