Public Places Siân Phillips, 2004 Siân Phillips and Peter O Toole were one of the theaters most fabulous couples a marriage perhaps rivaled only by that of Richard Burton and Elizabeth Taylor in terms of glamour power and public fascination In her exceptional memoir Phillips reveals in thoughtful detail their tumultuous life together She describes the mad and impulsive times with the infamous hellraiser alongside the tempestuous insecure and often lonely periods in their marriage When OToole s career took off with Lawrence of Arabia Siân found life increasingly difficult in her parallel roles as wife mother and actress and watched as her own career became progressively sidelined Against all expectations though their union endured for twenty years When it ended incredibly even to herself Siân plunged straight into another marriage to a much younger man Ultimately she emerges alone triumphant and unrepentant and the story she recounts here ranks alongside the very best in show business
