

PALESTINE

A PHOTOGRAPHIC JOURNEY

George Baramki Azar
Introduction by Ann Mosely Lesch

Palestine A Photographic Journey

Moya Tönnies

Palestine A Photographic Journey:

Palestine George Baramki Azar, 2023-12-22 An unforgettable photographic journal of the shadows of the Arab world at turns invisible unknown and threatening to some this work gathers images of the Palestinians during the first few months of 1988 when the intifada was beginning to gain momentum We have come to visually associate the terms intifada and Palestinian solely with images of young men wrapped in kafiyyehs hurling rocks at Israeli soldiers The photos gathered here are different They grant us the rare opportunity to see facets of the Palestinians not portrayed in the popular media the beauty of the land the life of the shepherders the joy of the children the quiet defiance of the elders the dignity they all salvage From 1981 to 1987 George Azar chronicled the Israeli invasion of Lebanon the destruction of the U S Marine compound the civil insurrection in West Beirut the Iran Iraq War and the interfactional war among the Palestinians in North Lebanon He saw gun battles and deaths so numerous that his memory of them has become a blur Leaving the horror of Beirut Damour and Tripoli behind he resisted the thought of going back But in early January 1988 news reports showed the people of the refugee camps the villages and the towns in the West Bank and the Gaza Strip taking to the streets He returned to the occupied territories later that month and began taking these pictures This book bears witness to Palestinian lives and by doing so gives the Other a human face The texts that accompany the photographs are taken from eyewitness testimonies open letters news clippings interviews and Arabic poetry An introductory essay by Ann M Lesch describes the genesis of the intifada movement and its interactions with the Israeli government Despite death deportation and the destruction of their homes the Palestinians remain steadfast convinced that one day the horror of military occupation will end and they will be able to live once again This work is a testament to that conviction An unforgettable photographic journal of the shadows of the Arab world at turns invisible unknown and threatening to some this work gathers images of the Palestinians during the first few months of 1988 when the intifada was beginning to gain moment **Israel and Palestine** Alex M.

Goldblum, 2013-05-17 See Israel the lands of the Bible through my eyes See both the beauty and the conflict See the ancient and the modern Envision war and peace in the land of milk and honey I will take you across the thin green line to the other side of the wall Israel and Palestine A Photographic Journey features images of Israel Judea and Samaria The West Bank The Golan Heights and the Egyptian Sinai Peninsula I went to Israel the first time purely as a tourist The second trip was more motivated by my desire to document the people places and culture that I was reading about online and in the media I wanted to be close to the action I found action alright tons of it Israel and the Sinai and the West Bank are hot zones for action Anything can pop off anywhere at any time Dozens if not hundreds of political hot points flash points that are ready to reach the boiling point No place better exemplifies the world on its tipping point than these places I visited They are places in flux places where change is the only constant Israel Palestine The West Bank these are all disputed territories Israel has been a Democracy for 64 years but people there in positions of legislative and judicial authority seem to be abusing their powers and

applying biased and prejudiced opinions to their design and application of the law No better example exists than in El Araqib a Bedouin village in the Negev Desert where the land and housing policy has been bulldoze these people s homes to make way for a forest of trees Dozens of other institutionally racist examples of home demolitions exist in other parts of Israel and The West Bank The only place conspicuously missing from my photo series is Gaza Why didn t I visit Gaza The only way to visit Gaza is to do so via Rafah Egypt I simply did not feel comfortable going there but in theory it can be done One does not visit Gaza from Israel The blockade there will not allow it

