drowning in a freak diving accident David has had his fair share of ups and downs and has lost some of his nearest and dearest along the way David's is a touching funny and warm hearted story which charts the course of his incredible five decades at the top of the entertainment business He's been a shopkeeper and a detective inspector a crime fighter and a market trader and he ain't finished yet As Del Boy would say it's all cushty *Television Cities* Charlotte

Brunsdon,2018-01-19 In *Television Cities* Charlotte Brunsdon traces television's representations of metropolitan spaces to show how they reflect the medium's history and evolution thereby challenging the prevalent assumptions about television as quintessentially suburban Brunsdon shows how the BBC's presentation of 1960s Paris in the detective series *Maigret* signals British culture's engagement with twentieth century modernity and continental Europe while various portrayals of London ranging from Dickens adaptations to the 1950s nostalgia of *Call the Midwife* demonstrate Britain's complicated transition from Victorian metropole to postcolonial social democracy Finally an analysis of *The Wire*'s acclaimed examination of Baltimore marks the profound shifts in the ways television is now made and consumed Illuminating the myriad factors that make television cities Brunsdon complicates our understanding of how television shapes perceptions of urban spaces both familiar and unknown *Best of the Britcoms* Garry Berman,2011-02-16

With crisp dialog outrageous characters and an absurd sense of humor it's no wonder British sitcoms are so well loved *Best of the Britcoms* covers the most noteworthy situation comedies ever to cross the pond Each entry combines a show summary with descriptions of standout episodes and behind the scenes details plus gives you production data and full cast listings And now the revised edition of this Britcom classic contains seven new chapters on programs that have aired in the U S since the original edition was published such as *The Office* *Extras* and *My Family* Fans of old school Britcoms won't be disappointed either as the revised edition also includes the later developments of older series storylines and detailed information on specials and cast reunions that have occurred in the intervening years Pick up this book kick back and get to know a Britcom **London, 1984** Stephen Brooke,2024-01-22

In *London, 1984* two very different cities came into conflict one rooted in radical politics and the other shaped by Margaret Thatcher and the Conservative government This was a city poised between two eras and identities remoulded in conflicting ways by social democracy and neoliberalism Using a wide array of sources many of which have never been used before *London, 1984* explores the radical history of the capital in this tumultuous era from a major anti apartheid march in central London to an alternative childcare centre in Dalston from a protest staged on the Thames against Docklands development to tensions on housing estates in the East End and Tottenham around racial violence and policing from a raid on a gay bookshop in Bloomsbury to the Greater London Council's attempt to build a challenge to Thatcherism from County Hall Lambeth and from controversial and well known historical actors such as Ken Livingstone and Margaret Thatcher to the compelling stories of numerous less famous Londoners who also sought to influence the shape and nature of their city This is a story of struggles within the corridors of power but it is also one of those on the ground waged through popular culture and activism

and in daily life In so doing London 1984 offers a panoramic timely and revealing portrait of the city in a pivotal decade in its modern history These years saw deep problems of racial violence policing and poverty as well as other controversies and struggles over feminism gay and lesbian rights anti racism jobs and economic strategy neoliberalism and the nature of the state and global issues such as Apartheid nuclear weapons and Northern Ireland Across these and the stories of those who lived shaped and fought them we see the roots of London and Britain today *Prefab Homes* Elisabeth Blanchet,2014-10-10 At the end of the Second World War Winston Churchill promised to manufacture half a million prefabricated bungalows to ease the housing shortage in the end more than 156 000 temporary prefabs were delivered Nicknamed Palaces for the People and with convenient kitchens bathrooms and heating systems they proved popular and instead of being demolished as intended they were defended by residents who campaigned to keep their family homes and communities Nearly seventy years later as the last of these two bedroom homes are being demolished Elisabeth Blanchet tells the story of these popular dwellings and their gardens and shows the various designs that were produced Through the stories and memories of residents she also reveals the communities who were pleased to live in the prefabs Classic TV Fiona Jerome,Seth Dickson,2006-03 **5000 Episodes And No Commercials** David Hofstede,2006 Complete information on every television sitcom special and drama series released on DVD including year of original airing information on audio and video quality extras cast members and guest stars and more is provided in this guide Original **Last of the Summer Wine** Andrew Vine,2010-09-25 An insider's look at story behind the longest running situation comedy in British television history Quite simply Last of the Summer Wine is the longest running comedy programme in the world It premiered thirty seven years ago in 1973 and after thirty one series it finally came to an end even though all its original protagonists Compo Foggy even Nora Batty are now dead Remarkably for a series of such longevity and international appeal it is all about elderly people has little action or plot and is set and filmed in and around the small Yorkshire town of Holmfirth Now Andrew Vine the deputy editor of Yorkshire's daily newspaper has written the definitive history of this television phenomenon It covers the show's inauspicious beginnings with low ratings its endless reinvention as participants like Bill Owen Michael Bates Brian Wilde and Kathy Staff retired or died the appearance of a string of guest stars from John Cleese and Norman Wisdom to Thora Hird and Russ Abbott both of whom soon found themselves fixtures in the cast and the ingenious plot contrivances as the protagonists became too old and frail to attempt any of the slapstick stunts with runaway prams indeed any outdoor action The town of Holmfirth is now a year round tourist attraction and the endless availability of the show via streaming ensures that Last of the Summer Wine and the book it inspired will live on for generations of fans **80s Quizpedia** Aisling Coughlan,2022-09-27 These 450 questions will put your knowledge of the most bodacious decade to the test What's the favourite food of the Teenage Mutant Ninja Turtles On what date did MTV first air Which hairstyle was all business in the front and party at the back What were Hulk Hogan's signature colours This interactive trivia book about the decade that gave

channels to watch the evening's programmes finished with the playing of the national anthem and the biggest prize on TV was not Chris Tarrant's million pounds but a speedboat on Bullseye. But as Tom Bromley suggests in this funny and warming memoir all that was about to change. The 1980s saw the end of the original golden era of television and the beginnings of TV as we know it today. In 1982 Channel 4 became the first new terrestrial channel for almost twenty years and by the end of the decade Rupert Murdoch's Sky Television was vying to become Britain's first multi-channel provider. The result of all this was that slowly but surely British viewers had more choice than ever before and the cost of this choice was the erosion of television as a shared national event. And no one felt this change more deeply than Tom Bromley. Television played a large part in Tom's childhood. His first word was two as in BBC Two and his earliest childhood memory is seeing Johnny Ball at a church fete. With great humour and affection Tom Bromley tells the story of a childhood spent with his three siblings and that other all-important family member, the television set.
