One Man At A Time:

One Man's War: My Time in Vietnam Pasquale De Marco, 2025-04-30 *One Man's War: My Time in Vietnam* is a powerful and moving memoir that tells the story of one man's experience in the Vietnam War. Pasquale De Marco was drafted into the army in 1965 and he served in Vietnam for two years. During that time he saw some of the worst that war has to offer. He witnessed the death and destruction of his comrades and he was constantly in danger of being killed or injured himself. Despite the horrors he experienced, Pasquale De Marco never lost his humanity. He remained compassionate and caring even in the darkest of times. He helped his fellow soldiers whenever he could and he always put their needs before his own. Pasquale De Marco's story is a testament to the strength and resilience of the human spirit. It is a story of courage, compassion, and hope. It is a story that will stay with you long after you finish reading it. In *One Man's War*, Pasquale De Marco shares his memories of the war, both good and bad. He writes about the camaraderie he shared with his fellow soldiers, the horrors he witnessed, and the challenges he faced when he returned home. Pasquale De Marco's story is an important one, and it is one that needs to be told. It is a story that will help us to understand the Vietnam War and its impact on those who fought in it. *One Man's War* is a must-read for anyone who wants to learn more about the Vietnam War. It is a powerful and moving memoir that will stay with you long after you finish reading it. If you like this book, write a review on Google Books. **One**

Man's Destiny Walter M. Cerneka, 2016-02-25 This book was written by a man that has lived half of his life in turmoil and addiction. His decisions took him to places that could have killed him, but this thing called DESTINY came into play. The author puts destiny and higher power as one. Hopefully, this book can teach and prevent others from making the same choices that tragically led to the death of 90% of his young friends. The book will take you on a wild journey of amazing survival and hope.

One Man's Odyssey Bernard Jankowsky, 2010 **Allan McElhiney: One Man's Vision** Minerva Bloom, John Bloom, 2010-07-27 With more than 100 vintage photographs, nothing in the history of Ft. Lauderdale had greater impact in its prosperity than the Naval Air Station NASFL established in 1942. Recognizing this fact, the Naval Air Station Fort Lauderdale Historical Association can be traced to one man, Allan McElhiney, a former WWII sailor who devoted much of his life to preserve a part of history. When the war ended, the base closed its doors. Progress was about to eradicate the past to make way for a new airport, but thanks to the long fight of a visionary man who saw the significance of safeguarding a bygone era, a Naval Museum was established. Flight 19 is one of the great aviation mysteries. It flew out of NASFL in 1945 to vanish into the Bermuda Triangle. In addition, a 19-year-old future US President lived at NASFL as a young Ensign to train as a torpedo bomber pilot. This is the inspirational story of one man whose commitment to the cause of preservation has encouraged many to look into our past to safeguard our future. *One Man's Journey* Denny Taylor, 2015-10-15 Part One is one of betrayal and a path that leads into darkness. The path traces the author's life from sixteen to twenty-seven years old and starts with the first two women he dated. He was Catholic then and lonely. Part Two chronicles his time with Carolyn, how they met, how the

Lord transferred all the love he had for the first woman he dated to Carolyn Its about how she gave him four wonderful children only to find out she had cancer when the last child was born This is about how he lost everything even his belief in the Lord But he kept a promise that his late wife asked of him Keep the kids all together under your roof and take them to Sunday school and church If you do those two things the Lord will forgive all the rest Part Three tells of how he meets his present wife of thirty two years and how she married into a family that had four kids when she only had one It visits how they started and built their business through the years It also tells of the hurt and pain that came with the death of two sons and how the man did not get angry with the Lord despite how little help he received from his family *One Man's Planet*

