**Untold Tales from the Mahabharata** Uday Shankar, 2021-04-18 Which Kaurava was inspired by the birds to commit one of the most grotesque murders in the Mahabharata Why did King Muchkund sleep for a million years and wake up in the Dwaparyug Whose soul had entered the dice of Shakuni Why was Gandhari married to a goat before she wed Dhritarashtra What was the secret behind Arjun's chariot being burnt to ashes after the war Who instigated Janmejay to burn every snake in the universe Who was the only Kaurava to cross over to the Pandavas before the battle An epic that never dies and still remains relevant even thousands of years later Vyasa's Mahabharata has always captured our imagination The saga of two feuding families the Mahabharata with its various twists and turns has been a compelling read across generations inspiring many to dig deeper into the great poem This collection of twenty short stories brings out characters and incidents that are largely unheard of and are buried in the vastness of the epic Capturing every emotion from valour lust loyalty and treachery to goodness and ethics so relevant to the world we live in these stories help us understand the epic better by bringing out a different dimension altogether

The Great Golden Sacrifice of the Mahabharata Maggi Lidchi Grassi, 2011-11-20 A stunningly lyrical work The Great Golden Sacrifice of the Mahabharata reinterprets Vyasa's epic from Arjuna's point of view As Arjuna relives the battle of Kurukshetra he senses a profound change coming upon himself He begins to understand the true meaning of surrender and sacrifice The book comprises three parts narrated principally by Arjuna Part I takes us through the childhood and youth of the Pandavas and Kauravas the game of dice the Pandavas exile and ends with the armies arrayed for battle at Kurukshetra Part II recounts the battle itself and the teachings of the Bhagavad Gita Part III presents a moving and brilliantly original take on the Mahabharata as Lidchi Grassi gives a voice to the forgotten victims of every war the ordinary citizens who must pick themselves up and resume the business of life An old order has been swept away but can the new age the Kali Yuga help lessen human strife and misery Vastly ambitious in scope and epic in scale The Great Golden Sacrifice of the Mahabharata is an astonishing read

**Bhishma an Enigma** Umesh Kotru, Ashutosh Zutshi, 2017-12-08

The pedigree of being a demi god in his previous life and the scion of the foremost dynasty in the Aryavarta should have ensured a smooth life for Prince Devavrata But it was not to be His upbringing by Goddess Ganga herself and training under the best Gurus of his time could not change his destiny in any way His struggle to keep his dynasty afloat lasted his entire lifetime Despite repeated counselling from his mother Vedvyasa and Vidura among many others the feeling of having failed in his primary mission of protecting the Kuru dynasty haunted him even on his bed of arrows Although he was revered and simultaneously feared as Bhishma he spent his entire life in a struggle to resolve his internal as well as external turmoil Like ordinary mortals it seems that the extensive knowledge of scriptures gained from his guru Maharishi Vasishta did not in any way help him in overcoming his miseries Bhishma would have been known only as a great warrior and someone who resolutely stood by his word had it not been for the grace of Sri Krishna which brought forth the other facet of his personality of being a Brahmagyani That enabled him to address all queries of Yudhishtira lying as he was on the bed of arrows before his departure from this world

**The Story of Dharma and Adharma Mahabharata, Part 1**

Rishi Nanda, Mehak Mahajan Nanda, 2025-01-18 As the saying goes there are three sides to every story Your Truth My Truth and The Real Truth In Sanatan Dharma there are millions of books and story tellers so whichever book or story a person has read heard or seen it becomes that person's truth The key point to note is that there are usually multiple stories explaining the same fact occasion or festival So each version is right in its own merit This is a result of the natural evolution the stories might have gone through the process of being handed over from generation to generation for centuries Many concepts and secrets are hidden in these stories and we are going to explore such secretive learnings and evolve on how to lead life

personally and professionally In our book we have not only shared the story of Mahabharata but after every chapter we have shared the learnings from that chapter and trivia of many characters We have strived to make it the best resource on Mahabharata available to you Mahabharata is an Itihasa which means thus it happened Mahabharata was written by the great author Maharishi Ved Vyasa Mahabharata is not only about a war between two branches of a family or a tale of good versus evil but it is a profound exploration of human nature choices and consequences Every character embodies a mix of virtues and flaws blurring the line between Dharma and Adharma In this epic everyone is both right and wrong in their own way While Adharma has seemingly triumphed the question remains will the Pandavas reclaim their kingdom or does Mama Shakuni still have one last ace up his sleeve