The Knights of Jaffa: The Holy Land Journals Alex Goldblum,2024-05-13 Delve into the heart of the Holy Land with The Knights of Jaffa The Holy Land Journals the captivating sequel penned by Alex Goldblum author of the esteemed series chronicling the vibrant tapestry of history culture and politics in the region Through a compelling blend of essays letters and poetry Goldblum weaves a narrative that transcends time offering readers a profound exploration of Israel s rich heritage Embark on a journey through the annals of history from the echoes of the Crusades to the complexities of contemporary Israeli society Within these pages readers will encounter intimate letters addressed to the Israeli Knesset leadership offering poignant insights and impassioned pleas for understanding and reconciliation Against the backdrop of stunning photography captured firsthand by Goldblum during his travels in Israel and Palestine this book invites readers to witness the beauty and turmoil of the Holy Land From the solemn reflections on the October 7 Simchat Torah Massacre to the harrowing accounts of conflict in Gaza and Northern Israel s border with Lebanon each journal entry serves as a testament to the resilience and spirit of the people caught in the midst of upheaval The Knights of Jaffa The Holy Land Journals is more than just a literary work it is a testament to the power of storytelling to illuminate the human experience Join Alex Goldblum on a voyage of discovery and rediscovery as he uncovers the untold stories and hidden truths that shape the destiny of a land steeped in legend and legacy

Graffiti and Street Art Alex Goldblum,2024-08-17 Graffiti and street art have long been a form of expression that transcends boundaries breaking free from the constraints of traditional galleries and museums to find a home in the public spaces of our cities These art forms often misunderstood and dismissed as mere vandalism have evolved into powerful vehicles of social commentary personal expression and visual storytelling They transform the mundane surfaces of our urban landscapes into canvases that pulse with color creativity and a raw unfiltered view of the world In Graffiti and Street Art Alex Goldblum invites us to journey through the vibrant often controversial world of graffiti and street art This book is not just a collection of images but a testament to the resilience and ingenuity of artists who use public spaces to communicate their messages With over 320 photographs taken across diverse locations from the gritty streets of New York City to the sun soaked walls of Los Angeles and from the historic alleys of Italy to the politically charged regions of Israel and Palestine this book captures the essence of graffiti and street art as a global phenomenon Goldblum s journey into the world of graffiti began over two decades ago a time when the art form was still largely seen as an act of rebellion Through the lens of his camera he has

documented the evolution of graffiti from simple tags and throw ups to elaborate murals and complex installations that challenge societal norms and provoke thought His collection is unabridged offering a comprehensive look at the myriad styles techniques and themes that define graffiti and street art today The photographs in this book are more than just images they are stories etched onto the urban fabric each one reflecting the unique cultural political and social contexts of its environment In Pittsburgh the city s industrial past and resilient spirit come to life through bold defiant tags and sprawling burners Philadelphia s rich history of muralism is evident in its vast colorful walls that tell stories of community struggle and hope In New York the birthplace of graffiti the art form is as diverse as the city itself with each borough contributing its own flavor to the ever evolving street art scene But Graffiti and Street Art is not limited to the United States Goldblum s lens also captures the artistic expressions found in unexpected places In the ancient cities of Italy graffiti contrasts with the historic architecture creating a dialogue between the past and the present In the Middle East where walls are often symbols of division graffiti becomes a voice for the voiceless a way to challenge the status quo and advocate for change This book is a celebration of graffiti and street art in all its forms It is a visual exploration of how these art forms have the power to transform spaces provoke thought and inspire action Whether you are an art enthusiast a cultural historian or someone who simply appreciates the beauty of the unexpected Graffiti and Street Art offers a unique and compelling look at one of the most dynamic and influential art movements of our time As you turn the pages of this book you will be taken on a journey across cities and continents through alleys and underpasses where the walls speak the language of the streets Through Alex Goldblum s eyes you will witness the creativity the passion and the unyielding spirit of artists who refuse to be confined by the traditional boundaries of art This is their story told in colors that refuse to fade and lines that defy erasure Welcome to the world of graffiti and street art

Palestine: a Photo Journey on the Frontlines Jonas

MOFFAT-CABALLERO,2012-12-07 Pictures speak a thousand words For this I have not included any captions in this book Though if you do have any questions about what the heck is going on in a photo like when that crazy little lizard got trapped in a hole in the Apartheid Wall I d be more than happy to answer Much love Free Palestine

