Pentateuch Haftorahs Hebrew Text 2nd Edition:

The Pentateuch and Haftorahs. Hebrew Text, English Translation and Commentary. Edited by the Chief Rabbi, Dr. J.H. Hertz. Genesis. (Second, Revised, Edition.). Joseph Herman HERTZ, 1940 Hazzan Mordecai Gustav Heiser Gilya Gerda Schmidt, 2024-07-19 When Gilya Gerda Schmidt met him in 1986 Cantor Heiser had spent forty six of his eighty one years as a US citizen and was well acquainted with mourning Heiser had assumed the cantorate at Congregation Bnai Israel in the East End of Pittsburgh Pennsylvania in 1942 A master of the cantor's art he was renowned for his style elegant choir and service arrangements and rich dolesome voice which seemed to pass effortlessly into hearers hearts But this book is more than a memorial to Heiser Schmidt melds decades of archival research conservation efforts family interviews and trips to Jerusalem and Berlin into a critical reconstruction of the life and vision of Hazzan Mordecai Gustav Heiser in the multiple contexts that shaped him Coming of age in Berlin in the afterglow of the Second German Empire meant that young Gustav had tasted European Jewish culture in a rare state of refinement and modernity But by January 30 1940 when he reached New York with his wife Elly and two and a half year old daughter Judith Cantor Heiser had lost nearly all of his living family relations to the extermination programs of the German Reich after narrowly surviving a brief incarceration at Sachsenhausen While Cantor Heiser's art was steeped in nineteenth century tradition Schmidt contends that Heiser's music was a powerful affirmation of Jewish life in the twentieth century In a final chapter Schmidt describes his influence on the American cantorate and American culture and society Doing Right David W. Gill, 2022-06-30 Doing Right is a careful thorough readable introduction to a Christian ethics based on the Decalogue Following the implications of Jesus double Love Commandment ten chapter length studies show how each of the commandments guides our love for God our love for our neighbors our search for justice righteousness and our quest for life freedom As such Christian ethics is not despite first impressions a catalog of thou shalt nots but rather a roadmap for a lifelong adventure guided by ten words on life freedom love and justice Doing Right draws deeply on the best Jewish and Christian scholarship over the centuries and then follows the ten principles wherever they lead even into the thorny controversies of the present time Doing Right works as a stand alone study of the ethics of principles and practices but is also the companion to Gill's Becoming Good on the ethics of character and virtue The Making of the Modern Jewish Bible Alan T. Levenson, 2011-08-16 Tracing its history from Moses Mendelssohn to today Alan Levenson explores the factors that shaped what is the modern Jewish Bible and its centrality in Jewish life today The Making of the Modern Jewish Bible explains how Jewish translators commentators and scholars made the Bible a keystone of Jewish life in Germany Israel and America Levenson argues that German Jews created a religious Bible Israeli Jews a national Bible and American Jews an ethnic one In each site scholars wrestled with the demands of the non Jewish environment and their own indigenous traditions trying to balance fidelity and independence from the commentaries of the rabbinic and medieval world Religion and Sustainability: Interreligious Resources, Interdisciplinary

Genesis A Theological Commentary for Preachers engages hermeneutics for preaching employing theological exegesis that enables the preacher to utilize all the narrative units of the book to craft effective sermons This commentary unpacks the crucial link between Scripture and application the theology of each preaching text i e what the author is doing with what he is saying Genesis is thus divided into thirty five narrative units and the theological focus of each is delineated The overall theological trajectory theme of the book divine blessing creating for blessing Gen 1 11 moving towards blessing Gen 12 24 experiencing the blessing Gen 25 36 and being a blessing Gen 37 50 is thus progressively developed The specificity of these theological ideas for their respective texts makes possible a sequential homiletical movement through each pericope of the

book enabling the expositor to discover valid application for sermons While the primary goal of the commentary is to take the preacher from text to theology it also provides two sermon outlines for each of the thirty five units of Genesis The unique approach of this work results in a theology for preaching commentary that promises to be useful for anyone teaching through Genesis with an emphasis on application *Historical Dictionary of the Jews* Alan Unterman,2010-11-15 The Historical Dictionary of the Jews presents the history of the Jewish people and their religious culture in a way that makes clear how and why this small ancient people have survived nearly four millennia and managed to play such an important role in the world well out of proportion to their population The Jews trace their origins far back in history to the early tribes of Judah and Moses Over the centuries they spread across much of the Western world as well as into parts of Africa and Asia until they were crushed by the Holocaust and were forced to find refuge in the United States and the new state of Israel Because of that horrific event of the estimated 15 million Jews living today approximately six million reside in Israel with almost the same number living in the United States making these two countries the main center of Jewish life today This ready reference tells the history of the Jewish people through a detailed chronology an introductory essay an extensive bibliography and over 200 cross referenced dictionary entries on significant persons places events institutions and aspects of culture society economy and politics This book is an excellent access point for students researchers and anyone wanting to know more about the Jewish people **Women! Pelton, 2018-01-16 This work is devoted to analyzing three major frames of justice group justice individual desert and life affirmation and their implications for social policy as well as their reflections in contemporary social policies Pelton finds that all three frames of justice are reflected in the Bible and later the Koran He contends that there is no evidence in the Bible of a genesis or development from one frame of justice to another Rather a sense of justice has existed in the human mind from time immemorial with the three frames coexisting and manifesting themselves in both inter and intra group relations The prominence of one frame over another at any particular point in history or in a particular geographical location is influenced by a variety of factors though it is ultimately open to human choice Pelton compares and contrasts the philosophies of nonviolence and liberalism in regard to the frames and explores the relationships between principle sentiment reason justice and policy He discusses social science's problematic relationship to justice in policymaking for instance how scholars have focused more on the effectiveness of policies largely in terms of statistical outcomes reflecting aggregate data analyses than on their justice He goes on to explore in depth how frames of justice give direction to social policies including those of genocide *Frames of Justice* is an outstanding work that analyzes the question of justice and social policy while simultaneously exploring the notion of desert in religion philosophy and legislation especially within the context of the moral question of the relationship between means and ends and contrasting it with the principle of life affirmation