Stephen M. Testa, 2009 *One Man's Planet* is a slightly off centered geologist's introduction to how politics pop culture and the earth sciences mix it up every day in all of our lives A humorous look at a myriad of issues that grace the news and drive political debates from local councils to international discourse *One Man's Planet* picks apart the rhetoric on all sides of these debates to look at how the science describes the issue often to the nakedness of the opposing parties Tackling topics like climate energy water and hazards Stephen Testa channels Beanie Babies Mad Max and Shakespeare among others to examine the latest scientific understanding of these issues Author Stephen Testa weaves science personalities pop culture and politics into a very informative and entertaining tapestry on the planet today and the planet's tomorrow Come tour the Earth with Testa as your guide **One Man's War** Richard Beale, 2015-11-05 Actor Richard Beale was a young officer in the Royal Navy during the Second World War In the summer of 2014 he sat down to write a memoir of that time now more than 70 years ago The result is an engaging and often humorous account of his wartime service in the Royal Navy from just prior to joining up until his demobilisation and subsequent return to civilian life During his naval career Richard rose from a humble rating to become commander of a series of coastal patrol craft the last of which was HMS ML 135 sailing one from the UK to Malta and latterly covering the Royal Navy's campaign in Greek and Croatian waters including minesweeping duties His story includes accounts of a number of key engagements including one in which he was badly wounded and encounters with Greek bandits and British spies But it is not simply a naval memoir as he also recalls memories of love affairs special friendships and the enduring companionship of his beloved spaniel Simon who accompanied him in the initial stages of his career **Report on an Investigation of the High Speed Hazards of Steel Belted Radial Tires on Police Cars**

Jared J. Collard, 1977 *The Good News: One Man's Journey Through the Bible* Charles M. Miller, 2025-07-29 The work in this book was put together as a devotional to the deeply felt and wonderful study of God's Word the Bible In it through my many sources I have arranged well over fifty topics or subjects if you will along with the chapters and verses in the Bible that reflect the Bible's view concerning these topics As a devotional my book is arranged for you to pick whichever topic or group of topics that interests you My ultimate purpose in putting together this book is to help EVERYONE and ANYONE in THEIR UNDERSTANDING of THE WORD OF GOD the Bible Yes from the most sinful person to the most devoted from the most

intellectual to the least capable of understanding Yes from the strong to the weak my purpose is to help ANYONE and EVERYONE to read and understand the Bible Bless you all **From China to Paris** Yvonne Dold-Samplonius,2002 The reports of a conference of 11 scholars who began the task of examining together primary sources that might shed some light on exactly how and in what forms mathematical problems concepts and techniques may have been transmitted between various civilizations from antiquity down to the European Renaissance following more or less the legendary silk routes between China and Western Europe **Cement-mill & Quarry** ,1927 One Man's Opinion: A Suggested Rewrite for the Constitution of the United States , *French Fried: one man's move to France with too many animals and an identity thief* Chris Dolley,2010-06-24 New York Times Bestseller Animals behaving badly other people's misfortunes and the most bizarre true crime story ever French Fried is the unfortunately true account of Chris Dolley's first eight months in France and has been described as A Year in Provence with Miss Marple and Gerald Durrell Just when Chris and Shelagh think nothing more could possibly go wrong they discover that Chris's identity has been stolen and their life savings all the money from their house sale in England that was going to finance their new life in France had disappeared A bank account had been opened in Chris's name in Spain to take the proceeds Then they're abandoned by the police forces of four countries who all insist the crime belongs in someone else's jurisdiction The French say it's an Irish crime as that's where the money was held The Irish say it's French as that's where all the correspondence came from The British say it's nothing to do with them even though forged British passports were used to open the bank account in Spain And the Spanish are on holiday and can't even think about investigating any bank account for at least four weeks So Chris has to solve the crime himself But unlike fictional detectives he has an 80 year old mother in law and an excitable puppy who insist they come along if he's going anywhere interesting like a stakeout **REVIEWS** This was a fantastic read It had me laughing so much that I nearly got relegated to the sofa Once I had started reading this book I could not put it down I was even quite happy to miss my favourite TV programmes Bookmarked When I downloaded this book this morning I had every intention of putting it on my phone and reading it in dribs and drabs And now I appear to have finished the book The best thing about French Fried is it's sense of humour warm self-deprecating and very British Literally laugh out loud in several places I'm glad I'm the only one home Librarything Chris Dolley's humour reminds me of James Herriot at times with my husband shushing me in the middle of the night I could not put this book down and enjoyed it immensely The characters especially Nan were life size **Salammi One God in One Man** C. T. Benedict,2007 This book aims to enlighten the readers to the reasons and arguments for believing in the existence of God Jesus Christ is the true Messiah and to disprove the unfounded and blasphemous allegations made against Christ and the Universal Church by some fictional writers who have attempted to ridicule Christ and to reduce the standing of the Gospel to a product of political forces which allegedly operated to determine as to which text should be included in the Canon and which should be edited out rather than considering the Gospel as the literal work of God **Fire Control Notes** ,1950