The Power and the People Charles Tripp,2013-02-25 This book is about power The power wielded over others by absolute monarchs tyrannical totalitarian regimes and military occupiers and the power of the people who resist and deny their rulers claims to that authority by whatever means The extraordinary events in the Middle East in 2011 offered a vivid example of how non violent demonstration can topple seemingly invincible rulers Drawing on these dramatic events and parallel moments in the modern history of the Middle East from the violent uprisings in Algeria against the French in the early twentieth century to revolution in Iran in 1979 and the Palestinian intifada the book considers the ways in which the people have united to unseat their oppressors and fight against the status quo to shape a better future The book also probes the relationship between power and forms of resistance and how common experiences of violence and repression create new collective identities Nowhere is

this more strikingly exemplified than in the art of the Middle East its posters and graffiti and its provocative installations which are discussed in the concluding chapter This brilliant yet unsettling book affords a panoramic view of the twentieth and twenty first century Middle East through occupation oppression and political resistance *New York City: Vantage Points* Alex Goldblum,2024-05-03 New York City Vantage Points invites you on a visual journey through the iconic landscapes and hidden gems of the Big Apple as captured through the lens of photographer Alex Goldblum Following the success of his previous works New York City A Photo Book and New York City Skylines and Street Art Goldblum returns with a stunning collection of images that showcase the city from unique perspectives Spanning over a decade from 2007 to 2024 this book offers a captivating glimpse into the ever evolving metropolis From the soaring heights of the World Trade Center to the sweeping vistas of Manhattan s skyline from across the Hudson River Goldblum s photographs capture the essence of New York City s diverse neighborhoods and landmarks Whether it s the vibrant energy of Times Square the serene beauty of Central Park or the historic charm of Brooklyn s bridges each image tells a story of its own From the bustling streets of Midtown to the tranquil shores of Liberty State Park Goldblum s keen eye for detail and composition brings the city to life in vivid color and striking clarity But New York City Vantage Points is more than just a collection of photographs it s a celebration of the city s rich tapestry of culture history and architectural marvels From the iconic Statue of Liberty to the modern marvels of Hudson Yards Goldblum s lens captures the essence of New York s spirit and resilience Join us on this visual journey as we explore the city that never sleeps through the eyes of one of its most talented photographers Whether you re a native New Yorker or a visitor experiencing the city for the first time New York City Vantage Points offers a fresh perspective on the timeless allure of the greatest city in the world **The Knights of Jaffa: Notes From The Jewish**

Diaspora Alex Goldblum,2022-12-17 The Knights of Jaffa Notes From The Jewish Diaspora is a written and visual record of Alex Goldblum s political activism on the Israeli Palestinian conflict The book consists of journal entries poetry and letters to leaders of the Israeli Knesset The book is part journalism and part critical theory The photographs in the book are from 2010 and 2011 and were taken by Alex Goldblum The Knights of Jaffa Notes From The Jewish Diaspora is the book companion to Alex Goldblum s documentary film The Thin Green Line 2022 The Green Line is the border separating the West Bank from Israel The Thin Green Line is a documentary film about life in Israel and the occupied Palestinian territories Through a combination of cinema verit filming techniques and montage editing the movie endeavors to explore life on both sides of the Green Line As the sound of the Muezzin carries through the air the zeitgeist of Israeli politics can be felt just below the surface The waves of the Mediterranean crash upon the shore The Thin Green Line is a project about life and politics in Israel and Palestine The Knights of Jaffa Notes From the Jewish Diaspora is a book project that hopes to explore human rights civil rights social justice and geopolitics in Israel and Palestine *Colonial Diplomacy through Art* Moya

Tönnies,2024-12-30 Addressing Zionists in 1923 the British artist C R Ashbee spoke of that preposterous Balfour Declaration

whose Arabic tail you people perpetually ignore but the lash of which you will some day feel His warnings received no attention at the time nor has his radical pro Arab Palestinian political position been researched since One hundred years later this art historical study asks what possibilities individual colonial actors had to influence official colonial policy In the example of Jerusalem under British rule Moya T nnies analyses how three members of the British administration Ashbee architect Ernest Tatham Richmond and governor Ronald Storrs all three identifying with the International Arts and Crafts Movement used art as a diplomatic sphere for their British colonial anti Zionist interventions

