Spinners: A Short Story Collection about Teenagers, Showcasing Teens and Young Adults Forming Their Identities James C. Fleming, **The Ineluctable Spin** Felix Bongjoh, 2018-10-30 This book takes up the author's familiar themes which run through his earlier six volumes of poetry i Chorus on a Bridge ii Broken Gloss of Bliss iii Nightfall at Dawn iv When Dusk Hoots v Weeds of Jewelry and vi Season of Flowers In *The Ineluctable Spin* Afo a Kom speaks for the poet by expressing his Afo a Kom's feelings first when he is abducted by his own people and tossed into exile and ultimately his reckoning of his own resuscitated life after his return to his native land Other poems reflect ordinary human experiences while some speak to life in Afo a Kom's native land of Kom before during and after his absence Most of the poems though reflect man's interaction with man and nature They are also driven especially by the philosophy of an ineluctable spin which is a self adjusting self compensating and back to the same point occurrence of events on a natural axis that inexorably governs diverse paths of life including that of Afo a Kom who returns to his roots after an involuntary adventurous spell in the US

Custom Maid Spin for New World Disorder Peter De Krassel, 2005-08 We the Maids For the Maids By the Maids we are the maids that clean up and pay for America's geopolitical mess A political manifesto for our difficult and troubled times *Custom Maid Spin for New World Disorder* is a trenchant analysis of the political social and moral ills that beset the United States This is a book written for anyone with a stake in the future of America Filled with witty personal anecdotes drawn from his experiences as a lawyer a businessman and a political activist de Krassel argues that America desperately needs to reform He takes particular aim at the country's career politicians sensationalist media and jingoistic culture And he suggests ways in which America can put its house in order The first chapter *The Hypocrisy of Fake Morality with Real Orgasms* examines how American journalists have increasingly focused on frivolous stories about the sex lives of public figures rather than the real issues affecting the country In the years leading up to the 9 11 attacks for example more time was spent by the American media chasing the Monica Lewinsky affair than tackling difficult topics like the rise of Islamic extremism abroad or the long overdue need for campaign finance reform Further chapters cover racism and bigotry religion America's great opportunity in the new millennium the breakdown of family structures spin and disinformation The book concludes with an exhortation to a return to the principles of the Founding Fathers A new millennium offers a unique opportunity for change It is a chance for Americans to retake control of their political system and reassess their values in an increasingly religious stressed out debt laden consumerist society Peter de Krassel was born in England of a Russian father and Palestinian Jewish mother He has lived all over the world including Switzerland Israel and the United States Currently he lives in Hong Kong He has a unique perspective on world events both from the influences of the places he's lived in and the people he has met as well as from his varied career
