actions in order to give ourselves the best possible chances for success in this complex world The world's problems are complex messy and seemingly intractable but history tells us that human creativity finds solutions to even the most daunting problems This book collects perspectives on creative development from many of the most respected scholars and educators working in creativity and innovation today helping chart a path forward for creativity in the 21st century Jonathan Plucker Julian C Stanley Endowed Professor of Talent Development Johns Hopkins University A volume taking on macro opportunities and macroproblems by editors Ambrose and Sternberg is a treat for readers who want to think big and think forward Kick back for an imaginative journey that reaches back to early global insights but propels us solidly into the 21st century and beyond Ann Robinson Past President National Association for Gifted Children

Men's Changing Roles in the Family

Robert A Lewis, Marvin B Sussman, 2014-05-01 How are men reacting to perceiving and behaving in light of the changes in gender roles Here is an important volume that provides new and interesting reading about contemporary husbands and fathers Men's Changing Roles in the Family offers an overview of the causes and consequences of changes in men's family roles in recent decades Experts introduce you to the issues problems and methods on the cutting edge of those disciplines that study men in the context of their families Until now relatively little has been known empirically about men in contemporary families and even less has been known about husbands and fathers from direct reports of the men themselves This groundbreaking volume successfully closes this gap in the literature with an examination of the effects that fathers growing involvement with their children have on their wives and themselves a clinical assessment of some men's angry reactions to separation and divorce and those special therapeutic goals and strategies that may help reduce their distress examinations of the conflicting demands of the work world and the family upon some contemporary husbands and fathers and the negative effects of nonstandard work schedules upon men's family life and an examination of factors that make many men unhappy in patriarchal family structures Men's Changing Roles in the Family also contributes toward breaking new ground by examining family roles now performed by special groups of men Finally this important volume reports empirical findings about men in family like relationships illustrating evidence for the unique roles that male caregivers can offer children in day care centers and reviewing current empirical studies of men's friendships and their development