The Encyclopedia of the Arab-Israeli Conflict Spencer C. Tucker, Priscilla Roberts, 2008-05-12 This exhaustive work offers readers at multiple levels key insights into the military political social cultural and religious origins of the Arab Israeli conflict The Encyclopedia of the Arab Israeli Conflict A Political Social and Military History is the first comprehensive general reference encompassing all aspects of the contentious Arab Israeli relationship from biblical times to the present with an emphasis on the era beginning with World War I The Encyclopedia of the Arab Israeli Conflict goes beyond simply recapping military engagements In four volumes with more than 750 alphabetically organized entries plus a separate documents volume it provides a wide ranging introduction to the distinct yet inextricably linked Arab and Israeli worlds and worldviews exploring all aspects of the conflict The objective analysis will help readers understand the dramatic events that have impacted the entire world from the founding of modern Israel to the building of the Suez Canal from the Six Day War to the Camp David Accords from the assassinations of Anwar Sadat and Yitzhak Rabin to the rise and fall of Yasser Arafat the 2006 Palestinian elections and the Israeli Hezbollah War in Lebanon

Visualising Britain's Holy Land in the Nineteenth Century Amanda M. Burritt, 2020-04-11 This book demonstrates the complexity of nineteenth century Britain's engagement with Palestine and its surrounds through the conceptual framing of the region as the Holy Land British engagement with the region of the Near East in the nineteenth century was multi faceted and part of its complexity was exemplified in the powerful relationship between developing and diverse Protestant theologies visual culture and imperial identity Britain's Holy Land was visualised through pictorial representation which helped Christians to imagine the land in which familiar Bible stories took place This book explores ways in which the geopolitical Holy Land was understood as embodying biblical land biblical history and biblical typology Through case studies of three British artists David Roberts David Wilkie and William Holman Hunt this book provides a nuanced interpretation of some of the motivations religious perspectives attitudes and behaviours of British Protestants in their relationship with the Near East at the time

Journal of Palestine Studies, 1992

Arabs & Israel For Beginners Ron David, 2007-08-21 Arabs Israel For Beginners covers the Middle East from ancient times to the present tells the truth in plain English and is one of the few non scholarly books that is relentlessly fair to both Jews and Arabs If you want to continue to believe fairy tales about Arabs in Israel don't touch this book it will surely be hazardous to your closed mind If you want the truth about 12 000 years of Middle Eastern History then Arabs Israel For Beginners is the perfect place

to start The Challenge Of Local Feminisms Amrita Basu,2018-02-02 A must read for feminist activists scholars and policymakers As this book amply demonstrates women s movements around the world have much to learn from each other The Challenge of Local Feminisms is the best place to start an inspiration and a challenge for us all Bella AbzugCochair Women s Environment and Development Organization Great Photographic Journeys John Hannavy,2007 150 years ago travelling with a camera was both a novelty and an enormous challenge The intrepid photographers who took their cameras to remote parts of the world brought back images which amazed their peers Photographer and historian John Hannavy has recreated some of their epic journeys exploring the Nile from Cairo to Abu Simbel along the route Francis Frith followed between 1856 and 1859 exploring China and Cyprus as John Thomson did between 1863 and 1878 **Pre-State**

Photographic Archives and the Zionist Movement Rotem Rozental,2023-03-24 By entering and critically re activating the Zionist photographic archive established by the Division of Journalism and Propaganda of the Jewish National Fund this research examines its rippling impact on civil landscapes prior to 1948 in Palestine and its lasting impact on the region to date This study argues that the Zionist movement makes particular use of the machinery of the photographic archive aiming to constitute the boundaries of Palestine as a Jewish state claiming ownership over the land and announcing internationally the success of its enterprise thus substantiating the image it sought to embed as the reality of the land This archive was not stand alone as it was functioning in relation to a vast complicated network of organizational systems and technologies in the Middle East and across the world Crucially this system functioned as a national archive in future tense for a nation state that was not yet in existence seeking to substantiate its regional authority and shape its cultural repository outlining parameters for inclusion and exclusion from its civic space The book will be of interest to scholars working in art history photography history visual culture Jewish studies Israel studies and Middle East studies *Disillusioned* Jordan Bear,2017-05-30 How do photographs compel belief and endow knowledge To understand the impact of photography in a given era we must study the adjacent forms of visual persuasion with which photographs compete and collaborate In photography s early days magic shows scientific demonstrations and philosophical games repeatedly put the visual credulity of the modern public to the test in ways that shaped and were shaped by the reality claims of photography These venues invited viewers to judge the reliability of their own visual experiences Photography resided at the center of a constellation of places and practices in which the task of visual discernment of telling the real from the constructed became an increasingly crucial element of one s location in cultural political and social relations In *Disillusioned* Victorian Photography and the Discerning Subject Jordan Bear tells the story of how photographic trickery in the 1850s and 1860s participated in the fashioning of the modern subject By locating specific mechanisms of photographic deception employed by the leading mid century photographers within this capacious culture of discernment *Disillusioned* integrates some of the most striking and puzzling images of the Victorian period into a new and expansive interpretive framework *Israel and the West Bank and Gaza Strip* C. H. Bleaney,1994

The Photographic Collector, 1982 *Privilege and Property* Ronan Deazley, Martin Kretschmer, Lionel Bently, 2010 What can and can't be copied is a matter of law but also of aesthetics culture and economics The act of copying and the creation and transaction of rights relating to it evokes fundamental notions of communication and censorship of authorship and ownership of privilege and property This volume conceives a new history of copyright law that has its roots in a wide range of norms and practices The essays reach back to the very material world of craftsmanship and mechanical inventions of Renaissance Italy where in 1469 the German master printer Johannes of Speyer obtained a five year exclusive privilege to print in Venice and its dominions Along the intellectual journey that follows we encounter John Milton who in his 1644 Areopagitica speech For the Liberty of Unlicensed Printing accuses the English parliament of having been deceived by the fraud of some old patentees and monopolizers in the trade of bookselling i.e. the London Stationers Company Later revisionary essays investigate the regulation of the printing press in the North American colonies as a provincial and somewhat crude version of European precedents and how in the revolutionary France of 1789 the subtle balance that the royal decrees had established between the interests of the author the bookseller and the public was shattered by the abolition of the privilege system Contributions also address the specific evolution of rights associated with the visual and performing arts These essays provide essential reading for anybody interested in copyright intellectual history and current public policy choices in intellectual property The volume is a companion to the digital archive Primary Sources on Copyright 1450-1900 funded by the UK Arts and Humanities Research Council AHRC www.copyrighthistory.org

This book delves into Palestine A Photographic Journey. Palestine A Photographic Journey is a vital topic that must be grasped by everyone, ranging from students and scholars to the general public. This book will furnish comprehensive and in-depth insights into Palestine A Photographic Journey, encompassing both the fundamentals and more intricate discussions.

1. The book is structured into several chapters, namely:

- Chapter 1: Introduction to Palestine A Photographic Journey
- Chapter 2: Essential Elements of Palestine A Photographic Journey
- Chapter 3: Palestine A Photographic Journey in Everyday Life
- Chapter 4: Palestine A Photographic Journey in Specific Contexts
- Chapter 5: Conclusion

2. In chapter 1, this book will provide an overview of Palestine A Photographic Journey. The first chapter will explore what Palestine A Photographic Journey is, why Palestine A Photographic Journey is vital, and how to effectively learn about Palestine A Photographic Journey.
3. In chapter 2, the author will delve into the foundational concepts of Palestine A Photographic Journey. The second chapter will elucidate the essential principles that must be understood to grasp Palestine A Photographic Journey in its entirety.
4. In chapter 3, the author will examine the practical applications of Palestine A Photographic Journey in daily life. This chapter will showcase real-world examples of how Palestine A Photographic Journey can be effectively utilized in everyday scenarios.
5. In chapter 4, this book will scrutinize the relevance of Palestine A Photographic Journey in specific contexts. The fourth chapter will explore how Palestine A Photographic Journey is applied in specialized fields, such as education, business, and technology.
6. In chapter 5, this book will draw a conclusion about Palestine A Photographic Journey. The final chapter will summarize the key points that have been discussed throughout the book.

This book is crafted in an easy-to-understand language and is complemented by engaging illustrations. This book is highly recommended for anyone seeking to gain a comprehensive understanding of Palestine A Photographic Journey.
